

Biking and Walking in Bay View

Biking and walking are cherished parts of the Bay View experience. To help keep our community safe and enjoyable for everyone, we ask all residents and guests to follow these important guidelines:

- **Obey all traffic rules and posted signs.** A stop sign means **stop**—for bikes, golf carts, vehicles, skateboards, scooters, and skates alike.
- **Always stop at pedestrian crosswalks.** These crossings are vital for everyone’s safety.
- **Bike with the flow of traffic.** Stay alert for vehicles and golf carts, especially along road edges.
- **Yield to pedestrians.** Whether on foot, bike, golf cart, or in a vehicle, please give the right of way to walkers.
- **Respect pedestrian-only areas.** Places like the bluff, the beach, campus, Fairview Park , Swift Field, and Boothdale Park are reserved for foot traffic only. Wheelchairs, strollers, and children’s wagons are always welcome.
- **Wear a helmet.** Helmets are strongly encouraged for all cyclists, especially children.
- **Use lights and reflectors after dark.** Bikes should have front and rear lights, as well as reflectors, when ridden at night.
- **Be courteous and communicate.** Signal turns, pass carefully, and offer a friendly “on your left” when approaching others.
- **Park bikes responsibly.** Use bike racks when available. Do not block walkways, entrances, or access points when parking.
- **Encourage awareness.** Remind children and youth to stay alert and avoid distractions like headphones or phones while biking or walking.

In Bay View, **safety, patience, and hospitality** make our community stronger. Thank you for doing your part to keep Bay View safe, welcoming, and enjoyable for all.

Sam Spayde Hot Dog Roast Bike Safety Checks:

These partnerships further our commitment to bike safety. Bring your bikes and helmets and we look forward to seeing you!

From the Executive Director, Megan DeWindt

As we welcome another summer season along the shores of Lake Michigan, Bay View continues to strengthen its commitment to environmental

stewardship and the care of our shared campus.

Having grown up in Bay View and now enjoying the privilege to serve this community in a leadership role, I am continually reminded that Bay View's beauty and spirit are sustained through generations of thoughtful care. The stewardship of this special place belongs to all of us, and I am grateful for the many ways our community continues to support that shared responsibility.

Thanks to the generosity of Giving Tuesday donors, Bay View has **added three new heavy-duty trash containers** at the beach to pair with the two that are already there. Designed to better withstand the strong Lake Michigan winds, these larger containers will help improve cleanliness and convenience throughout the summer season. Donor support also made it possible to **add five new mixed container recycling containers** at the beach, further supporting our collective efforts to care for the natural beauty that surrounds us. Please help us make the most of these new recycling stations by **observing the posted signage**. Recycling works best when we all do our part, and your attention to proper sorting helps. **We are deeply grateful to all** who contributed to these improvements

and helped advance Bay View's ongoing stewardship initiatives.

Separately, **new pet waste stations with compostable bags have been installed throughout campus** to support responsible pet care while reducing environmental impact.

Bay View has long collected and composted yard waste as part of our ongoing grounds and landscaping efforts. This season marks the beginning of an expanded composting initiative that will invite broader community participation on campus. Working closely with the Emmet County Recycling & Transfer Station, Bay View is expanding opportunities to reduce waste and thoughtfully manage compostable materials.

Staff are in the process of rolling out a composting program in partnership with the Emmet County Recycling Center. There will be more information on this to come as we continue the introduction of this program. With this being said, cottagers are invited to collect compostable materials from their cottages and there are local sites available for drop-off if needed. Compostable items include fruit and vegetable scraps, coffee grounds, eggshells, and other plant-based materials. Please remember that meats, cheeses, oils, and processed foods should not be included. For information about local sites for drop-off, please contact russellhall@bayviewassociation.org

For additional information about composting and accepted materials, please visit Emmet County Recycling Website. In addition, Bay View is pleased to announce the **installation of a new filtered water bottle filling station** located beneath the Wade Administration

Office near the restrooms. This addition supports our continued effort to reduce single-use plastic waste while making reusable water bottles more convenient for everyone on campus.

Many of these efforts have been encouraged through Bay View's participation in America in Bloom, which recognizes communities committed to beautification, environmental stewardship, and civic engagement. Last year, **Bay View was honored to receive two America in Bloom awards**, and we are grateful to all whose care for this community helped make that recognition possible.

