PRINCIPAL'S REPORT

It is sad to report tonight about the attack on education and educational institutions by the media and other third parties. The newspapers have been full of issues that have happened at different schools during the year. Principals and schools have been under fire and there has been a lot of talk about "schools in crisis". I am happy to report that Bryanston High School is not in any crisis, in fact we are a school performing well above what the norm is for Government Education. In actual fact a lot of visitors often ask the question if this is a private school or not.

It is the important role played by the parents and the School Governing Body that has made all the difference. I would like to thank Mr Hillebrand and the School Governing Body for all their support and assistance during the past year. Without their guidance the school would not be able to achieve all the goals we set for ourselves.

Our matric results for 2015 were of the best in Gauteng, we had a 100% pass rate with a record number of distinctions. Our Academic staff and Heads of Department worked hard over the past year and with the introduction of Academic Council certainly have set new goals to be achieved. Again, I would like to remind parents that Bryanston High School employs 28 additional teachers and this is made possible by our parents paying school fees. Without these additional teachers class sizes would be unmanageable. I would also like to thank my staff for their dedication to the school.

We were for the sixth year in a row the top Northern Suburb School as rated by the GDE. We hope our current group of Matrics will follow this trend and that they may even improve on the past results.

One issue that is becoming harder and harder to manage at all schools is staffing. In District 9 which is our district 914 teachers left the profession this year. It is sad to

report that Bryanston has also lost a few teachers this year, mainly due to immigration. Miss Ives left us to take up a teaching position in Korea, Mr and Mrs van der Merwe left to take up teaching positions in Australia. Mr Hallendorff and Miss Dhlamini have left teaching to join the corporate sector. Miss Markantonis will be leaving at the end of the year to take up a teaching position in America.

I would like to highlight some of our superb achievements in 2016.

- In Athletics we not only managed to survive the A-league but, in actual fact, came second.
- Boys hockey did superbly well in the hockey league although they struggled in the Aitken tournament.
- Boys squash team won many leagues this year
- Our cultural tour to Europe and Eastern Europe was a huge success.
- English and Biology Departments were rated as top in our district again.
- Who will forget the 2016 Major Production? What a success!

The staff and I sincerely believe that an educational environment must always be kept neat and tidy and that is why we spend a lot of attention on our grounds and buildings. The school is almost 50 years old and maintenance of structures is not always that easy. We had to spend R200 000 on severe structural damage to our East Wing that could endanger learners' lives. Unfortunately over the next few years we will have to repeat this exercise in our Central and West wing.

Other improvements around the school:

- Flooring of classrooms
- Upgrading the School Network
- Upgrading Computer Centres
- New Gardens
- Ongoing painting projects
- Refurbishing Biology and Science Centres

One of our biggest challenges is the lack of involvement from our parent body and I would like to urge all of our parents to get involved and support their children in their endeavours. I remember the good old days when Derby Matches meant anything from 4000-5000 people attending. We have initiated new incentives this year and hope to draw back the crowds we used to have.

A special word of thanks to Mrs Diane Peacock and Ms Liza Williams for their hard work in organising tonight's meeting.

In closing, a special word of thanks to my PA, Mrs De Villiers and to my EXEC, Mr Lawrence, Mr Crighton, Mrs Weir, Mr De Lange and Mrs Cook for all their support throughout the year.

CHAIRMAN'S REPORT 2016

MR. Aidan Hillebrand

At the end of 2015 I made mention of the excitement I could feel in the air for the year ahead. 2016 has been a phenomenal year. The buzz has been quite palpable and without doubt we have been challenged in 2016 as well as seen the rewards of our labours.

On the financial side of the school, 2016 has been an exceptionally tough year. The general state of the economy has been reflected in our ability to collect fees and this has necessitated us having to dip into our 2015 reserves. This position is unsustainable and it is imperative that we as parents realise that without all parents paying their fees, the quality education we all want for our children is just not achievable. Please can I implore on you to consider the effect not paying fees has on our ability to equip your sons and daughters for their lives ahead.

As always, our first function of the year was our staff long service awards with numerous staff being recognised for reaching various milestones in their chosen careers. We welcomed 4 new "young" academics, 1 administrative staff member and 1 sports administrator. These new staff members continue to add to the mix of youth and experience that we see in our staffroom.

Shortly after our long service award evening, Bryanston High was once again recognised by the GDE as the "Top School" in the northern suburbs. We have won this coveted award for six successive years. While in 2014 we just missed out on a 100% pass rate, 2015 saw that change. We achieved the coveted 100% pass rate with a 74.46% bachelors pass. Cameron Matthews got an awesome 8

distinctions, two learners got 7 distinctions, two learners got 6 distinctions and six learners got 5 distinctions. Without doubt this was aided by rolling out the successful academic council to all grades. After two years' academic council has gained tremendous traction and our learners are reaping the rewards of this programme.

Our Grade 8 learners for 2016 have surpassed our initial expectations in both numbers and their enthusiasm for the institution. The new young additions, together with their grade controllers, have proven a driven and energetic lot. We look forward to their input over the next 5 years.

While we acknowledge we are first and foremost an academic institution, we do strive to provide a holistic education which includes cultural, sporting and social responsibility programs. On the cultural side we found ourselves in the middle of an amazing production of "Disco Inferno". For those of us who were brought up in the 70's and 80's it was an incredible trip down memory lane. Our learners and staff spent many hours in rehearsal prior to presenting it to their parents, friends and the broader Bryanston community. Our thanks to the many staff and parents for their tireless mentoring, passion and commitment to the learners who gave of themselves to entertain us. The production set exceptionally high standards and brought out talent in our learners that many parents and friends did not believe existed. Well done to our learners and staff for an entertaining and uplifting night out.

On the sports field we continue to see improvement year by year. We have upgraded our cricket nets and now boast a truly impressive facility. The nets have been reconditioned and resurfaced with TruBounce. Every team is rotated through this facility during the weekly practice rotation.

Our win ratios in almost all sporting codes have risen yet again this past year with success rates of 60 – 70% no longer being the norm but rather expected. This is not without hard work from our sportsmen, sportswomen and their coaches. Training like never before, teams continue jockeying for space on the fields in the first and second terms – all of them at 6am in the morning in pre-season training, let alone the regular afternoon practices. On some mornings there were as many as 6 different codes all putting the in the hard yards. Let's not forget the coaches who were also out there at 6 am most mornings with their teams and then still putting in a full day's teaching, followed by an afternoon of coaching and then preparing for the next day in the evenings.

Last year I single out our Athletics Team. After having won the C League in 2014, they were promoted to the B League in 2015 and set themselves the lofty goal of winning the B League. As with setting goals, the hard work paid off and they won the B League. Being in the A League was quite a challenge and 2016 was about staying in the A League. To their credit they performed wonderfully and came a brilliant second at the Inter High beating our traditional northern suburb rivals.

COUNCILORS 2016

BHS LEADERS

Michael Alves, Khanya Bambo, Mrs Tolstrup, Belammi McCarter, Jonathan van Duyn

Great leaders do not set out to be a leader, they set out to make a difference. It is never about the role and always about the goal.

32 very excited councillors set off to Konka early in February to gain insight into what a leader is and how best the group could serve Bryanston High.

The councillors survived a crippling obstacle course where they were all pushed beyond their limits under the unforgiving blaze of the sun to sit in rank smelling mud having deep meaningful conversations. Cold showers were a welcome relief after the long walk back to camp.

