Welcome to Cowboy Country!

and welcome to Billings Livestock Horse Sales!

It's a big October in Billings!! And in true Billings fashion, there are #allkindsallthetime

October 25 beginning at 3 p.m. at the HorsePalace Arena, Exit 437 on I-90.

Finished horses, from ranch to rodeo, prospects, double fancy mules, production offerings, drafts and draft crosses, ponies, teams, we got it going on at BLS Horse Sales!!

That's what makes us "Billings" - month after month, nearly 320 sales, a vast variety of horses and mules are offered for sale - in one place and in one weekend!! #thisisBLS

My new slogan - it's all sizes, kinds, and colors, all disciplines, ages, and talents, all price points, quality and caliber. #gottagotobillings #online2

AND - with volume comes selection and value, too. So shop the horses, make the phone calls, watch the previews, ask the questions...start your sale shopping and find your new ride. Every consignor phone number is included in the footnotes to make PRESALE shopping easier for our buyers.

We are set for one big day of previews on Friday,

Our Soundess Guarantee

Buy and sell with confidence - Credibility and Dependability are important to us. At Billings Livestock Horse Sales, all horses that are ridden through the ring and sell as a result of being ridden through the ring, are **GUARANTEED SOUND** until Monday Noon following the Saturday Sale and Wednesday Noon for "ShowCase Internet Sale Session" unless otherwise stated from the block or included in footnotes. To further define our policy, if the horse sells at 6 p.m. on the Saturday of our sale, the horse will be guaranteed sound for an additional 42 hours - Noon on Monday in regular session, Wednesday noon in ONLINE portion. **Horses are not sold to pass a post purchase veterinarian exam or "Vet Check" of any type nor is rideability guaranteed. Fresh branded horses are not eligible for return. Examine and shop horses prior to bidding.** What we here at BLS Horse Sales consider sound is: Sight out of both eyes, good in the air, hit the ground sound on all four, and not to crib. Listen carefully to announcements at time of sale.

It's indoors, it's climate and ground controlled and it gives our consignors a fair shot to show you their horses - and - for you buyers to watch the horses in a big arena, with comotion, and plenty of interaction. One more stepup - we know previews matter and we provide a professional demonstration to make your buying decisions easier.

SHOWCASE INTERNET SESSION - Wow!!! 3 ways to buy out of this session, in person, online, or via phone bids.

Hauling/holding/insurance can be arranged!

We have a hauling coordinator **ON SITE** who assists in transport arrangements - contact Cindy at 208.659.8374 or visit with her in the main office.

Insurance can also be arranged, Covered by Cori can handle your insurance needs on your new purchases. Contact Cori direct at 817.304.9275.

Enjoy the sales, enjoy Billings, and we are glad you came!

Jann Parker, Horse Sale Manager.

Rooster is a solid ranch horse. Reliable, easy to get along with, and rides to the level of his rider. He is a good traveler, knows how to get through the rough country, pick his way through the rocks and badger holes, or fight down timber, bogs, creeks, etc. He has had a true ranching job, doctored outside, and branded a zillion calves. Young ropers get along with him well letting them focus on learning how to rope rather than fighting with a green horse. He rides one handed in any bridle you put on him and is safe. He has an "all business" attitude and doesn't quit until the job is done, yet not a busy/ nervous type of horse either. Good to shoe, loads in any type of trailer, and stands tied politely. Rooster stands 15.1, and is stout made with excellent bone and foot. In the right country he can be used barefoot and holds up great. Just an all-around nice horse that most anyone should get along with and enjoy. The perfect trail partner for the weekend rider as he can handle time off and remain safe. North Country Quarter Horses • Fred & Linda Finke, Big Sandy, MT
406.378.3199 www.northcountryquarterhorses.com

North Country Quarter Horses (NCQH) is a family-owned ranch in North Central Montana, owned by Fred and Linda Finke. The ranch is located just West of Big Sandy, MT; 30 miles west of the Bear's Paw Mountains and 45 miles south of the Canadian border. NCQH grazes our horses in rough, rocky, flat terrain year-round. Our herd is exposed to extreme heat and bitter cold. This environment helps to create hardy, tough horses that can thrive anywhere. NCQH also run a commercial cattle business. We raise our horses to not only perform in the arena at all levels of competition, but to work cattle and cover ground on the ranch.