These improvements are one of Bay View's strategic objectives: **to safeguard and enhance our historic campus and infrastructure**, continuing our commitment to preserving, conserving, and thoughtfully stewarding our historic campus and Lake Michigan shoreline. Thank you for helping us care for this special place we share together.

Board of Assessors Updates

The 2026 Board of Review

In compliance with By-law 27, the Board of Assessors will host the 2026 Board of Review on **Friday, June 26 at 10 a.m.** for those who have questions or wish to appeal their 2026 Bay View market value.

Your 2026 Notice of Assessment was mailed to your winter address in early June.

If you wish to appeal your 2026 valuation, please call the Wade Administration building at (231) 347-6225 to schedule an appeal. Appeals will be scheduled

in fifteen-minute increments. For those leaseholders who are not in Bay View on this date, the Board of Assessors also considers appeals in writing. You may mail your appeal to the administration office (to the attention of the Board of Assessors) or email it directly to the Assessors at tax@bayviewassociation.org.

While the Board of Assessors is happy to answer tax and assessment questions throughout the year, appeals received after June 26, 2026, will be addressed in the following year's Board of Review.

Should you decide to appeal your 2026 assessment, the Board of Assessors urges leaseholders to bring outside evidence in support of their claims. The best evidence is a third-party market appraisal (preferably done within the last twenty-four months). Any comparables used in an appraisal should be drawn from properties in Bay View—and in your assessment neighborhood.

Another type of appeal is an equalization argument. When making this kind of case, it is best to compare your property to two or three similar properties, as opposed to arguing you are assessed higher than most in your neighborhood. Finally, if you think the “effective age” (i.e., depreciation) of your cottage is inaccurate, you can provide photographs to document your claims.

For your review and use, the following materials are available in the member area of the Bay View website.

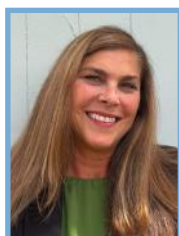

- 2026 Tentative Assessed Value (Total SEV, structure, and lot)
- 2025 Final Assessed Value (Total SEV, structure, and lot)

- 1995-2025 Bay View Sales
- 2024 Bay View Sales Report with Cottage Attributes (square footage, building class, effective age, number of bathrooms, bedrooms, etc.)
- The Neighborhoods of Bay View Map

If you would like additional guidance on how to prepare an appeal, please contact Keith at keithhearit@gmail.com. I am more than willing to do so, but please don't wait until just before the Board of Review, as a successful appeal takes time. After the Board of Assessors hears its appeals, it responds to petitioners via letter within 30 days.

Two final reminders. First, remember, **you do not appeal your taxes, you appeal your valuation** (Please email Keith if you need a copy of your Notice of Assessment). Your taxes are calculated using the same millage rate for everyone—and based directly on your market valuation. And second, while most cottages witnessed a 5-20% increase in market value in 2025, the actual increase in summer and winter taxes is likely to track close to the rate of inflation (2.7%).

From the Education Director, Lori Bolone

Thursday reminded me of why I chose to be here. Thank you to everyone who attended my Welcome Reception. The conversations, the kindness, and the spirit of genuine community in Evelyn are something I won't soon forget. To those I haven't met yet: I look forward to it. Bay View, you've

made a place in my heart.

I would like to give a huge thank you to the Education Committee for their guidance and support. They have been instrumental in welcoming me to my new role and in the creation of this upcoming season. If you see any of them on campus, give them a thank you for all they've done for education in Bay View.

Education programming is off to a strong start! Consider this your overture, the best is absolutely yet to come!

We are thrilled to share what's in store for Bay View this summer. From Pops Concerts to Vesper Concerts, this season is packed with performances for every music lover.

Do you love to sing? We'd love to have you with us! The Festival Choir rehearses every **Wednesday at 6 p.m.** under the Event Tent. Sign up or share the link with someone who belongs on those risers:

On **June 20**, get ready for a night of iconic hits reimagined! Talented young singers from the University of Michigan's acclaimed musical theater program are bringing new life to the classic catalog of Fleetwood Mac in *Don't Stop: A Tribute to Fleetwood Mac*. This furthers Bay Views' mission

to support young professional performers. Developing artists consistently say that Bay View is a safe space to perform, fostering growth in their learning journey and this energetic concert is no different. We invite you to an evening of rich vocal harmonies while supporting the next generation of artists.

