There's no denying the fact that the world we live in these days is a mess. With the current pandemic, ridiculous government overreach, a media that's controlled by globalists, big tech censorship and a myriad of other problems, one can only wonder what's going to happen in future.

What you should know is this... nothing is so bad that it can't get worse.

Military intelligence has repeatedly warned that the next attack could be an electromagnetic pulse (EMP) attack, which would render almost all electronic devices within a certain range useless.

While low in human casualties, the repercussions of such an attack are HUGE. Most of the devices you use won't work.

It doesn't matter if it's your refrigerator or your car. Nothing will work... unless you know what to do.

Over the past couple of years, one particular book called "Alive After the Fall" (PDF and paperback) has become an online bestseller.

It has been updated a few times, but the core message and details are still the same. It's a survival book like no other... and one geared especially for the times we live in.

What's strange is that whatever the official website predicted before actually came to pass. So, they do seem to know what they're talking about.

We decided to look at the updated version of the Alive After The Fall PDF Book by Alexander Cain, and this is what we found...

1) The official website has a very interesting video presentation of the book that we recommend you to watch from the beginning to the end...

But if you don't have the time to watch the video, you have an option to read the text description, with all the details.

The author has highlighted how current events were already predicted in the bible centuries ago.

He does make some very salient points, and The Alive After The Fall PDF Book has been very well thought out.

You're getting a comprehensive and detailed manual here, and nothing inside is fluff.

2) Surviving an EMP attack is the main focus of this book. You'll be shown how to build a fully functional homemade Faraday cage and what other measures to take to prepare for an EMP event.

It's useful to know that there are Faraday bags sold on Amazon.com. So you don't really need to build a cage, but you'll need to know the other crucial pointers inside this guide.

3) The survival plan is laid out in a step-by-step way that is easy to follow.

The language used is simple and the conversational tone of the book makes for easy reading.

You won't be bored by it and will learn a ton from the information that will be revealed to you.

4) Besides just EMP (Electromagnetic Pulse) preparation, you'll also be taught survival first-aid. You'll discover what medicines you must store in your cabinet and much more.

5) Being able to cook without electricity is important too. Your microwave won't work. Neither will your toaster, rice cooker, etc. *Alive After the Fall* will show you how to prepare meals after an EMP attack.

6) Despite the presentation having a religious tone and also the fact that it might look like some sort of conspiracy theory, at its core, *Alive After the Fall* PDF is a book on survival. And it's one of the best books on the topic. Thousands of satisfied readers will tell you that too.

7) Since this is an online download, you'll get immediate access to *The Alive After The Fall* PDF Book by Alexander Cain and the complementary guides, so that you can start your preparation in 10 minutes from now.

*While everybody else is looking helpless, waiting and hoping for the power to come back on, you are already using the simple and surprising methods you discovered in the *Alive After The Fall* PDF Book by Alexander Cain to preserve your essential supplies from spoiling.*

You and your loved ones will not be among those scavenging for scraps.

You head to the local store fast and hoard the 7 MUST-HAVE medicine supplies that you can use to keep away 84% of the diseases that will run rampant after the fall of Babylon.

Now it's time to stock up fast before the stores are looted. You will be there before the lawlessness starts.

This stockpile will be worth more than gold after the EMP.

You'll feel safer knowing you have protected essential electronics like flashlights from the EMP using a Faraday Cage. This simple device will shield your electronics from the EMP...

*This device is sold on the market for \$500 - 600, but in *Alive After The Fall* PDF Book, I will show you how to assemble one by using common parts that you have in your house in just under 23 minutes.*

*By going through *The Alive After the Fall* Book you already discovered the five vital electronics that are crucial to have after the EMP strike.*

And they are all safe inside the Faraday cage. There will be other survivalists and preppers out there, and restoring some basic communication and lighting are the first steps towards rebuilding a society.

You will also need to know exactly how to make sure you and your loved ones stay calm and are prepared for the mental stress of such a calamity.

*That's why when you get access to *Alive After The Fall* PDF Book by Alexander Cain, you will also receive "Survival Mindset: Keeping Calm and Assertive After the Fall".*

The final thing you need to know immediately after the Fall is how to keep basic hygiene and sanitary conditions.

This topic is covered by the complementary guide "Secrets to Sanitization After the Fall", which is designed to show you how to be safe from diseases in any emergency situation.

All the information in The Alive After The Fall program is designed to take you through all the immediate effects of an EMP emergency and to help you put together the best survival plan of this biblical disaster.

It's a state-of-the-art guide to surviving the EMP. This is hands-on, hard earned experience and knowledge from those who discovered how to live a happy and even comfortable life without electricity.

You will discover how to put together an EMP survival plan for your family, how to keep a cool head when society collapses around you and how to be safe, clean and keep diseases away.

This is the vital and essential knowledge for the most dangerous and desperate times in American history.

You should really ask yourself: who will you turn to when this prophecy comes true? And your answer should be:

I am confident I can rely on everything I know to get me through.

Make no mistake: There's no help coming... you have to rely only on your knowledge and skills. The instructions in The Alive After The Fall program will be your secret weapon when our society shatters into a million pieces.

And you will be the only one with a clear head and a well thought out plan. You will become a true leader for your community.

You will be a shining beacon while others surrender to panic and confusion.
