Mater
 2020 Grade Sorrel Gelding

Approximately 14hh. This has been Grady's horse for the past year. He's been branded on, ranches on, calved on. He's been thru the hills, creeks, been roped and doctored on out in the hills. Would be a great step up horse for a kid wanting to advance, but big enough to pack an adult. Would also make a great junior rodeo horse. Sound and gentle. 15.3hh. Kind, broke, and reliable are 3 words that come to mind when I think of "YCRK MR SPRINGER" aka "Leon". I could talk about Leon for days, all good things of course. Leon is kind, gentle, and safe for the entire family, whether you want to go gather cattle, trail ride or go hit the arena, he's guaranteed to get whatever task is asked of him done safely and correctly. Leon is our go to horse for lessons, beginners needing a trail mount, and even ranch pleasure shows! Leon will walk, jog, trot, lope, pivot, always catches his correct leads and is soft in his face and sides. Don't have a bridle? Plan to spend all your savings on Leon and can't afford a saddle either? Don't worry! Leon rides bridless and bareback as well. If you're the kind of person that doesn't enjoy carrying a bucket or a lasso to catch your steer, you're in luck! Leon runs to you in the field and will lower his head to put his halter on. Leon stands like a solid citizen to tack, bridle, groom, farrier, and vet work. Although he may be large, he will tote the littlest of kiddos around, and keep them safe no matter the job they are asking of him. We've used Leon to carry the flag at rodeos in the grand entries, we pony lots of colts off him, and here as of recently a young gal has been penning back cattle at the stockyards multiple times a week with him. Out on the trails, there's not a hill to steep or a creek to deep, Leon will go wherever he is asked, and is always sure footed. Whether you're a full time cowboy, or a part time city folk who enjoys having a horse, Leon is sure to fit your program. Leon stays broke, and saddles up the same with time off. We love Leon, and we promise you will love him to. Can't be there sale day? Don't fear we are happy to FaceTime/ video chat with Leon anytime of the day, just give us a call. Big Iron is truly a once in a lifetime gelding, standing at 16.3, wearing a #3 shoe and packing plenty of chrome. No buck or set back, good to shoe, backs out of the trailer, stands tied quietly and gets along with other horses. 15.3hh. Meet Pablo. Pablo has been with us since his two year old year. We started him ourselves and have put a lot of miles on him. Pablo has been ridden in the arena a lot as well as outside. He's been out on the desert quite a few times, over rocks and sage brush. He's been in the hills of Idaho out on the trails and has done great. Pablo has moved cows and branded. We tracked the dummy on Pablo a lot his four year old summer and started heading slower steers this last winter. This summer we've moved up to some medium to fast steers. He's starting to really figure out how to rate well. He scores great as well. He's ready to be finished your own way and isn't far at all from being jackpot ready. Pablo is fast and athletic but very gentle! We've let our 9 year old son ride him the last year including up in the hills and they've gotten along great. I haven't put beginner kids on him yet but he's definitely got the demeanor to be a kids and beginner horse with a little more riding. Easy to shoe, trailers well, and gets along with other horses. He's shown no kick, buck, or aggressive behavior whatsoever. He's going to make a great all around family horse or win some money on the head side. I'm switching over to the heel side and have too many head horses or he'd be staying in my program. VIDEO: Contact Seller. FMI: 208-757-8050. Coggins.

He's done the work and knows the job—whether it's gathering cattle, sorting pairs, checking fences, or heading out solo across big country. He's confident, cowy, and always ready to go where he's asked. This gelding has a fancy handle, wants to ride around soft and collected, and takes pride in doing his job right. He's also a pleasure outside the arena—sure-footed on the trail, easy to catch, saddle, load, and haul, and a gentleman to be around on the ground. Jax is 100% sound with no maintenance and no vices. The only blemish is a small cosmetic scar on his nose from an accident as a youngster—purely cosmetic and causes no issue at all. If you're needing a dependable ranch mount, a trail companion, or something that turns heads with his style and work ethic, Jax is ready to go to work for you. VIDEO: Contact Seller. Nice made crossbred gelding. He is green broke with 60 days riding on him. He rides out alone and does well with others too. He is starting to learn neck reining. He is a good quiet gelding. He is currently shod, does well on the front feet, needs a little work with the back feet but he's not kicky or mean. He is good to catch, been trail rode a lot and he enjoys it. He does have a scratch on the right front shoulder, it is healing nicely and does not bother him, should be completely healed by sale day. VIDEO: Contact Seller. FMI: TJ 719-849-1046. Coggins.

Showdown is a fantastic all-around ranch horse with a great pedigree that is comfortable dragging calves to the branding fire, cutting in an alley, or out riding trail. I'm a lefty so he is comfortable with ropes on both sides. He has been great with our kids but also can go get the job done. He has no bad habits, easy to groom, shoe, and saddle. Scar on front of back leg from wire cut when he was young. No lameness ever due to the scar. Light on the reins and responds well to leg pressure. Backs nicely whether at the end of a rope or backing out of a tight spot. Super gentle and easy to saddle and go. The type of horse that shines when you're around a group and everyone will take a second look. VIDEO: Contact Seller. FMI: 208-596-8777. Coggins.

