Every child has potential. Every family has strengths. And everyone deserves a champion!

Children & Families First is one of Delaware's oldest and most trusted non-profit leaders.

Our Name Is Our Promise - and we're proud to champion children and families using evidence-based, equity-centered, and innovative approaches.

providing education

to help parents have healthy pregnancies and nurture their child's early development.

increasing access

to high-quality early childhood education so every child is ready to succeed in kindergarten.

making connections

to the safe, nurturing, stable relationships all kids, teens, and parents need to thrive.

building on strengths

to establish stability, ensure safety, and keep children out of foster care.

supporting well-being

to empower the achievement of positive academic, social, and physical outcomes.

building resilience

to guide healing and positive changes that lessen the impacts of trauma.
