# SIDEWALK DISPLAYS & CURB APPEAL RULES

Curb appeal can account for up to 70% of the first time sales and includes everything from signage, beautification, cleanliness and outdoor retail displays. Outdoor retail displays can be beautiful and be a successful sales tool however as sidewalks are public space the BIA has worked closely with the Town of Bracebridge to outline the rules and guidelines businesses should follow.

Please review the below rules prior to setting up your sidewalk displays.

## RULES & REGULATIONS

We're also looking beyond the Lane and reaching out to you, our members. Do you have old photos, stories, or historical tidbits about your building, past shopkeepers, or the evolution of your storefront? If so, we'd love to include them.

# BRACEBRIDGE CHAMBER AWARDED TWO GRANTS TO SUPPORT LOCAL GROWTH

Jaden Hollingshead, Executive Director, and Emily Brown, Communications & Membership Manager (left), with Mayor Rick Maloney and other Event Tourism Grant recipients.

L-R: Emily Brown, Mayor Rick Maloney, and Jaden Hollingshead.

The Bracebridge Chamber of Commerce has been awarded two grants from the Town of Bracebridge to support tourism and celebrate the community through local events. The funding will help enhance the Chamber's involvement in Muskoka Oktoberfest's 5th anniversary.

The Chamber received a \$2,000 Event Tourism Grant and a \$1,000 Bracebridge 150 Event Tourism Grant. Both grants are part of the Town's ongoing commitment to enriching the local visitor experience and supporting economic development through tourism and culture. The Bracebridge 150 Event Tourism Grant will specifically be used to spotlight and provide meaningful support to local musicians who will perform during Oktoberfest events hosted in Muskoka.

"This support from the Town of Bracebridge allows us to create an even more vibrant and memorable experience for both locals and visitors," said Jaden

Hollingshead, Executive Director of the Chamber. "Oktoberfest is a great opportunity to extend the shoulder season and showcase the businesses and hospitality that make our town so special."

The Chamber's role includes working with local businesses to develop themed offerings, coordinating live performances, and promoting the event across tourism platforms. In previous years, Muskoka Oktoberfest has featured everything from brewery tours and pretzel tastings to beer gardens and outdoor concerts.

By investing in tourism and culture, the Chamber and the Town of Bracebridge are working together to build a stronger local economy and foster community spirit.

**MUSKOKA ARTS & CRAFTS**

# **LAUNCHES NEW SPONSORSHIP PROGRAM**

**"CREATE YOUR CANVAS OF SUPPORT."**

Bracebridge, ON (May 29, 2025)...Muskoka Arts and Crafts (MA&C) is pleased to announce with gratitude a ten thousand dollar (\$10,000) sponsorship from Queen's Hill Consulting to expand the non-profit organization's innovative arts programs and to ensure more access for locals and visitors to the visual arts. The donation is the first in MA&C's new "Creative Sponsorship Program", said Executive Director Nichole Kitchen today.

Muskoka Arts & Crafts is growing and looking for corporate and individual sponsors to help the long-standing organization evolve, said Executive Director Nichole Kitchen today. Now is the time for businesses to partner with Muskoka Arts and Crafts for a tailored sponsorship package that can be "co-created" for optimal impact.

MA&C's most recent achievement was highlighted at its Spring Members' Show, where 80+ artists displayed their work for the annual juried exhibit. The event took place in the organization's Manitoba Street location in Bracebridge, called "MA&C on Main", where 12K visitors walked through the doors in the first year of operation (est. 2024).

The event also saw the launch of MA&C's new "Creative Sponsorship Program", which offers interested businesses and individuals the opportunity to develop innovative and mutually beneficial sponsorships to support MA&C's two annual shows, ongoing exhibits, and the sustainability of its 'MA&C on Main' space.

"With our new space attracting thousands of visitors all year round and our annual Summer Show attracting thousands of seasonal and permanent residents as well as tourists, we have plenty of return on investment (ROI) for businesses wanting high visibility for their own brand and offering," said Kitchen.

Trish Conley-Knight, Chair of MA&C's fundraising and membership committee, says the organization that supports 400+ Muskoka makers want to give donor partners access to that creativity by building sponsorships organically, rather than adhering to a fixed or tiered program.

"We have so many incredible opportunities for anyone interested in supporting arts and crafts in our communities," she noted. "To develop something truly innovative, the first step is for our team to sit down with the sponsor to discover together how what we offer can produce a creative impact for them. Maybe it's innovative advertising in one of our galleries or an intimate event in one of our spaces; maybe it's a unique pop-up at the Summer show in Annie Williams Park. The possibilities are endless and exciting."

At the Spring Members' Show, MA&C's fundraising and membership committee announced the not-for-profit's first creative sponsorship, the introduction of an award in memory of a prominent local arts enthusiast.

The Bill Monk Community Hobbyist Award, sponsored by Queen's Hill Consulting owner Kate Monk, will be presented annually to a member of the public who pursues arts or crafts as a hobby, rather than as a profession. The sponsorship for this program in the amount of \$10K will see the winner's amateur works showcased at a MA&C event, and will award each winner \$200 to spend at the organization's annual I Holiday Market in December.

"We are incredibly grateful for this seed donation for our Creative Sponsorship Program to launch our development plans," said Nichole Kitchen. "This came about after much thoughtful consideration and discussions about what the donor wanted to achieve in her father's memory, as well as how the sponsorship would best support our organization."

Trish Conley-Knight says MA&C is looking forward to speaking to community businesses and individuals to tailor more unique sponsorships.

"MA&C and its members contribute greatly to both the cultural and economic landscapes in Muskoka," she said. "We hope to garner more support for this work and for its impact in our communities, while also giving businesses a truly special platform for their own objectives."
