Nestled in the heart of the Yorkshire countryside, 20 minutes from York, our Grade I listed house is a unique setting for weddings and events.

As an exclusive use venue, the house is yours for the duration of your stay. The 400-year old house combines historic features with a light, modern interior by acclaimed designer James Perkins. Quirky details create a house ready to party.

If you're looking for a stunning setting, complete exclusivity and award-winning service, you'll find it at Howsham Hall.

27 acres of privacy

Sweep between the gatehouses, along the mile long driveway and enter your own private oasis. Howsham Hall is hidden from prying eyes, magnificent and completely secluded. It's hard to believe you are just 20 minutes from York.

The imposing house looks down on the River Derwent and across the valley, providing a spectacular backdrop to unforgettable moments.

Relax & enjoy the preparations

Our wedding suite is one of the largest in Europe! With its own bathroom, dressing room, bedroom and separate large lounge, it is a fantastic space to enjoy and prepare for the biggest day of your life. Relax and enjoy a glass of fizz with selected friends and family before heading downstairs for the ceremony.

With 11 additional bedrooms to choose from, there is ample space for the whole wedding party to get ready for the ceremony.

Stay the night before your wedding, and have access to our fully equipped kitchen too- perfect for wedding weekends.

A game or two?

The Billiards Room offers a charming and versatile space, ideal for both relaxed gatherings and special moments. Whether you're preparing for your big day with your wedding party or enjoying a casual game the night before, this beautifully appointed room sets the tone for a memorable celebration. With its classic character and inviting atmosphere, it's a perfect place to share laughter, raise a glass, and build anticipation for the celebrations ahead.

Say 'I Do'

Sweep down the cantilevered staircase and enter the Great Hall, a suitably grand location for your big moments. A stunning, high ceilinged room with enormous Jacobean windows looking out onto the parkland, you'll get married beneath the exquisite antique chandeliers.

Alternatively, you can choose an outdoor ceremony in the beautiful private grounds, with the house as a picture-perfect backdrop.

Drinks Receptions

Howsham Hall has a multitude of magnificent spaces perfect for drinks receptions.

Our riverside terrace is the perfect location on a sunny afternoon; the dappled sunshine and babbling river make the most wonderful combination! The south lawns open out from the house with views across the parkland. These areas are perfect for outdoor receptions, perhaps with a game of croquet or traditional garden game. Indoors, the sweeping staircase hall has its own bar.

Your wedding photography

With 27 acres of riverside lawns and parkland, there are ample locations for you to get the perfect wedding shots with your new spouse. From formal photos on our front steps, to more relaxed pictures on the swing, your photographer will find Howsham Hall is the perfect backdrop.

Indoors, the billiard room, wedding suite with its own enormous wedding lounge, bar and more are all yours to explore.

Eat & be merry

The Drawing Room is the perfect elegant space for your wedding breakfast. It combines traditional features with contemporary styling to create a wonderfully stylish backdrop for your wedding breakfast. With huge original windows overlooking the park, the room is flooded in natural daylight.

For larger parties the Drawing Room can be combined with the Great Hall to seat up to 150.