Team building was the name of the game. Through these activities the councillors encountered many challenging situations but they learnt to keep their cool, stay committed, listen to one another and furthermore support each other's ideas.

Perhaps one of the most competitive

activities was the "Capture the Flag" activity. The councillors gave a new meaning to the word "die-hard" as they competed through lightning, thunder and rain. This game certainly tested their strategic skills and team spirit. The challenges served to show that this group of councillors was willing to finish what they had started no matter what obstacles were thrown at them.

The councillors were addressed by Mr Skelton who inspired them to follow the five important principles that lead to success.

One of the last activities was a 5km hike up a relatively steep hill. At this point in the weekend it felt as if they were climbing Mt Kilimanjaro! While the sun blazed down on the councillors nothing could dash their spirits and they persevered helping each other to complete the task. Perhaps the wild life will never be the same after the group's rousing singing!

Zip-lining tested their mettle further and some councillors were quite daring in their descent!

This camp taught the councillors that they need to play to their strengths and allow themselves to be assisted with their weaknesses; that before they can lead, they need to learn how to be led.

"You can do what I cannot do
I can do what you cannot do.
Together we can learn great things"
(Mother Teresa.)

EUROPEAN TOUR

2016

On the 21st of June 35 excited young people and 3 overly stressed teachers began the cultural Tour from OR Tambo.

We began in Prague and lost our hearts and souls to the city and its ice cream, good food and beautiful castle.

We then went to Vienna and were surrounded by Mozart and great opulence. Moving from Vienna to Budapest put us into the old communist stronghold and we explored Dracula and his myth and visited a beautiful castle.

On to Venice, the city of love and beauty. Shopping seemed to be the order of the day with Murano glass and designer items catching our attention.

We moved on to Roma and were overwhelmed by its spirituality and deep soul.

The Vatican and the Colosseum were monuments that were well worth visiting with a promise to return one day. Then to Modena and Ferrari where we all placed our orders for 2020.

We ran into Ms Morris all over Rome – seems to attract us all.

Moving on to Paris and seeing The Louvre was wonderful.

The city was abuzz with Euro Cup fever and we were present when Iceland was beaten by France.

Euro Disney was a day of fun and dashing from one ride to the next. And then sadly we were on our way to Charles De Gaul airport and home before we could internalise the beauty and fun we had all had.

To Mrs Martins and Mr Malebana – a huge thank you for the fantastic job you did of looking after all of our petals.

To each of my fellow young travellers this was a trip I will never forget. You made it such a memorable experience and gave me so many memories to hold close to my heart.

Your fun-loving spirits and determination to know all about History made this trip a success. I will miss you all but we will meet one day again – perhaps in Prague.

DEBUTANTS & SQUIRES

DEBUTANTS & SQUIRES - 2016

Friday 13rd May saw the culmination of 2 years of preparation for the elite entrepreneurial team of 32 Debutantes and Squires. The glitzy glamorous black tie affair marked the highlight of their year after many months of hard work, fund raising, planning and preparation. The excitement had been building as the sleeps were counted, table arrangements were made, final monies were handed in, outfits were bought, partners asked and the invitations were finally handed out. As the limousines arrived at the doors to the pre-drinks function at the Indaba Hotel the final touches were being put to the event in the "Indaba Palace" Room. Candles lit, Fires ablaze, food placed onto buffet tables, Magical winter wonderland trees twinkling and the disco briefed on the order of the events. It was time for the magic to begin.

Walls draped in twinkling lights, soft winter wonderland trees hung with glass bobbles filled with snowflakes, snow globes, open hearth fire places and who could forget the snow rabbits. The sophistication and beauty of the room was enough to take every young deb and squires breath away! A night to be celebrated, a night to be cherished and a night to be remembered.

The Debs program is marked by the calibre of young person who takes on the challenge of raising R3200.00 for Charity and the School. This challenge comes with creativity, hard work and determination and it is always evident who among this dynamic group is capable of becoming an entrepreneur. Quickly we watch the determination of a number of the team who use up every opportunity to raise their money and those who go the extra mile to be in the big prize category. We are forever astounded by the entrepreneurial skills of these young people, entrepreneur days, raffles, cake sales, small scale production of various items, advert sales, mini-markets and a host of other ideas raise their heads throughout the program. We salute these special young people for making the choice to become Debs and Squires and all our

Charities have benefited, enabling those who are less privileged to share in the rewards of your efforts.

One of the highlights of the program is the Ballroom dancing lessons where our couples were taught to waltz. This year Mr and Mrs Lawrence and Mrs Hughes had the honour of teaching the team and a happy, fruitful fun-filled few evenings were held in the school pavilion dancing to the sound of waltz music.

Mrs Corlett had the pleasure of working with all the team in the finance office and her careful management made for a program that ran like clockwork. Mrs Byrne assisted Mrs Weir in the administration and decorating department and without Mrs Lorraine Stafford's years of training the elegance, sophistication and attention to detail would never have been the same. A huge debt of gratitude is paid to all the people present and past who make this event the special occasion it is.

A total of over R150 000.00 was raised by the Debs and Squires and we pay tribute to our winners for the wonderful effort they put in to making this function the success it was. Prizes were awarded to the following people in the different categories.

GRADE 8'S

Grade 8 has been a busy and fulfilling year. Activities have been varied and well supported.

School started with a bang. No time for nerves with everybody in the hall wearing silly hats. The Grade 8s scrambled to assimilate all the information.

A week later the induction ceremony set the tone expected by Bryanston High School. The grade was off and soon showed that they were a force to be reckoned with.

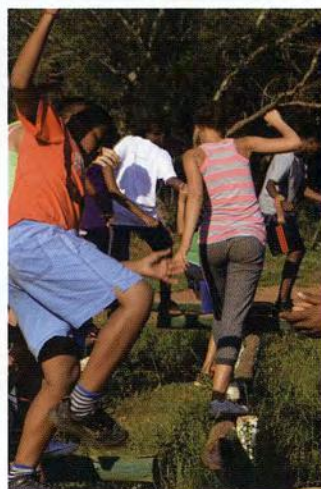

Parents were an integral part of the success of the year. It was fantastic to see so many people turn out for the Buzz Evenings and support the Neon Run.

The highlight for the grade was the Grade 8 Camp in March. This was held at Konka. The time was spent participating in group activities to help them form long-lasting bonds and find an identity within the Grade 8 group.

The years ahead are going to be very exciting.

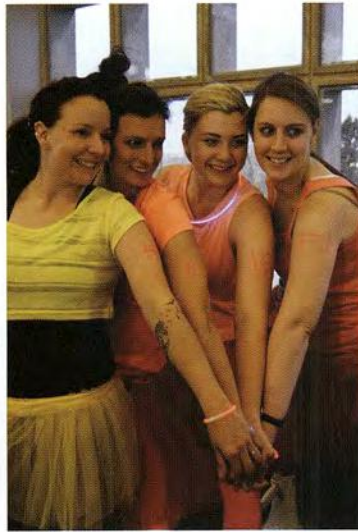

GRADE 8

GRADE 8

GRADE 9'S 2016

It has been a year filled with numerous activities and marvelous achievements in all aspects of school life including academic, sporting and cultural. Our wonderful Grade 9 group have shown determination, character, humour and an unusually high level of maturity taking into account that they are still young teenagers.

We would like to include all of our students in the report, but that would take up half of this magazine and so here are some of our Grade 9's notable accomplishments (in no particular order):

Jenna E. du Toit 9C.

