MEET ME HERE 
SUMMER
2025

We respectfully acknowledge the past and present traditional caretakers of this territory and their unique role in the life of the region. Harbourfront Centre is committed to honouring Indigenous peoples' cultural and spiritual relationships to the land and waters, and their rich contribution to society. Toronto is on the traditional territory of the Anishinaabe, the Haudenosaunee and the Wendat peoples and is covered by Treaty 13 with the Mississaugas of the Credit First Nation. We pay our respects to their Elders past, present and emerging. We ask that you respect the land and traditions of those who walked upon it for millennia before us.

WELCOME TO SUMMER

There's nothing quite like a Canadian summer and no better place to spend it than on the water. As the days grow longer and the waterfront fills with energy, we're excited to welcome you to a new season at Harbourfront Centre — Toronto's community campus for arts, culture, learning and recreation.

Whether you're visiting for the first time or returning to see what's new, welcome. From performances to galleries to festivals to food, art and family fun, something is always happening on our 10-acre campus. Come for a moment, stay for the day and come back often. This season, we're celebrating the incredible talent and creativity that make this city — and this place — so vibrant.

Summer 2025 marks the beginning of a bold new chapter. We're building on our 50-year legacy with fresh energy, exciting partnerships and a deeper commitment to connection and community, making Harbourfront Centre more dynamic than ever. It's a place to gather, celebrate and experience something meaningful and unexpected every time you visit.

To our extraordinary staff, volunteers, donors and artists: thank you for bringing this season to life. And to our visitors from near and far, whether you're here for a sunset show, a lakeside market or a spontaneous afternoon stroll, we hope you will make Harbourfront Centre your meeting place this summer.
