

The background of the entire image is a dense, close-up photograph of green leaves, likely from a plant like a peace lily. The leaves are various shades of green, from deep forest green to lighter, almost yellowish-green, and their veins are clearly visible. The lighting is soft, creating a natural and organic feel.

**Smaller Footprint Co.
Coconut Shell Cup**

This unique cup is handcrafted in Kerala from natural coconut shells and coconut wood. Now, enjoy your favorite cuppa, in this eco-friendly cup, which is durable, has high heat tolerance and is microwave safe.

**Smaller Footprint Co. Rice
Husk Mug - (300 ml)**

Enjoy your next cup of piping hot tea or coffee in this unique mug, a smarter choice for you and the environment. This mug is long-lasting, microwave safe and has high heat tolerance. So, make a conscious choice to reduce your ecological footprint.

**Smaller Footprint Co. Coffee Husk
Mug - 300 ml**

We upcycled leftover coffee husk into this cool coffee mug. Take a small but eco-positive step when you choose this mug for your next coffee break. This mug is not only sustainable, but also microwave and heat safe and doesn't break easily.

**Smaller Footprint Co. Cork
Serving Tray**

Nothing says smart, functional and eco-conscious like this Cork Tray. Naturally textured, this tray is a great addition to your home, it is light to carry, heat safe and is easy to care for.

Smaller Footprint Co. Eco-Warrior Cork Sleeve

Showcase your commitment to the environment with this smart sleeve. The natural grain and texture of cork looks professional and this sleeve is very durable. You can carry your documents, iPads and even Macbooks upto 12 inches easily in this sleeve.

**Smaller Footprint Co. Ultra Clean
Bamboo Toothbrush with Super
Soft Nano Bristle (Set of 2)**

This premium toothbrush is made from natural Indian bamboo and is fully BPA free. The ultra-dense and super soft bristles clean your teeth effectively and the compact head ensures you can reach all corners for that squeaky clean feeling.

N.B. Remember to dry the toothbrush after use.

**Smaller Footprint Bamboo
Toothbrush with Standard
(Set of 4)**

Take care of your bright smile with this eco-friendly bamboo toothbrush set, perfect to use at home or during travel. Not only does it ensure your dental health, but it is also healthy for the planet.

**Smaller Footprint Co. Neem
Wood Tongue Cleaner + Brush
Premium**

No more plastic smiles with our natural dental kit. This kit includes an eco-friendly bamboo toothbrush, and a smart wooden tongue cleaner keeps your smile naturally beautiful, at home or in travel.

**Smaller Footprint Co. His & Hers
Neem Wood Comb Set
(Set of 2)**

Reduce frizz and dandruff to keep hair and scalp healthy with this neem wood comb set. The best part is these combs are also healthy for the environment.

**Smaller Footprint Co. Diary
with Craft paper**

Take a note of this smart diary. Compact, functional and professional.

Smaller Footprint Co. Seed Cover Notebook (Set of 2)

This compact notepad slips easily in your bag, laptop sleeve or even a large pocket. Made from recycled paper, it comes with a seed paper cover. When you are done writing ideas in the notepad, just plant the cover in a pot and let the seeds grow.

Smaller Footprint Co. Bamboo Amplifier

Handmade sound amplifier enables you to share your music through passive sound amplification. Incredibly durable, renewable, and rich in tonal variation, bamboo and rattan bring a relaxed style to any area. Our passive amplifier is hand-made to create a unique and one of a kind look.

**Smaller Footprint Co. Coconut
Shell Mobile Stand**

Take a stand for the environment with this handcrafted, coconut wood cell phone holder. This statement piece adds flair to your desk while burnishing your eco credentials. You can place your cell phone horizontally or vertically using the grooves.

Canvas Tote bag

Go Green with our range of multi-purpose canvas bags, which are not only great for the environment but great to use as well.

TIC TAC TOE

Remember the good times over tic-tac-toe games played covertly in your class notebook, now get this beautiful wooden tic-tac-toe set and relive those memories, by getting one over your family or friends.

Smaller footprint Pen stand Cube

Tidy up your desk with this wooden pen stand. Not only does it look good it is also good for the environment.

Smaller Footprint Co. Eco-Smart Organizer Pouch

Organize your wires, chargers, medicines or cosmetics in this durable organizer pouch. Made from canvas, this pouch is recyclable, cruelty free and makes so much sense

Smaller Footprint Co. Eco-Warrior Canvas Messenger Bag

Canvas meets Class with this good-looking messenger bag. This smart messenger bag is not only eco-friendly, it can also carry your laptop, phone, chargers and all the little things you need to make it through your day

Coconut Wood Spoon & Fork (Set of 2)

**Can a fork and spoon be good looking, we think so!!!
This set of 2 forks and 2 spoons are made from coconut wood
and the natural grain of coconut timber looks very nice while
being eco friendly. Now take a good step and say no to
plastic cutlery, during travel or in office.**

**Smaller Footprint Co. Coconut
Shell Scented Candle with Soy
Wax (Set of 2)**

These lightly scented candles really uplift your mood. These beautiful, handmade candles use natural soy wax which lasts 3X longer than ordinary paraffin and what's more is free from any paraffins or toxins.

**Smaller Footprint Co. Coconut
Wood Designer Serving Set**

The background of the slide is a dense pattern of green leaves, likely from a plant like a peace lily, with prominent veins. A light-colored, possibly gold or beige, geometric frame is overlaid on the leaves, forming a large, irregular shape that resembles a stylized diamond or a square with its corners cut off. The word "Apparels" is centered within this frame.