The stallions at NCQH are well bred AQHA horses that possess good feet and bone, great dispositions, speed, agility, and conformation. We strive to establish excellence in all aspects of a working or performance horse; stamina, eye appeal, talent, and substance. We focus on breeding performance bred stallions to mares that are both performance and ranch prospects. We select mares to complement our stallions in order to find the perfect balance of speed, performance, cow and foundation lines. Our mares must have keen feminine heads, friendly dispositions, quiet minds, good withers, solid feet, big bone, and size. NCQH cattle are run on big native pastures year-round. We calve in May and June and wean in early December. We have a strong conservation ethic here at NCQH. We work very hard to enhance the natural beauty of the area. Striving to be good stewards of God's creation, we mimic a migrating herd by rotating cattle through many large pasture paddocks. We move and work our cattle using our stallions and ranch raised horses. We use traditional methods for branding and herd management in which our horses are used extensively. We not only raise these horses; we use them ourselves on a daily basis. NCQH invites you to come take a walk through our pastures. Look at our broodmares and meet our stallions. If you are looking for quality horses that can be used on the ranch or to win at any level of competition, this is the place to look. We hope to see you soon.

If you are looking for a colt with some size and bone, then you have to check this guy out! Sired by Black In Da Cash and out of a good Hancock bred mare by Roany Gumbo Dancer, this colt is a great prospect. He will have some speed and athleticism, maturing to be at least 15.3 HH. LF HOT CHOCOLATE will get noticed, especially with his pretty black color. This colt is one that will earn his keep on the ranch and still be ready to go to town and win some money. Here is a broodmare that brings home a big shapey baby every fall. "Maude" is the last of our Roany Gumbo Dancer daughters. "Gumbo" produced some great horses for us, including a gray son that just retired from the Dallas, TX police force. He carried the American flag in their parades and helped with crowd control. This is his sister, and she is a hero in her own right. She has produced many good foals for us, including four daughters that are in our broodmare band. Her impact on our program will be felt for a long time. MISS ROANY GUMBO still produces great colts; look at her Black In Da Cash son that is in the sale. "Maude" has a lot of gas left in the tank, she just needs a little hay in the winter. She sells pasture exposed to Black In Da Cash for a May 2025 baby. VIDEO: Contact Seller. He'd make a great ladies horse but he can pack me at 215 lbs all day long no problem. Finn had a late start in life due to no fault of his own. We've spent the summer with Finn giving him a solid foundation for you to be able to go on with. My wife started him with no issues. Our plans were to spend the right amount of time with Finn to be able to sell him as a finished horse, but life got in the way and our loss is your gain. Lots of value in this project! Frosty's pedigree is jam packed full of winners, Queens Coin is the dam of high futurity money earner Sissys Little Coin. Frosty has gotten a late start at our ranch, just due to busy youth rodeo schedules. He has been hauled to a few jackpots and won checks, he is running in the 2D/3D. My daughter has also used Frosty to drag bulls out of the arena at rodeos. He is easy to be around and gets along well with others in the pasture. Frosty has also been loped through the poles as well. With time off he is the same exact horse and you can start right off where you left. My 11 year old son has rode Frosty all over and loves him. There is nothing I have found that this horse can't do. Finished on the head and heel side, he makes a great breakaway, team roping, calf roping and overall ranch horse. Hes cowy, catty, and ready to work every day. I have picked up the broncs/bulls off this horse and nothing fazes him. I've rodeoed on him and he's brought home checks each time. I have hunted and packed on this horse throughout the Appalachians, Smokies, Rockies, and all throughout Montana. Gets along with everyone, loads great, easy to catch and saddle. He will ride in a bosal, bridle rig, or any bit/rig. This horse is my go-to for working/breaking colts, trail riding, and getting any job I need done, done. This is a finished horse and is husband, kid, beginner, and grandma safe. Trail ride him, show him, or work him. He excels in anything. He's safe and sane in parades. A stunner Indeed! 'Wendy' is as flashy as a chestnut can get as she just has a "look" about her, and has had that look from day one. She is a daughter of KT A Dashing Gent and out of a big Frenchmans Guy granddaughter. Streak Of Fling crosses very well with Frenchmans Guy, and this filly is a prime example. She has a great head, kind eye, and a lot of leg. If you are looking for a mare with a big motor, then here she is. LF WAFFLEHOUSE WENDY is an excellent choice for anyone looking for a roping or barrel racing prospect. The Trevin Schriver family has a full sister and the Kevin Alias family bought a full brother last year. Both families love their prospects, and are repeat buyers for our program. This is the only "Jack" daughter in the sale and not a filly you want to pass by. VIDEO: Contact Seller. FMI: 406.378.3199 CELL - 406.262.3407. Coggins.