Jenna reached the Top Ten of "Amped Africa's" National Teens Talent Scouting Contest. She also performed live at AmpedFest in front of approximately 7000 people.

Neo Eloff 9D.

Neo obtained both Provincial and National colours in Karate.

Kate Enslin 9B.

Kate received both Junior Full Colours as well as National Colours for Cheerleading.

Keegan Squires 9F.

Keegan played for the Junior Provincial Lions Rugby Team, known as the Rooibokke and in the Inter-Provincial week, the Rooibokke came second. He also currently playing first-team cricket.

Khensani Wilson 9B.

Khensani was awarded the Netball Certificate for most improved player of the year. She also achieved "Most Improved Dancer" and "Dance Group of the Year" in Hip Hop.

Rogan Shepherd 9E.

Over the year Rogan has excelled in swimming at Bryanston High, Club, Provincial and National Level during 2016. He took part in Level 3 Nationals in PE and at the High School Prestige Gala Rogan received the Silver Medal for 200m IM and the Bronze for 50m Butterfly.

He competed in the Central Gauteng Aquatics Senior Short Course Open and received for Silver Medals. He has qualified to take part in the SA National Short Course Champs and has achieved a National Qualifying time for his 200 fly which qualifies him to swim at the Youth Nationals in April next year.

Anifa Linga 9E.

Anifa received District Colours for Athletics and represented our District D.9 in the Regional Athletics Championships.

Tristan Hayman 9A.

Tristan entered the Second Bulpae Academy Taekwondo Best of the Best Tournament in October 2016. He won the gold medal for Patterns and the silver medal for sparring in his weight and age category.

Nkanyiso Mahlobo 9A and Keegan Squires 9F.

These boys received Silver medals when they represented the Golden Lions IPT U14 rugby team at the Interprovincial Rugby Festival.

Madison Yeatman 9C

Madison successfully completed the Level 1 & 2 First Aid Course in September and received certificates confirming this.

Sun City Open Water Swim.

The following students successfully completed the 1500m swim at Sun City:

Tiernan Clifford 9A, Tristan Hayman 9A, Madison Yeatman 9C, Dylan Petersen 9D, Rogan Shepherd 9F.

GRADE 10 - CAMP

Another fantastic year with a group of incredible learners. The Grade 10s of 2016 have done the school proud once again. They have achieved fantastic results in the classroom, shone on the stage

and did us proud on the sports field! Always giving of their very best, participating in everything and anything that the school has to offer and shining in True Blue style whilst continually embracing the

ethos of our school. We are super proud of the young adults that you are and look forward to the challenges that Grade 11 brings along!

L.I.A - Golf Day

On the 25th of August 2016 our LIA, hosted the annual Golf Day to raise funds for the school and a charity at the Leeuwkop Golf Club. Many hours, blood, sweat and tears went into planning for this day. The LIA spent hours putting together programmes, making decorations, putting together goodie bags and gifts for the players.

It was an early start for us LIA members on the morning of golf day. We all met up at the Dijkhuis' house to collect all the prizes, decorations and goodie bags. As the golfers started arriving and registering for the day, an atmosphere of fun was quickly created.

a special thanks to all the sponsors, Julia Dijkhuis and all the moms who helped us with the organising of the day.

The generosity of the golfers and our sponsors allowed the LIA to donate R42 000 to Bryanston High School.

On behalf of the LIA Golf Day Committee, we would like to send out

WELL DONE!

L.I.A - Valentine's day

The LIA Valentine's Assembly of 2016 was an extremely stressful but fulfilling experience for the LIA Executive Committee. We were pressed for time and organising rehearsals with each member sporting and cultural schedule was a challenge, but in the end we managed to pull it off.

Our theme for this year's assembly was the "Academy Awards" with the assembly being focused around "Grease" the movie.

We tried to incorporate both the dance styles from the movie as well as something that was more evident in today's pop culture scene.

If it was not for the help of our grade controllers and Mrs Fulcher we would never have been as well prepared and ready for our big day out on the stage!

On behalf of the LIA Executive Committee we would like to thank our fellow Bryanstonians and all staff members for their support during this chaotic time as it would not have been possible without their co-operation.

L.I.A - Carnival Day

MEXICAN CUISINE

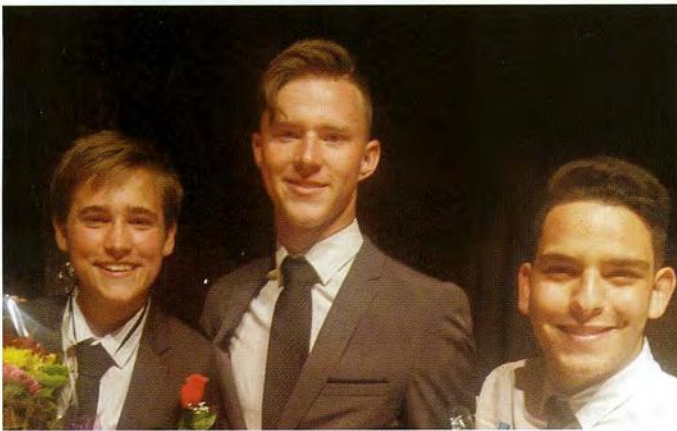

The revamped Pageant, kicked off with auditions on April 22nd. Our Pageant Co-ordinator, Ryan from Figures Modelling Agency, came in to select the top 10 – 15 contestants in each of the age categories.

The LIA began tirelessly working alongside Mrs Steenkamp, Ms K and Mrs Fulcher to organise sponsors, to make prizes, and create make-up, hair and dance routines for the final night.

The contestants fired up the stage with outfits from their prescribe categories which ranged from Beachwear to Cabaret and finally Formal dress.

L.I.A - Spring ball

As the ladies slip on their glass slippers and the gentlemen get suited up for a magical night, who would have thought that a movie could become a reality.

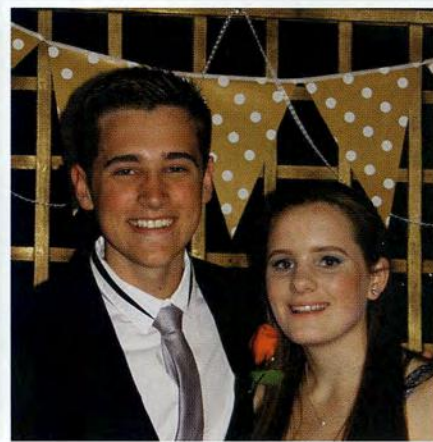

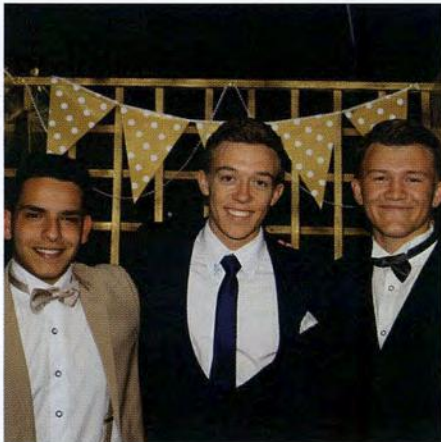

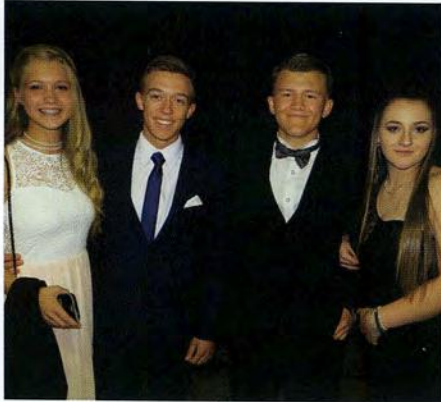

The Great Gatsby was the theme for the night, just one glance at the hall and you felt like you were in the actual movie. From gold, silver, black and white colours to fairy lights and starry nights. To the

deejay playing your favourite song and breaking it down on the dance floor like it's nobody's business. It wasn't just the décor, people, laughs, music and photographs that had us enjoying the night but also the tasty food and a variety of desserts to choose from.

