Really Agritech Pvt. Ltd. is a Thane-based AgriTech company dedicated to transforming Indian agriculture through innovation, quality, and reliability.

As one of India's leading importers and distributors of portable agricultural machinery, we deliver **high-performance, time-saving, and fuel-efficient** equipment designed to meet the evolving needs of Indian farmers and dealers.

Backed by ISO 9001:2015 certification and FMTTI-approved machinery, our products are tested and trusted for the toughest Indian farming conditions. Every machine we supply is built to **increase productivity, reduce manual effort, and enhance farmer profitability.**

With a network of **1000+ dealers, 200+ SKUs, and 3 strategically located warehouses**, we ensure **timely delivery, consistent product availability, and dedicated after-sales support** across India.

What truly sets us apart is our commitment to empowering the farming community. Our passionate team blends **industry insight, technical expertise, and on-ground experience** to deliver unmatched value – from product selection to after-sales service.

Vision

To become India's most trusted partner in agricultural mechanization by offering **innovative, affordable, and efficient** solutions that uplift farmers' lives and promote sustainable agriculture.

Mission

- To provide **reliable, modern, and cost-effective** agricultural machinery that minimizes manual labor and maximizes productivity.
- To build a **strong nationwide dealer network** supported by continuous training and service excellence.
- To **innovate consistently** and introduce advanced SKUs aligned with evolving agricultural practices.
- To strengthen India's farming ecosystem through **FMTTI-certified and subsidy-eligible equipment**, ensuring access to quality machinery for every farmer.
