About us

APSA Traders, located in Ratlam, Madhya Pradesh, India, and partnered with Hamza Import & Export Co. in Kuwait City, is a leading name in the export and trade of high-quality agricultural commodities. With a strong foundation in India's agricultural heartland and a strategic presence in the Gulf region, we serve as a reliable link between Indian farmers and global buyers.

We specialize in a wide range of products including cattle feed, animal feed, soybean DOC, pomegranate, coconut, onion, and green chilli. Each product is sourced directly from trusted farmers and suppliers, ensuring freshness, quality, and compliance with international standards.

Our India office focuses on procurement, quality control, and logistics, while our Kuwait office manages international trade operations, customer relations, and regional distribution across GCC countries. This dual presence allows us to provide prompt service, accurate documentation, and dedicated support to our clients.
