Robert Klun Architects company was born from Magnet design, which was born from Klun Ambienti, a family run company with 40 years' tradition in upholstered furniture production and many notable references under their scissors. With a growing need for a project approach to upholstery furnishing jobs and a growing demand for a comprehensive service on projects a design and planning team was formed and later Magnet design.

At Robert Klun Architects we offer our clients complete support in creating spaces. Together with our partners we can work with you from conception to the champagne.

We can join you on your project at any time – at the design and planning stage as architects or at the execution stage as providers of first class builders' and craftsmen's services and supplier of top quality interior finishes and furnishings.

Our field of expertise lies in architecture and interior design. We provide: project consulting, project development, project execution. Our goal is to make your experience in creating your environment as simple and as pleasant as possible.

Asst. Prof. **ROBERT KLUN**, u. d. i. architect
Owner of
ROBERT KLUN ARCHITECTS, KLUN AMBIENTI,
MAGNET DESIGN, GREEN STAR and AVANT NATUR
companies.

Robert was born in Munich, Germany in 1972. He graduated in University of Architecture and Design in Ljubljana in 1999. During study he was working with several influential Professors as P. Mc Keith from Helsinki, P. Gabrijelčič from Ljubljana, prof. B. Podrecca from Vienna and won several Architectural Prizes for his work. After graduation he joined Family Company Klun ambienti. Klun ambienti is leading in R&D segment of designing and manufacturing furniture and interior design.