Thank you to Mrs Byrne, Mrs Fulcher and Mrs Weir for making this night possible.

Also a big thank you to the catering team, parents and LIA committee members for all their hard work and dedication.

L.I.A - 2016

The Grade 11 year is the most important school year. This is the first year where the majority of the grade could be found representing Bryanston High School at the first team level – Well Done. Leadership skills are honed within the LIA organisation and aspirations develop to represent the student body in a leadership role.

The culmination of these aspirations is the leadership camp followed by the student body voting for the 2017 leaders.

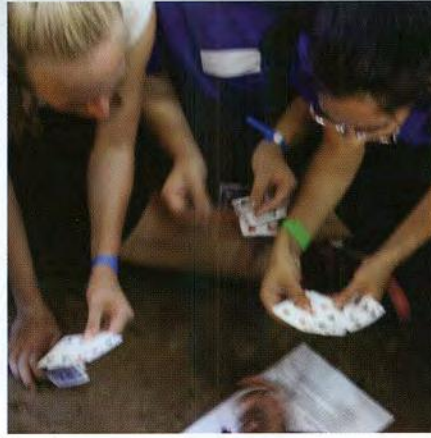

This year a strong willed and dynamic group of girls excelled at camp. Their team spirit and willingness to participate created a worthwhile camp.

The boys entered a weekend of hard physical activity that moulded boys into young men ready to lead.

To all our leaders remember to lead with respect and dignity in 2017.

Weaving together a diverse group of people through industry, expression and creativity; musicals have the capacity to entertain, enlighten & re-invigorate the exuberance we should feel from being alive. Pushed to the limits as they strive for excellence, each team member comes away from the production having stretched their abilities and grown as people.

The production team of "Disco Inferno" has received many compliments for their outstanding performance:

"The actors were incredibly believable- while Jason's commanding performance, Anja's charming wickedness, Sasha's impeccable timing and Grace's spine chilling rendition of "I will survive" probably stands out, all the others stayed so well in character! Many of us in the audience were rocking & singing along!

The hair raising hell scene was absolutely mind blowing- Jonathan was the personification of evil and the special effects was out of this world!" Nico Loubser.

Producing a musical requires many activities and little bits and pieces simultaneously taking place. It is a wonder it all happens and without teamwork it simply wouldn't. Thank you to the entire production team for making this year such a great experience!

SOUND & LIGHTING

As captain of the sound and lighting team I have encountered many obstacles that have shaped me to become, not only a great leader, but a great person. The sound and lighting team puts a lot of effort and hard work in everything they do. Whether it is a small quad assembly or a big major production event, we put in as much time, skills and effort into it. At the end of the day, sound and lighting is definitely one of the best cultural activities found in the school. We would like to thank Mr Malebana for giving us this "once in a lifetime" opportunity and having faith and trust in us to bring about a great change within the sound and lighting team! Thank you Sir!

Thato Mpolobosho

It was only when I became a part of the BHS Sound and Lighting team, I realised the importance of the role the Sound and Lighting played, through actively engaging in a wide variety of activities, from Major Production, announcing at inter-high events and other school functions.

Through Sound and Lighting many of us have had the privilege to be a part of Amped Africa, a youth talent search, and were given the opportunity to shadow stage managers and the producers of

Amped Fest backstage, and to meet South African celebrities.

To be a part of this team is a privilege. Well done to the Sound and Lighting team for our dedication and hard work we have all put in behind the scenes.

RIYA NAIDOO

FIRST AID

Bryanston High School is exceptionally proud of the enthusiasm and dedication of the First Aid team! Numbers in participation and newcomers have certainly been noted for 2016.

We have given Bryanston staff and students opportunities to expand their knowledge in basic first aid. In February and August, Bryanston High and First Aid priority gave students and staff an opportunity to improve their skills and

attend the two day Level 1 & 2 courses, run by Ashley Patel.

In 2016 we also introduced the 'buddy system', which was compulsory for new first aiders to shadow qualified first aiders for 30 hrs.

This gave the newbies an opportunity to see if first aid is what they would be interested in and gain experience. First Aid is an essential part of a school

programme and necessary in most physical activities. Bryanston High School would like to thank ALL the dedicated first aiders, who continually show their commitment and support at sporting events. A special thanks goes to Priya Naicker, Scherodene Devalogan, Caitlin Bell, Rea Monyamane and Maki Kaseke for their continued support and dedication to First Aid.

RECOVERY CENTRE

2016 Was a big year for Bryanston High, with many highlights. Not least of which was the opening of our very own Sports Recovery Centre.

The centre sponsored by te Thuasne Group, a French based company dealing in wearable medical devices, came equipped with mirrors, specialised flooring, rehab equipment and plenty more to aid in the treatment and recovery of our injured athletes. The facility aims to provide education in all areas of sports from meal plans to technique correction, as well treat any injuries.

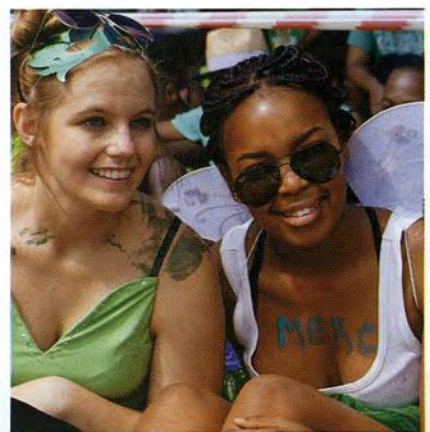

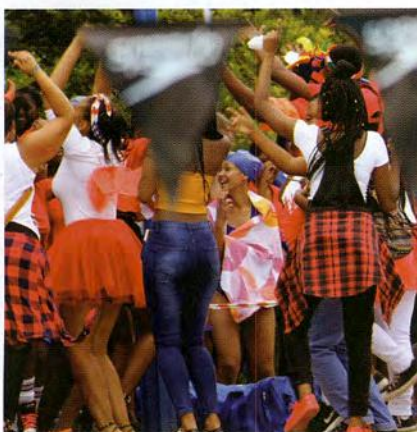

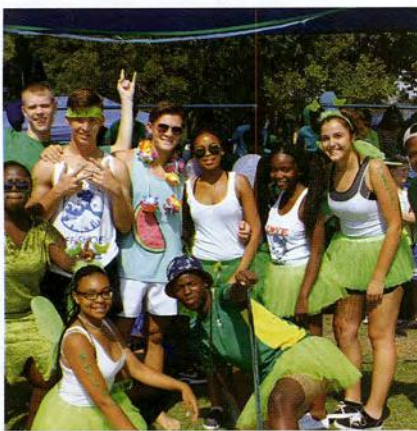

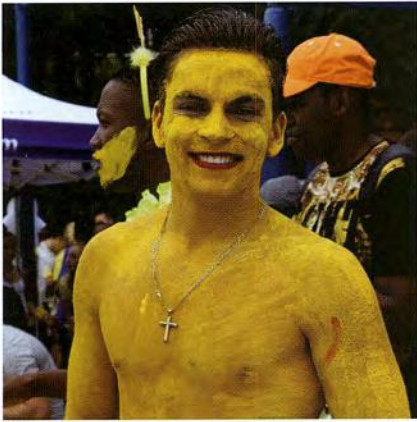

A partnership with Dr Jerome Mampane the current Springbok rugby physician as well as Dave Milner the head physiotherapist of Kaiser Chiefs football club means that our athletes will receive the best advice and treatment.

