# Play the most iconic courses in golf with Full Swing

Explore the most iconic courses with the most innovative software in golf.

As the official licensee of The PGA TOUR and TPC network of courses, Full Swing is the only one who can bring you TPC Sawgrass and many of your other favourite TOUR stops.

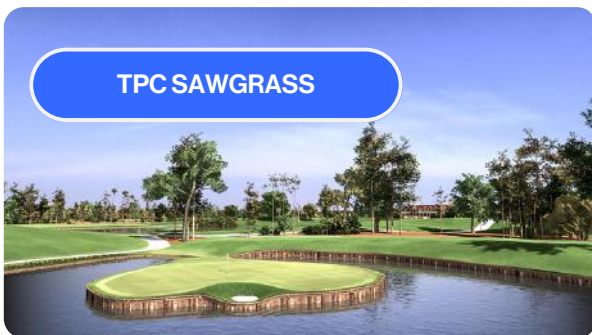

ST. ANDREWS - THE OLD COURSE

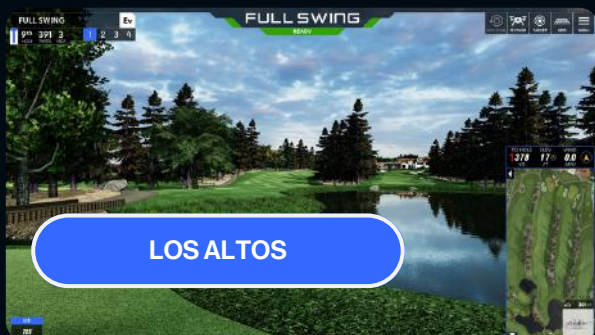

# Featured courses

Exclusively play TGR Designs, preferred Nicklaus Courses and the TPC Network.

Full Swing works directly with the world's most renowned courses to offer you exclusive courses only available with Full Swing.

# Practice like never before

Get the most out of your practice with 3 customisable practice areas.

## GOLF CHANNEL DRIVING RANGE WITH CLUB MANAGER

Customise the range you've seen on TV with a target at distance of your choice and review all of your data with our Club Manager. Colour code your tracers, label your clubs per shot and view it all in our new expandable dispersion chart in the top left of your screen with each shot's data.

Organise and review your shots by club in our shot history, get dispersion charts and learn more from every shot in your practice session.

## TARGET RANGE

Pick your spot to tee it up and select 30 Different Pins placed on greens ranging from 50-250 yards or aim for two fairways in the distance.

Practice hitting shots to tucked pins over sand and water hazards that can get you ready for your round or get your driver dialled in for narrow fairways.

## SHORT GAME AREA

Practice pitching, chipping and sand shots from just off the green to 100-200 yards depending on where you set your hitting area and target to hit over traps, from the rough, in the trees or just work on short chips to 3 greens that offers 9 pins.

# Closest to the Pin & Long Drive Contests

Whether you want to have a contest with a few friends or host an open-ended event, it's fast and easy to set up the newest challenges from Full swing.

## CLOSEST TO THE PIN

### LIVE LEADERBOARD

Player distances are added in real-time to the leaderboard to show who's in the lead.

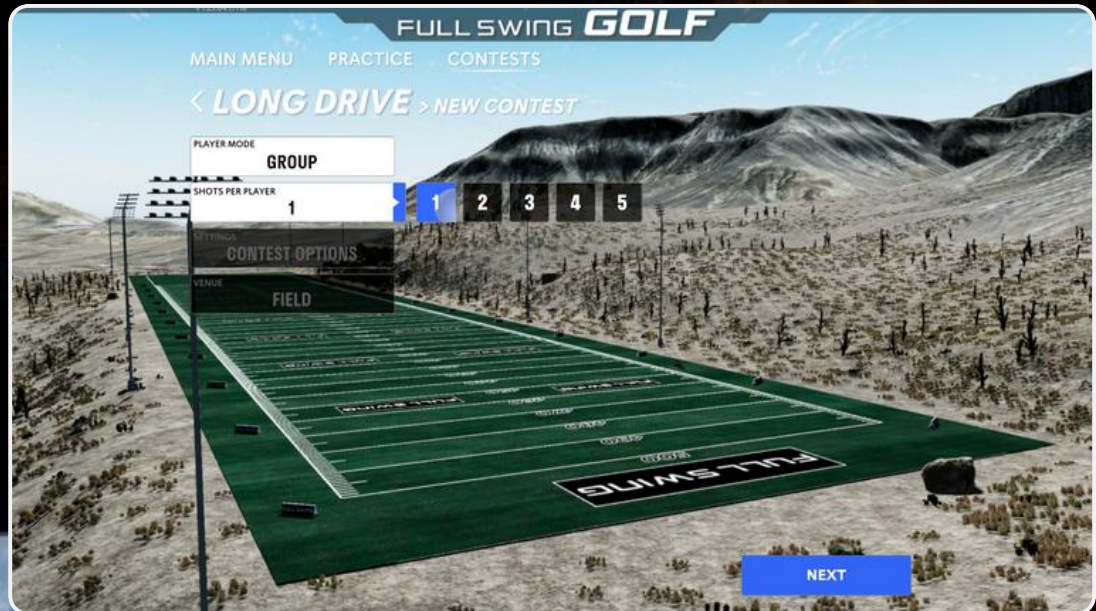

### MULTIPLE EVENT MODES

Select up to 5 holes for your 2-8 person group or set up a hole for unlimited players.

## LONG DRIVE GRID

Set up a challenge for guests at the Full Swing Long Drive Grid under the lights and watch them climb the live leaderboard.