Look forward to seeing a wide range of performers both familiar and new this year! We are engaged in a search to find the next line-up of artists who have the right mix of singing talent, stage presence, and teaching skills.

This season's musical is one close to my heart. Twenty-five years ago, Meredith Willson's *The Music Man* was the very first musical I produced as Bay View's Performing Arts Director, and it's back on the Hall Auditorium stage on **July 10 and 11**. Follow the irresistible Harold Hill as he rolls into River City, Iowa with a scheme and a dream, only to be changed by the very town he set out to swindle. It's charming, joyful, and completely unforgettable. Grab your tickets now at the Voorhies Hall Box Office or online at bvtickets.org.

From the Worship Director, Jason Byassee

Friends I'm so glad to have gotten to meet so many of you already. Please continue to introduce yourself to me until I say your name back to

you. Worship last week was a joy. I came home with my name in cake! No one at the reception wanted to eat the "Welcome Jason" part of my cake, so now my son and I are. If I disappear you'll know what happened . . .

It is a gift to be part of your life together.

This week we are thrilled to welcome **Reverend G. Hendree Harrison, Jr.** to Bay View, **June 14–18!** Reverend Harrison is a fifth-generation Episcopal priest, contemplative practitioner, and one of the most compelling voices in mystical Christianity today. His work weaves together spiritual formation, the rich traditions of contemplative faith, and a deep commitment to compassionate community ministry. The result is something that genuinely moves people. Whether you are a lifelong seeker or simply curious about what a deeper interior life might look like, Reverend Harrison has a gift for meeting you exactly where you are.

Join us for his **Religion & Life lectures at 10 a.m., Monday through Thursday in Voorhies Hall.** Four mornings of insight, inspiration, and the kind of conversation that stays with you long after you leave the room. And then, to close the week in

the most beautiful way possible, **Evensong Service, Friday, June 19th at 7 p.m. in Crouse Chapel.** This is not a traditional worship service; it is something quieter, and perhaps even more profound. A sacred pause in the middle of a busy summer, a chance to breathe, reflect, and simply *be*. Trust me, you will want to be there.

We'll see you this week!

Founded in 1972, the Little Traverse Conservancy is one of Michigan's most successful regional land trusts. Its mission is to protect the natural diversity and beauty of northern Michigan by preserving significant lands and scenic areas while fostering appreciation and understanding of the environment. LTC serves Emmet, Charlevoix, Cheboygan, Mackinac, and Chippewa counties.

Over the past five decades, LTC has permanently protected hundreds of properties through conservation easements and now maintains nearly 400 nature preserves and forest reserves that are open to the public. More than 120 miles of trails provide opportunities for hiking, wildlife observation, and enjoying the region's natural beauty. The Conservancy also offers environmental education programs that have introduced thousands of students and adults to northern Michigan's unique landscapes and ecosystems.

Fleming has been with LTC since 2000, serving in a variety of conservation leadership roles before becoming Executive Director in 2018. A wildlife ecologist by training, he has spent his career helping protect important natural lands and expanding public access to the outdoors.

From the Donor Relation & Communications Director, Michelle Hansen

After 18 wonderful years, Bay View will bid a fond farewell to one of its most cherished traditions: *High Tea on the Bay*.

Since its inception, *High Tea on the Bay* has provided an afternoon of fellowship, music, and generosity, raising scholarship support for Bay View students. Thanks to the support of attendees, young musicians and performers have been able to experience Bay View's educational and artistic programs. Guests enjoyed intimate performances by the very students whose lives were enriched through their generosity.

At the heart of this tradition have been Bill and Patti van der Have, whose vision, hospitality, and dedication made *High Tea on the Bay* a beloved annual event. Their commitment to Bay View's students has created a lasting legacy that will benefit future generations.

To honor and thank Bill and Patti for their extraordinary generosity, Bay View will host a cake reception following Assembly Worship on **Sunday, June 28, at 12 p.m. in Evelyn Hall**. We invite the entire community to join us in celebrating their 18 years of service and the impact they have had on so many young lives.

For those who wish to continue supporting this important legacy, gifts to the Scholarship Endowment may be made at:

Welcome, Thora!

We're excited to welcome Thora Crawford to the Wade Administration Building front desk, where she'll be joining Kelly Lutz as a Front Office Assistant this season.

