# FUEL THE FANS

Serve big flavor without the labor, with Smithfield® Smoke'NFast®. It's fully cooked or hardwood-smoked proteins, including ribs, pulled pork, pulled chicken, brisket and our innovative KC Wild Wings. It also includes global flavors, like barbacoa and carnitas, authentically slow cooked to perfection. Your guests will love the menu as much as the game.

## SCORE HUGE WITH SMOKE'NFAST

Reliable, consistent and ready at the whistle.

### LABOR AND STAFFING SOLUTION

**No pit? No problem.**

The proteins are fully cooked and ready to heat, allowing for consistency and a high-quality product every time.

**Flavor for days. Ready in seconds.**

Pre-cooked and pre-smoked meats eliminate the overnight labor and monitoring required for traditional smoking.

### OPERATIONAL CONSISTENCY

**Eliminate the waste.**

As the products are heat-and-serve, you can prepare only what you need. If the crowd stays longer, you can pull more product from the cooler and have it ready to go in minutes.

**Ensure Quality Control.**

Our hardwood smoking process mimics scratch-made results, so the flavor profile of the Smoke'NFast products remains identical across every plate served.

### MENU VERSATILITY

**Go big with global flavors.**

With a wide range of products encompassing varying flavors and formats, you can quickly pivot your menu to appeal to international fans and travelers.

**Please the crowds with shareable opportunities.**

Fans at the bars prefer snacking food while watching the matches. There is great opportunity to turn these proteins into high-margin appetizers like loaded fries, sliders or street tacost labor and monitoring required for traditional smoking.
