# Leeds Launch

**What a fantastic day!** On 11<sup>th</sup> June during UK Carers Week, we were thrilled to cut the ribbon and officially launch our brand new Care 24-7 office next door to Headingley Train Station. We celebrated with a wonderful mix of community partners, healthcare professionals, and local families as we unveiled our exciting vision for "Care 24-7: The Future."

The biggest news was the launch of our new Care 24-7 Assessment Clinic, a centre to provide specialist ASD (Autism) assessments. Stay tuned for further news...

***"This office is the foundation of our future. We are putting 'the right people, in the right place, with the right skills and knowledge' to create a comprehensive hub for care and support in Leeds."***

- Karen Thornton, Co-founder & Director

# Highlights

**Insight & Innovation:** Showcasing our specialist FLOURISH Dementia Care service and learning about assistive tech from our partners at Isaac Care.

**Community Creativity:** Guests came together with TYRO Studios to create a beautiful collaborative Forget-Me-Not artwork for our new office wall!!

**Celebrating Carers:** A wonderful opportunity to connect and share stories over coffee and our special Care 24-7 logo cupcakes.

A huge thank you to everyone who joined us! Our new office is now the hub for all our domiciliary care services, from Respite to our Comfort Plan.

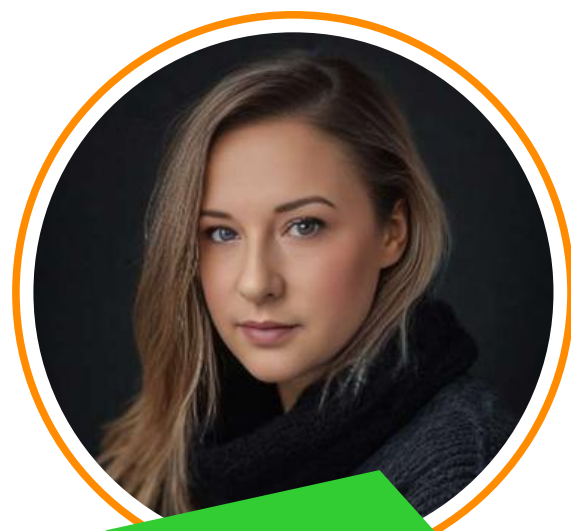

I'm a 35-year-old married mum of four with a big heart and an even bigger love for animals! Since 2017, I've worked in health and social care, gaining experience across care homes, supported living, and now home care. I'm passionate about supporting others and making a positive difference in people's lives. At home, things are wonderfully chaotic with my little zoo — a bearded dragon named Phil, two dogs and two cats!

Coming to work is my escape from the chaos at home, having an opportunity to speak to the Care staff, having a cup of tea and a chat with clients is exactly what I come to work for!

# Welcome Rowanberries!

We are so delighted to be the new care provider at the Rowanberries Extra Care Scheme, and we want to say a big thank you for the warm welcome we've received.

Our first priority is always to provide high-quality, person-centred care that supports your independence and dignity. We believe everyone deserves to feel safe, respected, and happy in their home.

## More Than Just Care

But a good day is about more than practical support – it's about connection and community, too! We're excited to be working with residents to create more opportunities to socialise, have fun, and get to know one another.

We've already enjoyed some wonderful, relaxed events together, including:

- \* Friendly coffee mornings for a cuppa and a chat
- \* Fun-themed afternoons and celebrations

It's been lovely to see so many faces, and we look forward to introducing more activities based on what you'd like to see.

Our goal is simple: to help make Rowanberries a vibrant, supportive community that everyone is proud to call home. We're always listening to your ideas and look forward to continuing this journey together.

"I began my career in care while studying at university with the goal of becoming a social worker. However, through early hands-on experience, I realised that I wanted to be more directly involved in supporting clients. I witnessed firsthand how vulnerable individuals were sometimes left without the help they needed, and I knew I could make a greater impact by working on the front lines. I worked as a carer for several years before progressing into a care co-ordinator role.

In April 2012, I joined Care 24-7 as a Care Manager. From day one, I felt welcomed by a team that shared the same compassion and commitment to care that I have always held. I integrated quickly and naturally into the company's values and culture. In 2019, I was proud to be promoted to Registered Manager, a role I continue to hold with pride and dedication. On a personal note, I welcomed my first son, Harry, on 6 July 2022 — my miracle baby after being told I couldn't have children. I was then blessed again on 29th February 2024 with my second miracle son.

Outside of work, I treasure every moment with my growing family. We love spending time outdoors, especially at the farm where my boys enjoy helping feed the animals — no matter the weather!"

## She Did It!

### KAREN'S INCREDIBLE 48 MILE WALK

A huge round of applause for our very own Director, Karen Thornton, who completed a monumental challenge back in June: The Jersey Island Walk! This was no average stroll in the park. Karen walked a gruelling 48.1 miles around the entire Jersey coastline, starting at 3 AM and finishing late that night. It was an incredible test of endurance, and she did it with a smile. By taking on this epic challenge, Karen raised vital funds for a fantastic line-up of local Jersey charities. We are so proud of her dedication and spirit. A massive thank you to everyone in our community who sent messages of support and donated to these wonderful causes!

## Become a Veteran Friendly Champion!

Care 24-7 is proud to announce our mission to become the first domiciliary care provider in England accredited with the Veteran Friendly Framework standard — and we need your help! We are looking for at least one volunteer from each branch to step forward as a Veteran Friendly Champion. As a Champion, you will complete a short e-learning package and help raise awareness of the needs of veterans. This is a meaningful opportunity to make a real difference.