We look forward to the development of this unique initiative as we push for new and consistent heights on and off the sports field.

Though we might be at the bottom of the league, we already have exciting new developments for 2017! I would also like to welcome our new swim coaches, Tim and Kyle to our team. A special thanks to all the swimming mom's for all their effort, enthusiasm and continual support. Special mention to Mrs MacNair, Mrs Van Duyn and Mrs Hayman. Looking forward to a fantastic swimming season in 2017!

MISS M. VAN ROOYEN

HEAD OF SWIMMING

POLAR BEAR SWIM 2016

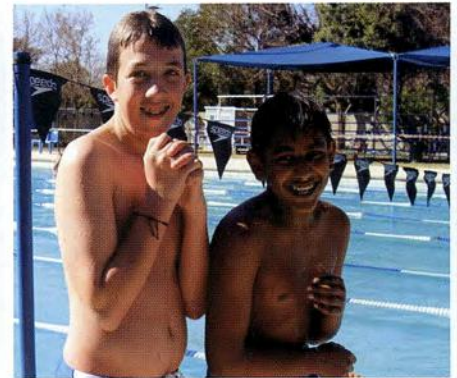

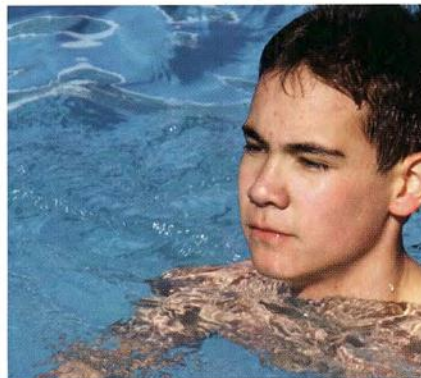

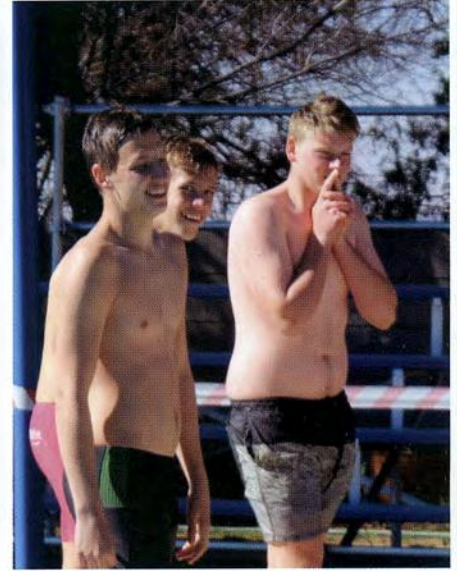

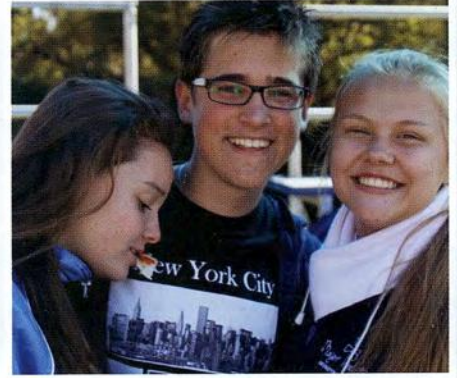

On Friday 5th August 40 brave school swimmers and 4 even braver teachers jumped into the very cold Bryanston High School pool.

The temperature was 12C0 and the swim was fast and furious. Once the required length had been completed

thoughts turned to delicious boerewors rolls and steaming hot chocolate. Both were most welcome.

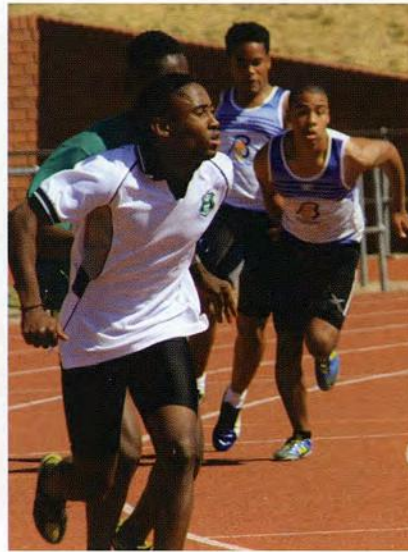

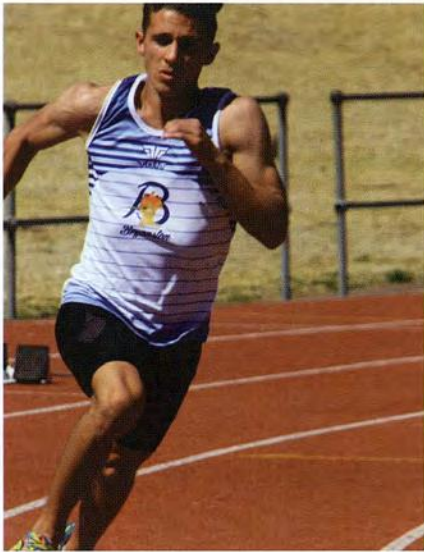

Thank you to Mr Farnell for all his organising and his motivational enthusiasm that has made this an annual event. The general comment was that this was the best ever.

Thanks to the Dijkhuis family for the catering and Ms Reid for all the photographs.

TRACK & FIELD

The 2016 season began with lots of excitement and nerves as we were to compete in the A-League this year. This involved an early inter-house athletics day held in June that hosted an additional three field events: long jump, high jump and shot put with a tough holiday training program that followed.

After an intensive holiday program, the athletes went off to compete every Wednesday in the league meetings. These meetings meant running against a mixture of league competitors from A to F league.

Bryanston High athletics 2016 was off to the best possible start at the first league meeting the Torch Trophy held at Bryanston where the athletes displayed determination and will to retain the torch trophy for the second year in a row. As the weeks grew closer to Inter-high, the blue flame was fuelled by the Grade 8 athletes Dylan Dlamini, Keletso Sithole, Molemo Manyamane, Alex Ncube, John Mabena and Thomas Schlebusch.

The athletics season culminated in the inter-high meeting held at Ruimsig Athletics Stadium between Northcliff, Fourways, Queens and Bryanston where the entire school sat in the stands cheering on their fellow Bryanstonians on the athletics Tartan. The tensions and nerves were high as the score board changed with each race. Northcliff took their 20th victory at the A league championships followed by a second place taken by Bryanston High School trailing not too far behind.

Bryanston was the only school that managed to take away three new records broken by Keletso Sithole broke the 200m u14 boy's record, Thobani Madlala broke the 100m U15 boy's record and finally the U14 boys relay broke their record.

The winners of their respective races then competed against the best athletes from every league at a prestige meeting held at Germiston Athletics Stadium.

