GRAND WAGONEER
BUYER'S GUIDE

MAKE EVERY
ADVENTURE
EXQUISITELY
REFINED

Born from a legacy of distinction and crafted with relentless attention to detail, Jeep® Grand Wagoneer redefines what it means to travel in style. Available in standard or extended length, configurations offer first-class comfort for up to eight passengers, expansive room for gear and legendary capability that makes every mile unforgettable.

TWO UNIQUE PROFILES

STANDARD WHEELBASE

216.1 in

LONG WHEELBASE

228.1 in

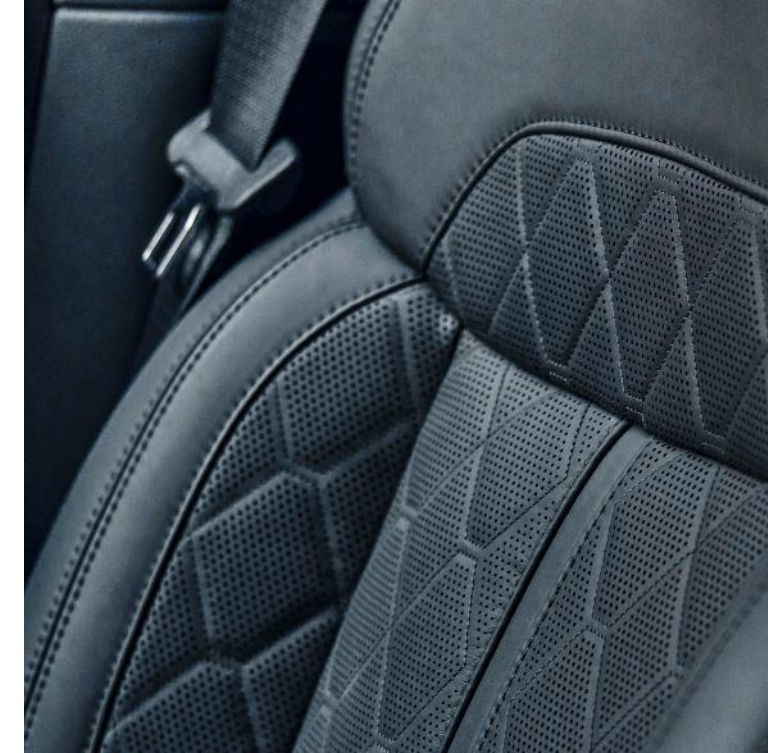

TWO DISTINCT MODELS Upscale amenities and sophisticated design are at the heart of both the Jeep® Grand Wagoneer and Grand Wagoneer L. The standard-length Grand Wagoneer beckons adventurers seeking a premium journey with ample cargo space and seamlessly integrated technology. For those desiring even more of the very best, the extended Grand Wagoneer L offers an additional 12 inches of overall length and 7 inches added to the wheelbase.

SEATING FOR UP TO EIGHT Grand Wagoneer offers flexibility to fit your journey. Opt to change the standard seven-passenger configuration with second-row Captain's Chairs with the available second-row bench seat to raise capacity to eight passengers. Additional available amenities include heated and ventilated second-row seats, multi-zone automatic temperature control, and power-folding second- and third-row seats.

SOPHISTICATED ACCOMMODATIONS

Inside Jeep® Grand Wagoneer, every surface is a testament to craftsmanship that is designed to inspire. The user-friendly Uconnect® 5 system, with its large, full-color touchscreen, seamlessly integrates with your smartphone through Apple CarPlay®¹ and Android Auto™². Enjoy open-air freedom via the available Tri-Pane Panoramic Sunroof. Stretching across all three rows, the sunroof allows the cabin to fill with natural light, fresh air and views of the heavens. Settle in, relax and experience true luxury.
