Directors' Report to the Shareholders

The Directors are pleased to present the un-audited condensed interim financial statements of your Company, for the six-month period ended June 30, 2023. These financial statements have been prepared in accordance with the requirements of the International Accounting Standard (IAS) 34 - "Interim Financial Reporting" and the provisions of and the directives issued under the Companies Act, 2017. In case requirements differ, the provisions of directives issued under the Companies Act, 2017 have been followed.

Total net sales for the six-month period ended June 30, 2023, stand at Rs. 10,048 million, which grew by 6% compared to the same period last year. This growth was mainly driven by Clexane®, Enterogermina® and Lantus® which grew by 38%, 36% and 16% respectively.

The gross margin has declined from 28% to 25% as compared to the same period last year primarily on account of high imported raw material costs and unprecedented inflation. Distribution and marketing expenses decreased to 12% of net sales from 14% in last year's comparative period mainly on account of curtailment of travelling and promotional activities. Administrative expenses remained stable at 4% of net sales; as they were in the same period last year.

Other expenses increased significantly to 12% of net sales from 3.26% in last year's comparative period primarily on account of adverse exchange rate movement resulting from an exchange loss of PKR 1,070 million.

Furthermore, the challenging socio-political and macroeconomic factors including surging inflation, increasing policy rates and reduction in economic activity have a cascading impact on your Company's performance during the period under review. The cumulative impact of aforementioned factors has transpired into a loss after tax for the six-month period ended June 30, 2023, amounting to PKR 522 million as compared to a profit after tax of Rs. 189 million during corresponding period of the year 2022.

During the year, an Investor Consortium led by Packages Limited (comprising Packages Limited, IGI Investments (Private) Limited and affiliates of Arshad Ali Gohar Group) acquired entire 52.87% shares held by Sanofi Foreign Participations B.V in the Company on April 28, 2023 in accordance with the terms of the Share Purchase Agreement executed between the parties on April 29, 2022. Earlier, Packages Limited also acquired a 6.07% shareholding in the Company as a result of mandatory tender offer on August 23, 2022, in accordance with the applicable Takeover Laws.

The management of the Company is committed to navigate through the challenging economic conditions through enhanced focus on portfolio optimization, cost control, better working capital management and operations management.

The Board of Directors of your Company, in its meeting held on August 08, 2023, has considered, and approved to change the name of the Company from "Sanofi – Aventis Pakistan Limited" to "Hoechst Pakistan Limited", subject to applicable corporate and regulatory approvals and completion of necessary legal formalities under applicable laws.

The Registrar of Companies has issued name availability confirmation in respect of "Hoechst Pakistan Limited". Please note that this proposed change of name will not have any impact on the principal line of business of the Company and is being carried out in accordance with the terms of Share Purchase Agreement executed between Sanofi Foreign Participations B.V and the Investor Consortium.

The proposed name encapsulates the rich legacy of the Company since making its footprint in Pakistan. The Company was incorporated in 1967, started manufacturing pharmaceuticals and specialty chemicals in 1972 and went public in 1977.

The Board of Directors would like to acknowledge the efforts and commitment of the employees.

By order of the Board

Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income and notes thereto for the quarters ended June 30, 2023 and 2022 have not been reviewed, as we are required to review only the cumulative figures for the half year ended June 30, 2023.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with the accounting and reporting standards as applicable in Pakistan for interim financial reporting.

Other Matter

The financial statements of the Company for the year ended December 31, 2022, were audited by EY Ford Rhodes Chartered Accountants, who through their audit report dated April 26, 2023, have expressed an unmodified opinion thereon.

The engagement partner on the review resulting in this independent auditor's report is Waqas Aftab Sheikh.

11. CONTINGENCIES AND COMMITMENTS

11.1 Contingencies

There are no material changes in the contingencies as disclosed in note 23.1 to the annual financial statements of the Company for the year ended December 31, 2022 except for the following:

The Deputy Commissioner Inland Revenue (DCIR), issued a notice dated March 06, 2019 under section 177 read with 214C and clause 72B of part IV of Second Schedule of Income Tax Ordinance, 2001 for tax years 2017 and 2018 in lieu exemption granted to the Company for collection of tax at import stage. The Company had initially responded to the notice through various letters that the subject audit proceedings were time barred and hence without jurisdiction. Instead of replying to these jurisdictional objections, the DCIR again issued a notice dated February 16, 2023 for tax year 2018. The Company then filed a suit on legal grounds before High Court of Sindh who issued favourable order on March 30, 2023 and restrained the tax department from proceeding further on the notices till disposal of the case. The management, based on advice from its tax and legal advisors, is confident for a favourable outcome on the abovementioned case. Hence, no provision has been made in these condensed interim financial statements in this respect.
