Value Proposition	The Targus T.A.N.C. [™] case features a durable 5 layer designed to protect a student's device and all their accessories no matter what they throw at it. Patented T.A.N.C. [™] protection system that protect like nothing else in this category.	The lightweight Contego Case from Targus allows students to carry their device within the school bag thanks to its vertical orientation.	The Targus Vertical Rugged Slipcase is designed to protect devices from schoolyard bumps and scratches. Includes reinforced side panels and a shock-absorbing elevated main compartment and can be carried on its own or within school backpacks.	The Targus Work-in Rugged Dome Case is super-slim and is the perfect addition to the classroom. The patented DOME multi-layer padding helps protect screen from impact.	The Work-In Essentials Case from Targus allows students to carry and use their device within the case. The dual layer diamond padding and rubber borders provide rugged protection.
