# SAFETY:

TESTED FOR DYNAMIC STABILITY BY THE MHRA

## QUINTELL™ STABILITY

When it comes to stability, the Quingo scooter range is literally in a class of their own and the secret of our success is Quintell™ technology. This unique patented system takes the best features of both 3 and 4 wheeled vehicles and then improves upon them significantly.

Combining 5 wheels with Quintell™ technology means the best possible anatomical driving position combined with stability that exceeds even the most competent 4 wheel scooters.

SAFETY ATTRIBUTE'S	3 WHEELER	4 WHEELER	QUINGO
OVERALL STABILITY	POOR (TIPPING)	GOOD	EXCELLENT
SAFE MANOEUVRABILITY AT SPEED	POOR (TIPPING)	GOOD	EXCELLENT
WEIGHT DISTRIBUTION	GOOD	POOR (REAR BIAS)	EXCELLENT
EXCELLENT STABILITY ON A CAMBER	POOR	GOOD	EXCELLENT
KERB CLIMBING 90 DEGREES	GOOD	GOOD	EXCELLENT
KERB CLIMBING 45 DEGREES (EMERGENCY ONLY)	NO	NO	YES
SELF CENTERING STEERING	NO	NO	YES*

\*SELF CENTERING STEERING IS AVAILABLE ON QUINGO FLYTE, QUINGO PLUS, QUINGO VITESS<sup>2</sup> AND QUINGO TOURA<sup>2</sup>.

## Climb and descend kerbs safely and confidently

All three and four wheel scooters have to climb a curb head on. Only the Quingo's 5 wheel system offers the ability to climb and descend kerbs with ease, even at an angle without toppling.

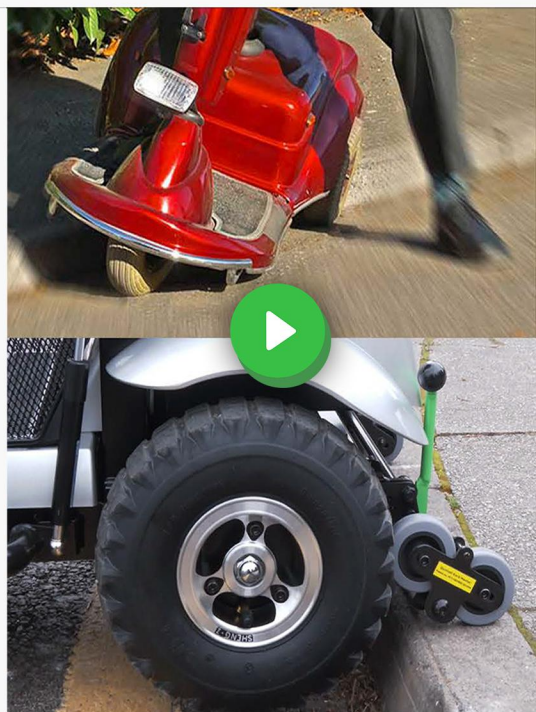

### Designed to cope with kerbs at 45°

With a Quingo, when you climb the kerb at 45 degrees, the wheels will lift and drive the other wheels over, ensuring that you go over that kerb, smoothly and safely. This really impresses when approaching a kerb with a narrow pavement. The fact you can ascend the kerb at an angle and then use Quingo's agile manoeuvrability you can turn tightly and easily carry on your journey.

### Patented Kerbmaster Technology

KerbMaster™ is another patented innovation unique to Quingo scooters. The issue with traditional anti-tip wheels on the rear of mobility scooters, is that they cause the scooter to become beached if the kerb is too high, leaving you stranded.

KerbMaster™ completely eliminates the possibility of this, automatically powering you and your Quingo out of danger. It also reduces the shock when descending higher kerbs as well as providing comprehensive anti-tip protection.

At Quingo, our commitment to reliability goes beyond promises – it's ingrained in every facet of our mobility scooters. Here are five crucial aspects that make Quingo synonymous with unwavering dependability:

### 1. Up to 3-Year Comprehensive Warranty:

Your peace of mind is paramount. With Quingo, enjoy the confidence of up to a 3-year comprehensive warranty, ensuring that your investment is safeguarded against unexpected hitches. We stand behind the quality of our scooters, offering you extended support for a worry-free journey.

### 2. Proven Safety and Quality:

Trust is earned through performance. Quingo's scooters undergo rigorous testing, and our commitment to proven safety and quality is unwavering. Embrace a mobility solution designed not just for convenience, but with an unwavering focus on your safety and the quality you deserve.

