WHEN WILL THE CEREMONY AND RECEPTION START?

The ceremony starts at 2 p.m., but we encourage that guests arrive by 1:30 p.m. for the processional.

The reception will start at 5 p.m. at AQUILA CRYSTAL PALACE in Tagaytay.

Appetizers and refreshments will be served. Take advantage of this time to socialize, register, find your seats, and use the photo booth.

CAN WE TAKE PICTURES AND VIDEOS DURING THE WEDDING CEREMONY?

Our ceremony will be unplugged and solemn. Please turn off and keep your phones during the processional and ceremony. You may take photographs after we have been pronounced husband and wife. :)

We have an incredible team of photographers and videographers on hand to capture the moments. We promise to share the photos with you after the wedding!

CAN I BRING A DATE WITH ME? (PLUS ONE, DRIVER ETC?)

As much as we'd love everyone to join us in our celebration. Please refer to your invitation for the number of allotted seat/s to your party.

Unfortunately, due to venue space and budget constraints, we can only accommodate a limited number of guests.

CAN WE BRING OUR KIDS TO THE WEDDING?

We love children, but we sadly cannot
accommodate them at the venue due to
necessity rather than choice.

The only kids attending are those we requested.
We appreciate your understanding.

DO WE REALLY NEED TO RSVP?

Yes please. We need this to consolidate guest details and finalize the headcount for catering and seating arrangements.

We also need a final guest list because the reception venue has strict entry requirements.

IF I RSVP "NO" BUT MY SCHEDULE
SUDDENLY FREES UP. WHAT SHOULD I
DO?

Please let us know right away so we can confirm.
Having said that, please understand that we may
have already reallocated your seat.

DO?

understand that some things are beyond our control.

allocation of seats.

DO YOU HAVE A GIFT PREFERENCE?

As love is what the night is all about, your
presence is one we will treasure for life.

If you believe that a gift is worth giving, we would
appreciate receiving a monetary gift as we build
our life in Dubai. :)

CAN WE SIT ANYWHERE DURING THE RECEPTION?

Please don't :(It took a lot of effort and discussion to complete the seating arrangement that is designed for everyone's comfort and network preference.

You'll be seated along with family, friends or entourage team.