Thora is no stranger to Bay View. She grew up here, from camper to leader at Boys' and Girls' Club, and wanted to take on a bigger role in the community she's always called home. Outside of Bay View, she is a rising third-year student at Loyola University Chicago, studying Art History and International Business.

Ask her about her perfect Bay View Day and she'll tell you: reading on the porch from morning until evening, then heading down to the beach for a sunset swim.

If you spot her around campus or at the front desk, be sure to say hello. We're so glad to have her with us this season!

New Parade Marshal: Karl Hansen

Bay View is pleased to welcome **Karl Hansen** as the **new Parade Marshal for the Bay View Fourth of July Parade**.

Karl follows Walt Byers, who faithfully served in this role for the past nine years. **We would love to thank Walt for his service**, organizing and volunteering to make the Bay View 4th of July parades special for the whole community.

This year's parade theme will **celebrate the 250th Anniversary of the American Declaration of Independence**. Community members, families, organizations, and friends are **warmly invited to participate** by walking, biking, riding, or creating a patriotic parade entry. **Those riding bikes in the parade are strongly encouraged to wear helmets.**

We welcome the Bay View community, families, and friends who want to be part of the parade. To help create a more organized and enjoyable experience for all participants, Bay View is **introducing a new parade registration process this year**. Registered participants will receive assigned lineup locations to simplify staging and reduce confusion on parade morning. **Registration forms and the official parade route are available** in the Wade Administration Office or on the website under "Forms". Forms should be turned into

Wade Administration Office by **Tuesday, June 30 at 5 p.m.**

Questions and parade registration inquiries may be directed to Karl Hansen at karlhansen18@gmail.com.

In celebration of America's 250th anniversary, Bay Views Buildings and Grounds crew planted red, white, and blue flowers in locations across campus!

Seeking Volunteers!

Since their installation, Bay View's four public rain gardens at Sunset Park, the library, the waterfront, and Lakeview Avenue have been maintained by volunteer gardeners. These gardens manage stormwater and protect our bay from harmful runoff as well as adding beauty to our grounds. To ensure these gardens thrive, we are seeking additional volunteers for the 2026 season.

These rain gardens were well designed to resist damage by drought and wildlife, but still need light maintenance such as weeding, mulching, and plant thinning. Our volunteers choose when and where to work and find the experience rewarding.

To volunteer or get more information please contact Jack Hufford. Text or call (231) 347-6652 or send an email to jrhufford@netzero.com.

Welcome Back to Summer at Bay View Inn

As another beautiful summer season begins, we're delighted to welcome back the cherished Bay View community to the historic Bay View Inn. Join us as we celebrate the start of the season with a complimentary **Ice Cream Social**, a sweet opportunity to reconnect with neighbors, friends, and familiar faces while enjoying the timeless charm of Bay View. We look forward to gathering together and creating new summer memories in this special place we all call home.

June 18th, 1 p.m. - 3 p.m.

Campfires

Bay View allows two types of outdoor fires under By-Law 56. Outdoor barbecues may be used for cooking at your cottage. All other fires, including recreational campfires, are restricted to four designated waterfront locations and require advance permits. **Campfires are permitted only at these waterfront fire rings:** the Breakwater/ Recreation Club area on the west side where the breakwater meets shore, West Bluff near the wooden beach stairs, East Bluff near the second set of wooden beach stairs, and Memorial Garden Beach north of the Memorial Garden. **Leaseholding members must obtain fire permit forms from Russell Hall or on the "Forms" page of the website and secure approval from the Superintendent of Buildings & Grounds before using any campfire location.** For weekend campfires, permits must be approved by 4:00 p.m. on the preceding Friday. **Fires in ceramic stoves, metal stoves, or in-ground pits at cottage locations are not permitted.**

Terrace Inn

After what felt like a long and cold spring, the team at Terrace Inn is excited to see all our wonderful Bay View neighbors back in their cottages! We are excited to welcome everyone back for their favorite planked whitefish. In addition to our traditional favorites, we also have new summer menus for both 1911 Restaurant, and Josephine's that we are delighted to share! **Both venues are open Tues - Sat, 3 p.m. - 8:30 p.m.** **Happy hour is from 3 p.m. - 5 p.m. daily**, and features half off all wines by the glass and cocktails. Cheers to the summer!