Here is a nice brown colt out of first time parents. He is not as big and bloomy as some of the other colts, but he could be one of the very best. Sired by PC Frosted Runner, a Sun Frost bred colt we purchased to replace the great Kay Cross Cajun stud we had, "Runner" brings some speed, size, and performance to our program. This colt's dam is a very young mare sired by our stud "Jack". She is bred for speed with Streak of Fling and Frenchmans Guy as her papers. We think this will be a good cross; and with this colt as the result, we like what we see. He has a nice head, good foot and bone, and a strong back and hip. He is a colt with a soft, kind eye and is very friendly. We think LF HOLD MY BEER has a bright future and is a great prospect. Papers are currently in the mail back to us. VIDEO: Contact Seller. This filly is the last foal we are offering this year, but that doesn't mean she lacks quality. And yes, she is KINDA CUTE. This filly is a daughter of "Stetson", our young Kinenos Moon son. Kinenos Moon stood at the King Ranch in Texas and sired many fine horses over the years, including the 2nd high seller at the Return to the Remuda Sale for \$100,000.00. Kinenos Moon is now frozen semen only, but here is one of his granddaughters. We bought "Stetson" to add some cow horse genetics to our program and we are thrilled with his first crop. "Cutey's" dam is a young Frenchmans Guy granddaughter that produced a nice rope horse prospect last year that went to Darby, MT. LF KINDA CUTE is curious, sweet, and will grow into a nice saddle horse with some speed and agility. She will really make a nice ride and working horse. Papers are currently in the mail back to us. This mare has been a good producer for us and it is easy to see why. She is a big black Easy Jet bred mare with a lot of leg and a deep cinch. Her full sister "Missy" was one of the mares that Tenley Epperson campaigned in college. We acquired her from Tenley and she carries her family's brand. Sweetie has a daughter in our broodmare band and has produced several good foals for our sale; including a blue roan filly that went to Jerry Brewer and a sorrel colt that was one of my favorites who now lives with the Blace Martin family in Wyoming. "Sweetie" has a little arthritis due to a rattlesnake bite, but it doesn't bother her very much. She still travels well, but she deserves a little more care than we can give her. SWEETIE sells exposed to KT A Dashing Gent for a May 2025 foal. VIDEO: Contact Seller. FMI: 406.378.3199 CELL - 406.262.3407. Coggins.

At time of consignment (Oct 2), he has had 30 days of training and that isn't just round pen work, that is going out in the hills trail riding both alone and with others. Has had ropes swung off of him and has even drug dead trees around. We have also pushed cattle around in the pasture and he acts like a pro! He has had his mane chewed short in areas by the other colts but it shouldn't have an issue growing out. He did kick out at them and ended up skinning up his hind right leg (Photos Available of his scuff marks). Now, he's not an in your pocket type of companion - YET - but once he finds a home, I will bet that he will be a great companion both at work and in play. No buck, no rear, ties, self-loads and backs out, pasture or stall, barefoot, affectionate, seeks a partnership. He's not the deadhead quiet you think of in a draft, he is light and responsive, NOT a kick to go, pull to stop kind of ride. He's got his own engine with handy buttons, a beautiful back up, leg yield, gate, sidepass, both leads, neck reins and trained to leg cues. He has packed elk and people in the mountains, crosses creeks and over logs, a huge advantage for Eventing, moving cows or trail riding! Develop your partnership, then ride him bridleless bareback. Aslan is affectionate, loves his human, has a very willing attitude and built to last all day. Zero maintenance, never lame, barefoot or shoes, no need for stocks with us. He won his first USEA Horse Trials with a 70yo amateur! 2nd place in his first Working Equitation and won his first Combined Training! He has been confident and brave learning to jump. Chelada is a stout gelding, with some chrome to go with him. He is a deluxe ranch horse and is the one you want to saddle if you need to get the job done on the ranch. He knows all about a long days work.