Bryanston high athletes ran out of their boots and came home with 16 Gold medals, 5 Silver medals, 2 Bronze medals which was 23 medals in total. To top it all off, two of our athletes received the Best Junior Sprinter award- Thobani Madlala and Best Junior middle distance award - Peter Nyoni.

players emerging next season. Thank you Mr Farnell, Mr Scott and Mrs Alves for your assistance in boys squash, it is much appreciated.

Congratulations to Michael Alves (full colours), Ian Edwards (full colours), Gareth Edwards (full colours), Nick Garbers (half colours) and Keagan Hayman (team colours) for an excellent season, winning 5 out of 6 B league games.

A big thank you goes out to the 2nd team players who have stepped in to assist the 1st team when there have been injuries or clashes and I look forward to the next season where you climb up the ladder and challenge your way to 1st team. To the junior boys (grade 8 and 9), I welcomed many of you to squash.

Lastly a big thank you to our squash moms, Liz Edwards, Sue Denton and Charmaine Albers for the support and lifts that you give. To all the players, I look forward to the next season, and hope to see many new keen players in 2017.

I could not be prouder of all your hard work and achievements. Thank you to our matric players, Michael, Nick and Keagan for the commitment you have given to boys squash, you have set the

It has been a fulfilling journey with the U19 group this year as I have had the chance to coach and manage this team for the last five years.

Thank you for the hours you have put into the sport and the additional time you have spent coaching the juniors. Congratulations on your achievements and assistance in growing the sport at Bryanston High School.

Many of the U19 players have been dedicated and committed to playing squash and it is time to say goodbye and good luck to the following ladies:

It is always wonderful to see the sport continue to gain popularity with the learners and our junior and social squash teams continue to improve with the assistance of Ms Reid.

BOYS TENNIS

Another great year has passed for the tennis boys of BHS. Our First team outperformed most of their opponents. The amount of effort and time all the players put into their tennis doesn't go unnoticed and it really shows in their results; holding their ground through lots of hard work and enthusiasm.

We have many spirited players at BHS and there is a lot of talent coming through the younger grades so the future of boy's tennis is looking strong. We have had four students qualify as Level 1 Tennis Coaches and have given back to the sport by developing the younger players.

Boy's tennis championship was won by Martin Dijkhuis with John Tyson coming second and Tumelo Lithlakanyane third.

A special thanks to Mr Gillespie for all his organisation and enthusiasm for boys tennis. Thank you also to Miss Martin for her support and effort in helping the boys and to Mr Stanley for assisting during the fourth term with matches and coaching.

This has been an extremely busy year with four teams playing in the Southern Gauteng Girls tennis league, two teams playing in the junior league, a full year program of social tennis together with coaching for beginners, intermediate players and team squads. We ran a full Junior and Open tennis tournament as well as a mixed doubles Inter-house competition. Our open season concluded with the annual tennis breakfast. Teams started with early morning coaching in the first term and it was wonderful to have full squads out on most mornings. The first team always looked outstanding in their first team kit and were complimented at both inter-high A and B for their superb turn-out.

The Inter-High A team was composed of Jess Schlebusch, Matilda Ndlovu, Madison Ramsay and Megan Denton. These girls came 22nd in their competition. The Inter-High B tournament was played by Moyet Beukes, Roxanne Field, Lebo Knocker and Palesa Knocker, these girls played in the first round at BHS on the 6th Feb and did well to come 16th in their division of the tournament.

Junior Tennis was captained by Jessica

Schlebusch and the Junior Inter-High Squad which may only include grade 8/9 players, comprised of Matilda Ndlovu, Nicole Wallis, Brenna Sutherland and Chloe Lawrence. The junior teams gained good experience throughout the season and we hope this will be of value to them in the Open League next year.

Thanks to our Tennis Match Secretary Tamara Chinganya together with captains, they have done a sterling job this year keeping the ladder updated, producing tennis team lists for fixtures and checking teams and reserves on match days, without their input our sport would never run as well.

Many new players arrived to participate in the senior and junior tennis league. We are looking forward to having these new players in our squad in the New Year. We are extremely proud of our Bryanston Coaching squad, headed up by Tamara Chinganya together with Moyet Beukes, Megan Denton, Jess Schlebusch, Roxanne Field and Madison Ramsay, these coaches have contributed to the sustainability and betterment of tennis throughout the year. Each of these coaches qualified with a Bryanston High Basic 1 Coaches course which is awarded by Gaynor Harris of Tennis Inc. Full Tennis coaching colours were awarded to Tamara Chinganya and Moyet Beukes, Half Colours went to Megan Denton and Jessica Schlebusch and Team Colours to Roxanne Field and Madison Ramsay.

Tennis championships were a highlight of the season and both Junior and Senior Champs were played in the beginning of the year. Jessica Schlebusch was the winner of the open championship with Matilda Ndlovu the runner-up. The most improved Senior player of the season went to Moyet Beukes and the junior went to Nicole Wallis. The Junior Championship was a round robin tournament and won by Matilda Ndlovu.

Devon Vest (TNT Sports Development) our Wednesday coach has run an excellent tennis development program together with Mrs Maxwell improving the tennis of beginners, social and team players at the school throughout the year. Many Wednesday afternoons there were as many as forty players on the courts We hope that this will continue to grow in popularity and that many of these players will eventually end up in the team squads. Lisa Wright (Tennis

Inc.) ran valuable Thursday early morning squads during the team tennis seasons, often focusing on the Inter-High teams.

Thanks

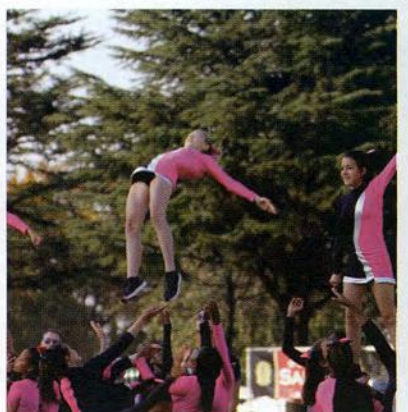

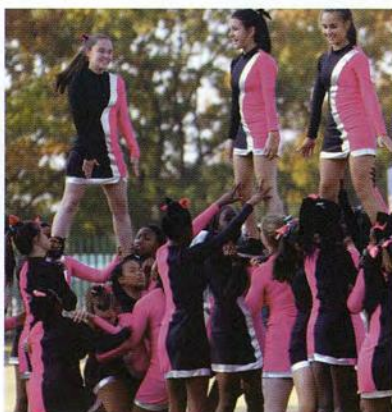

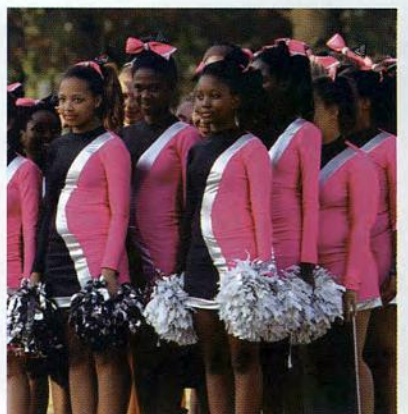

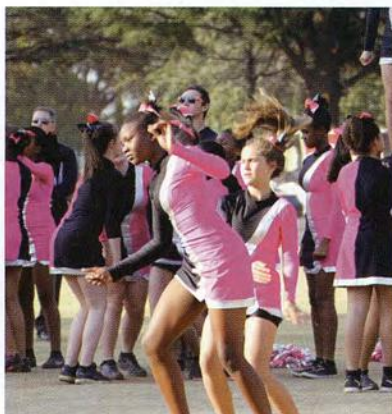

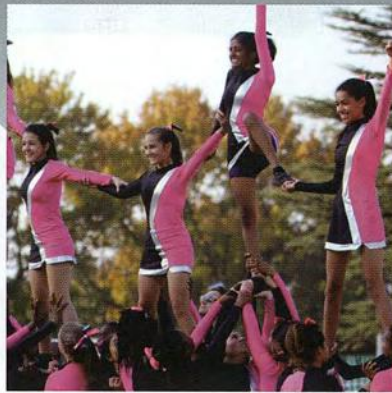

A special thanks to all the parents who made early morning practices possible and assisted with the transport to our matches. Our parental support at matches was wonderful this year and appreciated by the players and staff. To our staff who were always willing to assist with practices, match arrangements and transport, we salute you. Our gratitude to Gaynor, Devon and Lisa for your tireless dedication and enthusiasm towards the girls tennis program the Bryanston, we look forward to working with you all again in the New Year.

