

CASA LA ROCA

MLS #25-2308 | \$1,668,000 USD

2937 SQ/FT | 4 BEDS | 5 BATHS

This luxury kitchen is a chef's dream, featuring top-of-the-line appliances, custom cabinetry, and sleek quartz countertops. A spacious island with bar seating, ambient lighting, and designer fixtures blend functionality with sophisticated style—perfect for both everyday living and elegant entertaining.

This luxurious open-concept living space seamlessly blends comfort and sophistication. Featuring a sleek, modern kitchen with minimalist cabinetry and pendant lighting, a spacious dining area with a rich wood table set for entertaining, and a cozy living room anchored by a plush sectional and media wall, the space is flooded with natural light and designed for both style and livability.

This stunning outdoor living space offers a seamless blend of modern design and natural beauty, featuring an expansive shaded terrace, sculptural desert landscaping, and a sleek infinity-edge pool overlooking panoramic ocean views. Perfect for relaxing or entertaining, this oasis combines architectural elegance with the tranquility of its breathtaking surroundings.

This serene master bedroom blends contemporary comfort with natural elegance, featuring floor-to-ceiling glass doors that open to a private outdoor shower oasis. Warm wood accents, sleek modern finishes, and tranquil views create a spa-like retreat where indoor luxury meets open-air indulgence.

This beautifully designed two-bedroom luxury casita offers privacy and comfort with a thoughtfully appointed Jack and Jill bathroom connecting both bedrooms. Each room features upscale finishes, generous natural light, and custom furnishings, while the shared bathroom boasts, a spacious walk-in shower, and elegant stone accents—perfect for guests or extended family in a refined retreat setting.

This space seamlessly blends indoor and outdoor living, with sliding glass doors opening to a stylish patio. Cozy seating, natural greenery, and an airy design create a perfect balance of comfort and openness. The 180 degree view of the Pacific Ocean invite you to sit and relax. This is truly a indoor/outdoor living experience.