NOTES: Right off the bat Bugs will catch your eye! He turns heads everywhere he goes. This black gelding is out of the great stallion Dash Alive For Cash who does not need much introduction. Dash Alive For Cash has ran at the pro rodeos as a barrel horse, as a head horse, and as a bull dogging horse, from Texas to Idaho and was a standout. Bugs mama Spokes Bright Eyes is one talented little horse in herself. Bugs has shown a ton of promise both inside and outside the arena. He can get one caught quickly on the head side as well as on the heel side. He has a bright future ahead of him, he can be rode by anyone inside or outside. He has been rode by a 5 year old little girl and also by a senior man and always shows kindness. We have no problem with him loading, bathing, saddling, standing tied, or be shoed. He gets rode by low number and high number ropers and adjusts to each one. Come take a look you will not be disappointed. VIDEO: <https://www.youtube.com/watch?v=9G6B8w7gGm8> FMI: Tim 208-709-4947. Not the mention out of the talented mare Tara's Last Chance- Mr Fancy Fame-Dash To Fame. This one screams talent and speed!!! Lots of run for this guy that is 100% controllable 100% of the time. He is as gentle as they come and can really run. He is cruising into a pretty dang nice head horse. This guy is going to be a good one all day long. He is showing tons of promise. You can rope both ends and he takes the same trip time after time but with that being said, he too is like a gentleman you don't want to let go. He has been started on the barrels and a 5 year old little girl has rode him many miles inside and outside the arena. His personality will grab your attention quickly. He has always been great to handle, shoe, load bath and saddle, nothing seems to bother him. He has a laid back attitude and a willingness to do what you ask. A year ago he got kicked in the mouth and has lost a tooth, but never has bothered him. He is healthy and looks great! Take a serious look at him, we have references from different cowboys that have ridden him. VIDEO: Contact Seller. FMI: Tim 208-709-4947 Staci 435-458-3626. Coggins.

Wreck It Ralph

Dallie

Height 15.3 Weight 1200. Registered with the International Gypsy Equine Association. We've had Ralph since birth and he has had a lot of on the ground handling. Ralph has been a back burner horse under saddle, so I'd still consider him green. He maybe had 60 days of inconsistent riding from age 2 until last month (age 5). In the last month, he started getting used pretty consistently! It took him no time at all to figure out ranch horse life and he has turned into a horse that's hard to part with. He has brought heifers and bulls up the ally and ran them into the chute, he paired out a little at calving season and he has gathered big country. He will cross creeks and logs no problem. He will stretch out and cover some ground at a smooth trot/rocking horse lope and go all day. His first day in the branding pen was recent, but no one would have guessed it was his first time based on his performance. He is pretty soft mouthed. He has a lot of potential and even I (an insecure novice rider) enjoyed riding him to push cattle up to the chute. I don't completely promote him as a kids horse, BUT we have put our 11 year old on him and the potential is absolutely there. He mellowed out quite a few levels when we put our boy on him as if he knew to be careful. On the ground he is very quiet. Easy to catch (even when you don't want to catch him!), great for the farrier (size 3 fronts, hot or cold shoes), he will load and unload easily in any trailer, including our 2 horse straight load and has been around all the funny farm animals you can imagine (pigs, goats, chickens...kids). UTD on teeth, vaccines, worming and feet. Willing to take him home and hold for up to 2 weeks for long distance buyer. Willing to partial/full transport (depending on distance) at buyer's expense. I have 5 years worth of photos and many recent videos that I can share! VIDEO: <https://youtu.be/FyGeOD4OqJg?feature=shared> FMI: 661-972-7669. Coggins.