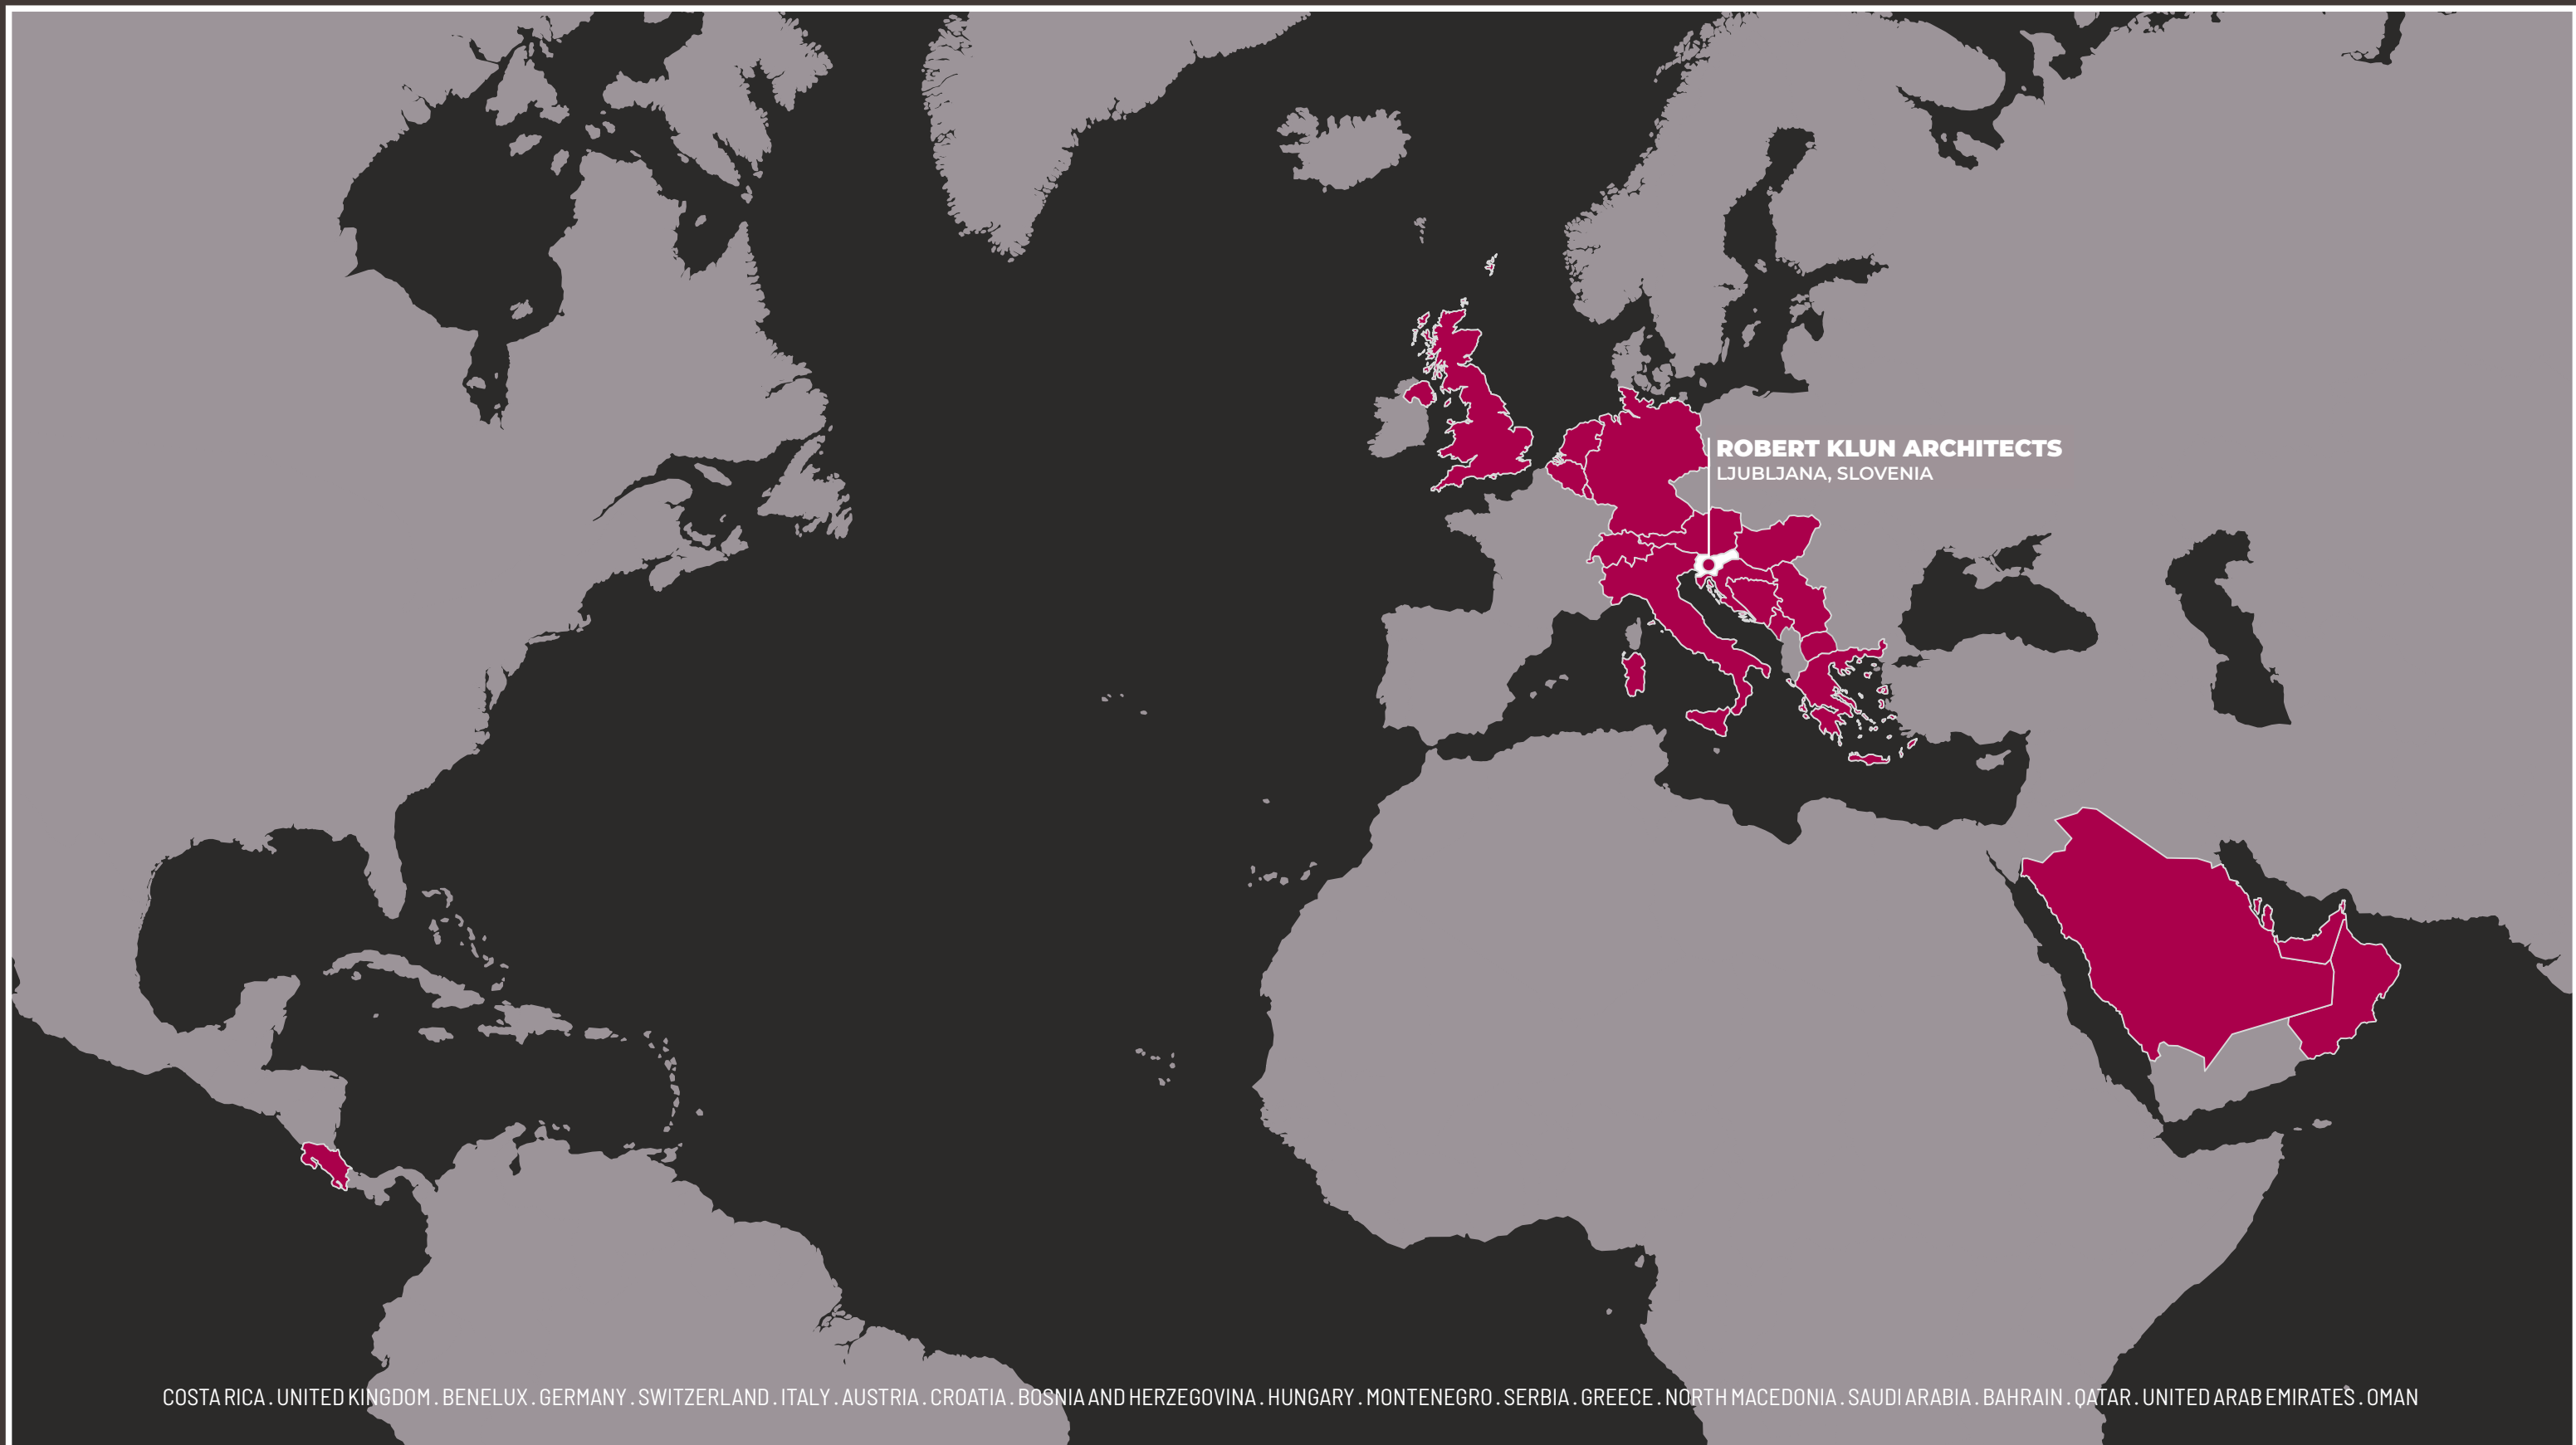

Family Company Klun ambienti has a tradition of 40 years. Robert is owner and CEO of Klun ambienti. In 2006 Robert Klun was selected for President of Slovenian Design Association. For 7 years he was leading organization as youngest President in the history.

During his professional work experience he was invited in regional associations for Development and Economy: IDCO – Chamber of Commerce 2003, CEED Slovenia 2008, Serbian architectural and design organization 2012. In 2012 he established Consortium model of work under his umbrella Magnet design. With Magnet design he started to support and include Projects in Slovenian Economy, mostly on the field of Construction, Wood (Furniture), and Architecture. He opened his first showroom of Magnet design in Belgrade 2013 and in 2014 a second one in Ljubljana Slovenia.

Robert is working as an architect, designer, investor, entrepreneur on the field of real-estate, urbanism, architectural, design and development projects.

He is a Family man and a hard worker with a big touch for healthy, quality and beautiful life. Friendship and honesty is one of most important segments in his attitude toward others. He is connecting people and work, professionalism with Culture (Opera, Books, Traveling, Education) and Sport (Golf, Wind-surfing, Cycling, Skiing) into "amazing life experience". Today his interior design and architecture work is spreading across Europe and designing projects in GCC Region.

Studio Robert KLUN Architects finished 160 apartments for new Canary Hills Compound in KSA. With Magnet design team they finished the furnishing of Marriot Hotel in Riyadh, Starwood Aloft in Riyadh and Dhahran in 2015/ 2016.
