SANOKIL
QUALITY CONSUMABLES

MAXIMUM COMFORT

The soap dispenser offers the user a pleasant feeling of comfort and softness and is ideal in facilities where quality and well-being are a priority.

SANOKIL
QUALITY AIR SCENTS

FANTASTIC AMBIENCE

We have a range of high quality fragrances that we use in our air fresheners. The fan operated system disperses the scent throughout the room, resulting in a heightened experience of the facilities.

CUSTOMER LOYALTY

We work with you to get you the best prices by tailoring services to meet your needs.

PLEASANT, GENTLE CLEANSING

The washroom experience will be streamlined and high quality for the user.

CERTIFIED SUSTAINABILITY

The soaps are biodegradable.

VERSATILITY

Need an extra service during your busy season? No problem! Get in touch with our service department.

Elevate the ambience in your washrooms

QUALITY AIR FRESHENER

ELEVATE THE AMBIENCE IN YOUR WASHROOMS

Stale air and unpleasant odours can give the impression that your company doesn't care about washroom hygiene - even if your premises are kept clean. Our air fresheners combat stale and unpleasant odours. They disperse a natural, organic fragrance into the air and are ideal for reception areas, hallways and other public places, while being particularly effective in washrooms.

KEY FEATURES

- Sanitise the air and neutralise odours
- Programmable to run within your business hours
- Fan operated for a more natural fragrance emission
- A variety of scents are interchanged at services so that you never become immune to the smell
- Fully maintained each service

Specifications: [Sanokil Air Freshener](#)

Suitability: [Washrooms, hotels, restaurants, sports centres and workplaces](#)

Operation: [Fan operated](#)

Dimensions: [H185mm W85mm D85mm](#)

PLEASANT DESIGN

SLIM LINE IN CHARCOAL GREY

Clean and hygienic Sanitary Disposal Units

MANUAL OPERATION UNIT

SIMPLE BUT EFFECTIVE

Elegant, simple and the most environmentally friendly option, the manual operated units are recommended for businesses. We offer the disposal units in a stylish charcoal grey that compliments bathroom designs. The slim line units fit easily beside most toilets and inside cubicles. When we service your business, we don't just exchange the unit liners, we replace the unit with a fresh, fully sanitised unit.

KEY FEATURES

- Elegant charcoal design compliments bathroom designs
- The slim line unit fits next to most toilets and in cubicles
- Replaced with a fully sanitised unit at each service
- Practical, durable and user-friendly
- Manufactured to high-quality standards

Specifications: [Manual lid, Charcoal Grey Sanitary Unit](#)

Suitability: [Washrooms, inside cubicles, beside toilets](#)

Operation: [Manual](#)

Capacity: [25 Litres](#)

Dimensions: [H660mm W170mm D310mm](#)

Features: [Modesty tray](#)

NO TOUCH UNIT

GIVE YOUR BATHROOM A PIECE OF LUXURY

The luxury styled auto-lid sanitary disposal unit is aimed at those who want to impress their bathroom users. With the wave of a hand, the unit opens automatically so that there is no need to touch the lid. Like the manual unit, the auto comes in charcoal grey and is fully replaced with a sanitised unit at each service.

KEY FEATURES

- Opens with the wave of a hand. No touching required
- Elegant charcoal design compliments bathroom designs
- The slim-line unit fits next to most toilets and in cubicles
- Modesty tray
- Manufactured to high-quality standards

Specifications: [Automatic-Lid, Charcoal Grey Sanitary Bin](#)

Suitability: [Luxury establishments, washrooms, inside cubicles, beside toilets](#)

Operation: [Automatic lid \(hand sensor\)](#)

Capacity: [25 Litres](#)

Dimensions: [H660mm W170mm D310mm](#)

Features: [Silent lid closure provides discretion](#)

ABOUT OUR COMPANY

OUR HISTORY

WHERE IT ALL STARTED

Our company has expanded from a small local business on the South Coast of NSW to a national company in just over 25 years. As a result, we have become one of the largest Australian suppliers of washroom services. Due to our excellent reputation for service quality, we have been able to expand into other service areas.

WHAT WE DO

OUR HIGH QUALITY SERVICES

As a business owner, it's important to ensure that your workplace is compliant with all the necessary regulations and standards. That's where Sanokil's hygiene service enters. We take care of hygiene necessities such as sanitary bins, soap dispensers, air fresheners and even serviced first aid kits. It will be a relief knowing that you can trust us to help keep your workplace up to date with WHS and Australian standards.

OUR PEOPLE

WHO GET THE JOB DONE

At our company, we value our staff as our greatest asset. We invest in their training to ensure they become the best version of themselves. Whether it's attending to your bathroom needs or communicating with you through the phone, rest assured that you will receive top-notch service from our team.

OUR PROMISE

AND OUR CORE VALUES

At our company, we prioritize customer satisfaction. You can trust that you will always have a pleasant interaction with a genuine human being. Additionally, we guarantee consistent, dependable services and will adhere to the agreed-upon schedule. If necessary, we are happy to personalise our services to suit your preferences. We prioritize environmentally friendly options when selecting products and tools for our services.
