Extreme and Titan Arena Tournament 5

We're Launching an Extreme & Titan Arena Tournament With 108,000+ \$VOXEL Prize Pool!

Voxie Tactics players battle for glory in the fifth tournament event of 2025, featuring both Extreme and Titan Arenas again but now with a single leaderboard based on points from both arenas!

The tournament **started on August 19th, 11AM ET** and **ended on September 9th, 11AM ET**. A massive **100,000 VOXEL prize pool** was rewarded to the Top 300 Players with the Highest Points Score, with an **extra 8,100 VOXEL** carried over from the previous tournament to be shared by the winners.

Tournament Details

- Eligible Arenas: Extreme and Titan
- Players continue to earn the regular VOXEL earnings from wins or bounties in Extreme Arena and Voxite earnings in Titan Arena during the tournament.
- Player ranks were not reset at the start of the event.
- Points awarded per battle determines a player's rank on the leaderboard, which affects the VOXEL reward. The Bounty system, sharing points based on % rental between owners and renters, and penalty for quitting under 3 minutes also apply in this tournament. Points are distributed according to Arena Rank/Tier for both arenas

Extreme and Titan Arena Tournament 5 (Continued)

and Voxie Rarity for Extreme Arena. Notably, the points for 3 Titan Voxies in Titan Arena is equivalent to 3 Legendary Voxies in Extreme Arena.

- A minimum of 10 Wins across the two arenas is needed to qualify.
- On top of the 100K VOXEL reward pool for the top 300 players, an extra 8,100 VOXEL from the previous Tournament 4 leaderboard is distributed proportionally to a player's winnings. Example: If a player reaches Rank 8th and wins 2,000 VOXEL (which is 2% of 100K), the player will also receive 2% of the 8,100 VOXEL = 162 VOXEL extra.
- If fewer than 300 players qualify, the unclaimed VOXEL will roll into the next leaderboard event.

Release Summary

1.2.21 – September 3, 2025

We've released a quick update to banish a pesky bug that kept some heroes trapped in battle even after the fighting was done.

1.2.22 – September 9, 2025

Training Mode has arrived! Now you can freely practice your strategies against enemies before battle. This release also brings a wave of balance adjustments to weapons, armor, and abilities, along with key bug fixes to keep battles running smoothly.

1.2.23 – September 16, 2025

The Grumblers have fired up their Forging and stuffed The Arcanist's world with their NEW clanky, clobbery contraptions. From heavy-handed maces to thick-headed nog covers, their new gear is loud, lumpy, and tough enough to make even the bravest Voxie whimper! Collecting full Grumbler-forged sets now unlocks brand-new traits, granting immunities to fear, daze, and sunder. Add in nastier ability effects, and you've got pure chaos straight from the Grumbler workshop!

1.2.24 – September 30, 2025

The arenas are looking sharper than ever! With a brand-new map rotation, upgraded visuals across the board, and a fresh coat of paint for your recruits, battles have never felt more alive. On the web side you can track your consumables with a brand-new inventory page. Plus, a pesky bug causing taunts to linger past their welcome has been dealt with.

About The Author

Moonscaper here! I'm a Voxies and Voxie Tactics Items NFT holder and I've been a part of the Voxies community since June 2021.

Oh hey, there's a new Unidentified-exclusive item! I only wanted to try with 3 attempts, but it turns out emptying a liter of beer turns me into a degenerate gambler.

- Identified my 3 Unidentifieds in my wallet → Just rares
- Checked the market, there was a bundle of 30 Unidentified for sale → Bought then kept on Identifying until I get the exclusive item → Got **Gobsnout Loop** after 20 Identify's!
- As a bonus, I also got **Bonkbringer** after 1 Rare and 1 Epic Smelting recipes using the rares and epics I got from identifying.