### 3. UK Assessors and Engineers Network:

In our pursuit of excellence, we bring our expertise to your doorstep. Benefit from our extensive network of UK assessors and engineers, all part of the national mobility experts team. Your journey begins with a thorough Blue Driver Check, ensuring your Quingo scooter is tailored to your specific needs and preferences.

### 4. Dedicated Customer Service and Support:

A seamless experience extends beyond the purchase. With Quingo, enjoy dedicated customer service and support. Our knowledgeable professionals are here to assist you at every turn, ensuring that your Quingo journey is marked by unparalleled satisfaction and assistance whenever you need it.

### 5. Minimal Maintenance:

Quingo scooters are engineered for longevity with minimal upkeep. Experience the freedom of worry-free mobility, as our scooters boast designs that prioritise durability and require minimal maintenance. Spend more time enjoying the ride and less time concerned about upkeep.

# :VALUE

## 5 THINGS YOU SHOULD KNOW ABOUT

Discover the unparalleled value that comes with every Quingo scooter — a premium product that transcends expectations. Here are five essential aspects that make Quingo an extraordinary investment:

### 1. Premium Quality, Amazing Value:

Embark on a journey with Quingo, where premium doesn't equate to exorbitant costs. While our scooters are a testament to luxury, they also represent remarkable value for money.

### 2. Easy Payment Plans:

We've partnered with First Senior Finance Ltd, the UK's leading mobility finance house, to provide you with hassle-free and easy payment plans. Make your Quingo experience even more accessible with financing options tailored to your convenience.

### 3. Available on Contract Hire:

This flexible option ensures that you can enjoy the benefits of a quingo, plus all insurance, roadside recovery, servicing and consumables are all included in a weekly price\*. complete peace of mind.

### 4. Free Delivery and Tuition:

Our experts provide complimentary tuition, ensuring you're acquainted with every feature of your Quingo scooter. We believe in making your transition to enhanced mobility as seamless as possible.

### 5. Total Peace of Mind:

With Quingo, you're not only acquiring a premium mobility solution but also a guarantee of worry-free ownership. Revel in the assurance that your Quingo scooter is backed by a comprehensive warranty, excellent customer support, and a commitment to your satisfaction.

Now that you have seen the full range of 5 wheel mobility vehicles and the many benefits Quingo has over 3 and 4 wheel scooters, it's time to experience them for yourself.

Just 3 easy steps and you will be on the road to greater freedom

Call one of our friendly mobility advisors today. Our most important goal is helping you to understand how the correct mobility vehicle can improve your quality of life. We are here to answer any questions you may have and help guide and advise you so you always feel comfortable that you are making the best, informed decisions.

**Step 1**  
Helpful  
Phone Call

**Step 2**  
Friendly  
Test Drive

The most recent Department for Transport advice is that you should trial any scooter before you buy, ideally at your home address. This is something we have always insisted upon. It verifies you are suitable to drive a mobility scooter and ensures you can try our scooters in your own environment.

**Step 3**  
No Pressure  
Purchase

You can trust that our mobility experts will never be pushy and our primary goal is to help you. If we are unable to offer you a solution that will truly increase your quality of life we will be honest and say so. We will assist with any training or guidance you may need so you can be confident the very first time you embark on a journey.

We have a number of payment options available and our team of expert advisors will help you select the right purchasing options for you.

# HEAR WHAT OUR COMMUNITY HAVE TO SAY

Our ongoing commitment to customer satisfaction plays a large part in our continued success and is paramount throughout life of your Quingo. Customers are surveyed 3 months into their ownership and again every time they receive a service or engineer visit. Which means very happy customers

## “ AN EXCELLENT SERVICE ”

From first contact to delivery the service was excellent.  
On the first visit I never felt pressured to buy I was given facts and made my own mind up.  
Delivery was quick and seamless.  
Any questions I had were answered professionally.  
Follow up contact was made to check I was happy with everything.

## “ SUPERB MACHINE VERY GOOD QUALITY AND VERY GOOD ON THE PAVEMENT OR ROAD! ”

My Quingo scooter is a superb machine I would highly recommend this machine especially for outside users, it may be more expensive than some other makes but we'll worth it!

## “ SERVICE WAS EXTREMELY GOOD NO PRESSURE WAS PUT ON ME AT ANY TIME ”

Very helpful and informative with my decision I had checked what I thought I needed and they came with a few options for me to view.
