THE TOFIL AWARDS - INSTITUTIONALIZING Public Recognition for Outstanding Filipino Achievement

The **Outstanding Filipino** (TOFIL) Award was conceived by the JCI Senate Philippines in 1988, to institutionalize public recognition of men and women, 41 years age and over, whose exemplary achievements are worthy of emulation.

The **JCI Senate Philippines** believes that there are many men and women aged 41 and over who deserve recognition for their contributions to society, and who should have qualified to the TOYM except that they are beyond the age limit rule governing the TOYM award. It enlisted the support of Noble Home Corp. in an endeavor that would give due recognition to these people. Thus, the TOFIL Awards was born.