We have used him in the feedlot, gathering cattle in rough terrain, doctoring yearlings, dragging calves, and to sort pairs. Take him straight from the pasture to the arena and back him in the box. We have been heeling on him mostly, but he is also a head horse. He leaves the box flat and smooth, really watches a cow, makes a nice corner and gives you that same consistent throw every time. He is great on the trails and will go where you point him. This gelding will be enjoyable to own every day. BLACK TYPE EXTENDED PEDIGREE ~ ONLINE COMBO SESSION – ESPECIAL SAN BADGE – Badger is a well-built gelding who stands 15.2 and weighs 1200 lbs. Badger is incredibly well versed in all aspects of ranch work. He has sorted fat cattle in icy corrals and roped bulls in the pasture. He's drug countless calves in branding pens and will stand tied to a cow for as long as you need to get the job done. He ground ties well and can be ridden in a rawhide hackamore or a shank bit and tie down. Badger was started on the head side a year ago and has been hauled to a few jackpots this past summer and while not a seasoned rope horse he has handled it well and shows a lot of potential. Badger needs to be ridden regularly and can be a bit rough if he has too much time off, but if you are looking for a horse you can ranch on all day and take to a roping in the evening than this is the horse for you. (a.k.a. Hick) stands 16 hands. Hick is an all-around horse who has done about every job there is on the ranch. This athletic built horse is sound and has never taken a lame step. This gelding is no stranger to a rope, Hick has put on lots of miles in the arena. Has experience in the box as well as with the barrels. Hick has been barrel raced and team roped on. A 12 year old girl put him through a breakaway school and barrel raced him at jack pots. Has been used moving/sorting/treating in the pasture and pulling calves in the branding pen. When treating in the pasture you can tie off and treat. He has also been used as a hunting horse. Hick is very broke and would be a great horse for a junior rider. Whether you are looking for a gentle trail rider, a competition rope horse, a quick barrel turner, or a cowy athletic workforce, Hick is up for the job! Hot Dog

Hot Dog is the perfect size pony for the next level moving up. Although he is gentle enough for a beginner his size is perfect for the young kid that likes to go ride out with daddy's big horses, plus, he looks like daddy's big horse as well! He's unique marked and pretty to boot! Catch him where you find, generally you need to push him out of the way! Saddles up good, rides bareback and double. His arena work is very good with a nice walk trot lope. We have desensitized him to all the obstacles / tarps / ropes etc. He's a saint outside. Doesn't get stirred or rattled. He does drive as well. He carries himself always level headed with a calm demeanor. Good for the less confident/ beginner but won't be boring for the big kids. We really like Hot Dog and know you will too. He is sound with good feet. Videos will be posted on our West Fork Facebook page or our YouTube channel. Unfortunately there's a little thing called school so we aren't sure if our cowboy can come with us to the sale. If not we would be happy to provide more videos! VIDEO: Contact Seller. This girl is as fast and catty as they come! Julip has been on the back burner because I have to many and she has always been my pick to keep for myself. But life and a new job means she needs a new person to start hauling her. She is just starting to add a little speed on the barrel pattern. Along with being freakishly fast Julip is quick and fluid in her turns with natural rate. She seems to be one who can handle bad ground and is very gritty. Definitely the kind of horse who wants to work and retains whatever you teach her. I felt she would make an exceptional rodeo horse. Julip has been rode outside, all over the feedlot we live on, and has been to town. She is a lot of horse and can be fresh and watchy with time off. Libby was raised on our ranch. She has given us a few beautiful colts, but we have decided not to breed her the last few years and just use her as a trail ride horse. She is sound to breed and did breed every time we exposed her. She has respectable ground manners and is aware of her surroundings. Her mom went back to the old Two Eyed Jack breeding. Main reason for selling her is that we just don't use her enough. She has a scar on her right hip that she got when she was very young; it has never affected her, and she has a little spot in her right eye that does not affect her either. She's best suited for an experienced rider. VIDEO: Contact Seller. FMI: 701-640-1610. Coggins.