CHEERLEADING

CHEERLEADING

2016

CAPTAINS REPORT

This past cheerleading season has been filled with many ups and downs, but the commitment and determination that our team has shown is incredible. The Cheerleaders are not just team mates but they are a family. They are a team that always keep their heads up no matter where they place, always overcoming any obstacle they face.
Captain - Bradley Panayiotiou.

The first week of winter holidays, the cheerleaders had nationals and stayed at Queens High. It was a very difficult but a fun week. We practiced for 7 long hours every day. We also got to know one another better. The one thing I learnt while we were practicing is that you don't practice your lift until you get it right but you practice until you can't get it wrong. Friday and Sunday were very emotional for the matrics as it was their last practice and their last match with the most amazing team ever. Saturday and Sunday we competed against different teams across the country and we placed 3rd in the country, 3rd for all girls and co-ed, and 2nd for partner and group stunts. I would just like to thanks our coaches for creating opportunities for us and for being the most amazing people .
Captain - Tshepang Khotle

COACHES REPORT

What an incredible year 2016 has been for the Bryanston High School Cheerleaders and I could not be more honoured to be one of the coaches of this talented team.
From January the team came to practices determined to learn more and to be strong competition to all the other teams. We were amazed by the talent that came in with the new Grade 8 learners and the improved talent from all the other team members. As coaches there is nothing better than

having a team of talented and dedicated individuals whom are passionate about a sport. I could not be more proud of each and every cheerleader. Well done and I am looking forward to see what 2017 brings!
Coach - Camilla Allen

Bryanston High School Cheerleading has grown leaps and bounds throughout the year. We started the season with almost 100 athletes and were lucky enough to be able to take 2 full teams to National Champs, together with group stunts and partner stunts.

As a result of commitment to excellence, we had amazing results throughout the season and managed to place third in the country for the All Girl division, Co-ed division, as well as the Group stunts division, with a fantastic second place in the Partner stunts division at the National Champs in July.

It has been a privilege to be a part of the coaching staff once again this year and I am very proud of the achievements of all the athletes throughout the year.
Coach – Megan Davidson

Bryanston cheerleading family has practised for long hours to perform advanced routines. The team has shown so much commitment and team building.

The following awards have been achieved in 2016.

CROSS COUNTRY

The 2016 cross country season got off to a flying start with the annual Paarlauf event which was once again well supported with the top boy and girl schools like Pretoria Boys, Kes, Affies etc competing for top honours. The Bryanston senior boys team as usual was the surprise package and pushed these schools to their limits.

The actual season began with the first league at Delta park which in a carbon copy of 2015 had to be cancelled due to an electrical storm. The rest of the season passed by in a flash with the Bryanston boys' teams, junior and

senior consistently finishing in the top three of every league event. This led to their selection for the interdistrict event in which both teams narrowly missed out on podium positions. The senior boys pushed Jeppe Boys to the wire and were unfortunate not to medal. So too the junior boys' team finished in fourth place after a hard fought battle with KES.

Our top athletes namely Peter Nyoni, Thomas Schlebusch, Cameron MacNair, Dustin Osborne, Colin Tabane, Blessing Lebeso, David Wiessendanger, Jernade Kock and John Mabena were selected to compete in the

inter-league competition where they all did exceptionally well finishing in the top 10 of their respective events. Our matric athletes will be sorely missed next year and we wish them all the best.

The 2016 season was made pleasurable by the superb efforts of our captains Dustin Osborne and Moyet Beukes. The administrative and coaching efforts of our teachers who went beyond the call of duty is commendable.

With a lot of young talent coming into the school and the senior players showing what they are made of we had a memorable season. The 1st Team beat Helpmekaar and the season continued with Bryanston placed second overall in the league. There were also some excellent individual performances with Nicholas Smith and Bradley Langford each scoring centuries just to mention a couple.

The excellence this past season made awards evening a challenge in having to decide the awards. After a lot of head scratching the following awards were decided on:

Andiso Ndebele

SENIOR PLAYER OF THE YEAR

Nicholas Smit

SENIOR PLAYER OF THE YEAR

Ashley Ndlovu

BEST SECOND TEAM PLAYER

Bradley Langford

U/15 PLAYER OF THE YEAR

Glen Sayers

U/14 PLAYER OF THE YEAR 1ST TEAM TEAM OF THE SEASON

This past season was truly an excellent one and we would like to thank all the players and coaches for making it possible.

SPORTS

Once again, Rugby players at Bryanston High can hold their heads high. The season this year produced many more highlights than it did disappointments, with three of our teams winning the Pirates league.

Our season had some highs and lows, where it all started off with a great start against Potch boys.

The under 14's had a long wait for the season to start and all the coaches talked to one another estimating how they would do this season. Well what a surprise? The under 14 side came out with a bang by beating Fourways in their 1st match and I must say what a game. This side had a lot going for them and surprised us with major wins against Randpark and Krugersdorp. Fell short against Northcliff. The under 14's made history when they were included in the top 100 school boy rugby sides, where they are currently at 60th position in the country.

The under 15's had a bit of a rough start to the season, but looked promising. As the season progressed they showed a lot of improvement. The league games started and wow what a way to start. One match I could remember was the match against CBC Boksburg. This was a great win for the team to set themselves up against Greenside for the final. The team showed a lot of heart by beating Greenside in the Pirates league final. What a game; first it all started with Greenside dominating all the possession and the score board. Like true Bryanstonians we never gave up

and walked away with a good win and wining the league.

The under 16's what can I say. This was a part of the season that didn't go to plan. It was a rough start, but where everything changed was the game against Greenside where the under 16's for the 1st time of the season looked like a team that wants to play together. All teams need to go through this to build some character. One thing that we should never forget is that hard work pays off.

The seniors of Bryanston rugby. Where to start? We had a huge win against Potch boys and that set the trend for an awesome season. Yes, losses against our big rivals to winning some good games. A game that proved that our boys are true Bryanstonians against CBC Boksburg. Going up 8-3 and defending for at least 12 minutes on our try line and winning the Pirates league. To all the matric players you will be missed next season. Remember honour, dignity and respect.

- U/14 A – Koketso Rammutla

SPORTS

The 2016 season flew by! A very busy season yet again between League and Derby days.

