At the foundation of our lineup, Supreme Defense™ sets the standard for clear paint protection. Engineered for long-term performance, it forms an advanced, virtually invisible barrier that shields against chips, stains, and scratches.

Available in Gloss and Matte, Supreme Defense enhances and preserves a vehicle's factory finish, ensuring a flawless look that lasts.

SUPREME DEFENSE™ PAINT PROTECTION FILMS

The Standard of
Invisible Protection.

Supreme Defense™ Gloss

Engineered to enhance factory paint with unmatched clarity and depth. Advanced self-healing and stain-resistant technology ensures your vehicle maintains a flawless, 'just-detailed' look, drive after drive.

Supreme Defense™ Matte

Transform gloss paint into a luxurious matte finish that exudes sophistication. Built for performance as much as style, its self-healing durability keeps every drive flawlessly protected.

NEO™ PAINT PROTECTION FILMS

Color Transformation Meets Ultimate Defense.

Neo™ marks a new era in wet-apply color PPF where customization and durability converge. More than a wrap, Neo™ is a true-color TPU film that delivers sleek aesthetics while actively shielding the paint beneath.

Offered in deep Gloss Black and stealth Matte Black, Neo™ enables full-vehicle conversions or bold accents on roofs and hoods that rival an OEM paint finish with commanding durability.

Neo™ Noir Gloss Black

Achieve a deep, mirror-like gloss that elevates any vehicle to showroom standards. Neo™ Noir combines self-healing durability with high-end style to keep every surface flawless and reflective.

Neo™ Matte Black

Designed for a commanding, bespoke presence, Neo™ Matte Black delivers a smooth matte finish that blends striking aesthetics with practical defense against chips, scuffs, and road debris.
