

RailH

Northern Workwear has been providing safety wear to the Rail and Construction industry, commerce and local government since 2004.

We offer a comprehensive range of "head-to-toe" products for both industrial use as well as commercial sectors such as rail transportation. Northern Merchandise is approved by the UK's Railway Industry Supplier Qualification Scheme (RISQS).

As the business continues to expand, our geographical area of supply also expands. Today Northern Merchandise offers 48hrs delivery to over 99% of the UK mainland & Northern Ireland (LONGER FOR NI)

Northern Workwear is a company that has been in operation for over 18 years and we've never lost sight of our core values. We want to provide the best possible service, which means you can put your faith in us without worrying because all will be done right by you! RISQS are the industry governing body of the supply and manufacturer of PPE clothing and equipment to the rail industry.

Some products pricing is including of a 1 colour print in 1 position. We also have the facility to print multi-colour digital logo's. Unlike other suppliers, we DO NOT ask you to purchase 100's of transfers at once, we only produce what we require.