15.2hh 1200lbs. RANCH, ROPE, MOUNTAINS & TRAILS. Here's a solid, dependable gelding that's done the real work. Well built, strong, and tough. 15hh this gelding has been used extensively on large ranches in Southwest Montana. Gathered and sorted cattle in rough county, and some of the highest, most rugged mountain terrain. He handles every job with confidence, whether you're roping in the branding pen, covering country hunting, packing game, or out for a trail ride. As a seasoned mountain horse, he crosses water, logs, and bridges without hesitation. He rides out alone or with others and has packed an inexperienced rider on 10 day pack trips into the Thorofare of Yellowstone Park with zero issues. Gentle and safe, whether you ride him every day or once a year, he's always the same. Easy to shoe, will stand quiet all day while tied, loads and hauls great. You can saddle him up for a days work or hop on bareback with only a halter. Easy keeper. Sound, never lame or sick in the 6 years we've owned him. If you're looking for a versatile ranch and mountain horse ready to go to work or hit the trail, Red Bird is your guy. VIDEO: <https://youtu.be/5uPtr4FTDno> FMI 406-223-3731 or 406-224-1268. Dozer crosses and climbs anything out on the trails, bridges, creeks, heck he will swim across a lake if you ask him to! Dozer has a solid walk trot lope, stops on whoa, self-loads in the trailer, stands tied and stalls well. Dozer will walk, trot and lope circles in the arena and has even been entered in a few barrel races as well and is loping a nice pattern. His little rider has pushed light weight feeders at the stockyards with him, and he will go all day he has no quit. Dozer would suit a punchy kid that wants to go all day and will give him a job, he's not quite ready for the little fots yet, but I believe with some more experience he is going to be an all-around kinda guy! Included in the sale is War Pony's beautiful 3-month-old GELDED colt, War Baby. War Pony is a gentle, broke 14.2-hand, nice-looking mare with a good neck rein and stop. She will ride by herself or with others. She was used as a guest horse on one-hour rides before being purchased, and also served as a wrangler horse in the wilderness camps at Black Mountain Outfitters. She will stand tied by herself, but is happy to be with the bunch. War Pony can really travel and has a great walk, trot, and lope. She was ridden bareback with a halter quite a bit. She is both hobble-broke and picket-broke by a front foot. She will go up the mountain in daylight or dark and is sure-footed over dead-fall. She has led the pack string and held mules while they were packed with elk meat. She is a sensible and intelligent mare. War Pony has a superficial scar on her left shoulder from scraping an irrigation wheel line on the pasture last winter. The vet stitched it, and its skin only and healed well. Current on EWT, flu, Rhino, and wormer. I recently bought her from Black Mountain Outfitters, but I must sell her as my wife and I are in our 80s, and my wife was diagnosed with bone cancer. War Baby is extremely friendly and is already eating hay and grazing on his own. He is halter-broke and can lead. I would like to have them stay together as the mare and colt are very bonded. When he sheds his baby coat, he will be a dark bay color with more white areas and white legs. For more info, photos, or a video, call/text or email mjskwalton@aol.com. VIDEO: Contact Seller. She's calm, level-headed and not spooky/watchy. The easiest one in the herd to catch, always. She rides out alone confidently and is not at all Buddy/barn sour. She bathes and stands for the farrier quietly, no vices and has excellent manners. This mare always aims to please. This little three year old is a gentleman. We bought him as a weanling and now has had 30 rides as a two year old and another 60 this summer. He's been ridden both outside and in the arena. He lopes a nice, smooth circle and is really starting to stop and turn around. He travels out nice outside and has never had a problem riding alone away from other horses. He's got a really gentle personality, but is not a dead head and will move if asked. He's never offered to buck. He is easy to catch as he'll be the first one to meet you at the gate. He's easy to shoe and load. He's too young for beginners and kids yet, but if finished right, he's got the personality to go the family horse route. He has a white mark on his front left from an old cut that healed as well as a small indentation on his front right hoof that should be gone in a trim or two. He sells sound. This colt has the breeding and the foundation to set you both up for success. VIDEO: Contact Seller. FMI: 208-757-8050. Coggins.

2021 Grade Grullo Shire/Gypsy/QH Cross Mare

Alicia Siddoway Rigby, ID

This mare sells with a filly at her side. The mare is out of a shire/gypsy cross stud and a quarter horse mare. She was born and raised on our place. The filly is a quarter draft who was born the end of May and is by our stud, HX Midnight Train who is a paternal grandson of Once In A Blu Boon and a maternal grandson of Playgun. The mare had a few rides as a 2 year old but has not been ridden since. She is easy to catch and handle. She loads, ties, leads, and stands for the farrier. She's still young enough to continue training or she can have some more gorgeous babies like this one. She sells open this year at no fault of her own. We run AQHA registered horses and this is the last grade horse we own so we decided that this was the year to find her a new home. She's a really unique, cool mare with a little tank of a filly at her side and they're both gonna make somebody really happy. VIDEO: Contact Seller. FMI: 208-757-8050. Coggins.

Rangon
2004 Grade Palomino Paint Gelding
Jennifer DeCroo Buffalo, WY

Rango is a good natured, 14.3H, beautiful grade gelding. Approximately 21 years (teeth), but to Rango, age is just a number; he's young at heart and looks great for his age. He is a 'been there, done that' kind of horse. Rango has done everything, including, but not limited to; reining, calvary re-enactment, worked cows, roped the sled, ridden English, trail, and bareback. Previous owner had him for 8 years, we have only had him for 5 months and found him to have more go than whoa for our timid daughter. He would do best with a confident intermediate rider as a trail horse as age will begin catching up to him in the future. Easy to catch, shoe, bathe, saddle, trailer, and gets along well with other animals. Rango does require shoes and light maintenance to be his best. Pastured well for us, some minor scaring from pasture life. UTD on vaccines, and last shod 7/4. Teeth done in May and will need again in October. VIDEO: Contact Seller. FMI: 307-621-0241. Coggins.