A huge thank you must be expressed to our wonderful coaches who took the players out of their comfort zone, made them moan with exhaustion with new fitness drills and ultimately allowed for everything to fall into place as better and stronger teams emerged:

Mrs Lobban and Miss. Kota(u/14), Miss Reid (u/15), Miss Kwinana (u/14C & u/15C), Miss. Ives (u/16), Mrs. Ripley-Evans (u/17 and 2nds) and Miss Lester(1st team).

Thank you to our special Sports and Functions Committee mom, Mrs Van Duyn, for arranging the refreshments for our home games!

Thank you to our special sponsor-mom, Ms. McCarter for sponsoring our first team kit.

It was a tough season in a tough league but our girls always gave their best and had fun. We are looking forward to next year to build on our skills and take some wins.

BOYS HOCKEY

Boy's hockey has definitely made its mark in Bryanston and is seen as one of the best in the school. This season was no different with the boy's teams winning 65% of their matches. The U/14 side was especially good with an 89% win ration. This made for a memorable season.

The season started with the 1st Team going on tour to Kearsney and keeping the Bryanston name high. From there the league started and we finished 2nd in the league overall. The boys showed what they were made off and what you can achieve with team work. We also had 8 players making district sides of which one Chris Denton made it into

the Southern Gauteng U/16 side.

This made awards evening memorable as each individual dissevered their awards. The awards winners is as follow:

- Craig Wiid Dedication to Hockey
- Qhayiya Madlanga & Jonothan van Duyn
- Mark Dabbs Skills Award
- Jonathan van Duyn
- Matthew Hudson Top Goal Scorer
- Thomas Schlebusch
- Junior Player of the Year
- Thomas Schlebusch
- Senior Player of the Year
- Chris Denton
- Ricky West Team of the Year
- U/14

Lastly we want to thank all the players and coaches for an amazing season!

GIRLS HOCKEY 2016

2016 was a very challenging year for Bryanston High's Hockey. A huge thank you must go to our amazing Coaches and their dedication: Ms I. Smith (u14), Ms S. Ritchie (u15), Ms R. De Agrella and Mr Letwaba (u16), Ms J. Davies (2nd), and Ms T. Webster (1st).

Our 1st Team with some junior players were given the opportunity to travel down to Kearsney College during the April school Holidays for the Kearsney Hockey Clinic. The girls were swept away by the beautiful scenery of Hillcrest and were taught many new skills and techniques.

Our girls have grown remarkably this past year and have blossomed with every training session and match. I can hardly wait to see what 2017 has in store for us!

SFC, GARDENS AND CATERING

Once again this year has seen wonderful support from a group of dedicated parents who meet once a month to co-ordinate the functions that need catering and assistance. Chaired by Mrs Weir with superb support from the secretary Vanessa Ghorbany this group add enormous value to the marketing of the school. They work tirelessly at preparing food, serving at sports functions and other marketing related activities, fundraising, and supporting the staff at every turn. We are truly indebted to this wonderful group of caring Moms and Dads for their input into the wellbeing of Bryanston and thank them all for their ongoing enthusiasm and support.

The following members have been a consistent part of the SFC this year and we thank them for their valued input. Bev Weir, Vanessa Ghorbany, Antoinette Carstens, Barbara van de Walle, Cathy Wallis, Claudia Niehaus, Cristina Blackstock, Diana Ramsden, Enes Taverner, Fouzia Bie, Geraldine Govindon, Jacky Vernon, Janine van Duyn, Jennifer de Beer, Julia Dijkhuis, Keleboqile (Lebo) Tambwe, Koren Hayman, Lilian Ndlovu, Liz Edwards, Liza Williams, Lynne O'Connor, Michelle Russell, Michelle Sutherland, Nonny Nkomo, Rene Ogden, Sarieta Beukes, Sharon Sayers, Sue Denton, Taryn Kent, Teresa Romans, Tracy MacNair. We started the New Year with a bigger group of parents who for one reason or another have moved on and we thank them too for their interest and help.

It is always with sadness that we bid farewell to a few of our members who have completed their time here and this year is no exception. To Vanesa Ghorbany who has served as an outstanding secretary over the past five years we congratulate her on the birth of her baby girl Zara and hope that we will see her back in the years to come. Our thanks go to Jenny De Beer for all her years of service and to Julia Dijkhuis and Michelle Sutherland for their outstanding contributions. We were sad to say goodbye to Anna Roussoux earlier in the year when she relocated to the Cape, after all her hard work and effort she had put into training our young catering team and running the Derby Days.

The SFC work hand in hand with the school catering committee which is run by Mrs Weir and has been Chaired by Musa Ndaba and closely assisted by Vice-Chairperson Refilwe Monyemoratho. This young team of learners have all completed a BHS Basic 1 Catering Course which was run by Anna Roussoux at the onset of the year. They have made a significant impact on the efficient running of all functions from the setting up, food preparation, serving and packing away at the end of the function. We salute all the catering team members for their input into the running of the hospitality side of our school. There were a few caterers who excelled and were awarded with colours and certificates, these were as follows:

Full Colours were awarded to Musa Ndaba, Full Junior colours went to Refilwe Monyemoratho, Merit Certificates to: Rethabile Mofokeng, Jamie Delpont, Xiluva Bvuma, Mpho Tambau, Tholiwe Khosa, Lerato Ledwaba, Nokutenda Chituko and Tracy Ndebele and a Certificate of Outstanding Participation went to Angel Hadebe.

Once again our special thanks go to Sue Knocker who with her team of wonderful gardeners, William Khene and Joe Mampa continue to make our school into a park. We are truly lucky to have a Mother who dedicates so much time each week to the betterment of our environment. The new fountains outside the media centre, designed by Daniel Mampa and gardens around the school have made BHS look beautiful and we enjoy these facilities each day.

BEV WIER

Our star rider, Megan Britz in grade 8, has had an amazing riding year this year. She participated in all of the SANESA qualifiers, in the dressage and equitation categories and rode into first place every time!

ORIENTEERING

This year's Orienteering Schools' League consisted of 14 schools competing in 7 events. Bryanston High athletes achieved quite a bit of success through the year - at the 5th OSL event at St Stithians, Gareth Edwards achieved 3rd, Ian Edwards 7th place and Jafta Maluleke 10th place in the senior boys. The 6th and final individual event at Golden Harvest was open only to the top Orienteers from each school who were invited to compete. Here Bryanston achieved 7th place overall and Arminita-Lee Swan made Bryanston proud coming 2nd in the junior girls event.

On the overall Schools' Orienteering League log results, Bryanstonians left their mark with Ian Edwards coming 5th and Gareth Edwards 7th overall out of 103 senior boys for 2016. Arminita Lee-Swan achieved 8th place out of 85 junior girls in 2016. Maximillian Nuppenau came 21st out of 94 junior boys.

Bryanston High went on to win the mixed team relay at the 7th and final OSL event - the Relay Championships at Woodland Office park with Ian Edwards, Gareth Edwards and Arminita Lee-Swan making up the winning team. The boys relay team achieved 4th place.

Orienteering at Bryanston High School has grown and navigated its way to success. Thanks to Mr Slater and Mr Malebane for running the Orienteering at Bryanston High School.

GENERAL KNOWLEDGE

As the title indicates, one really needs a wide knowledge of subjects many of which pertain to life in South Africa. It is most pleasing that 95 Bryanston High pupils decided to rise to the challenge.

Apart from general knowledge about literature, films, history, geography and science the only way to prepare is to be aware of what is going on in the news of the world via TV, newspapers or magazines.

The following pupils were the top achievers in each grade of Bryanston High:

MATHS

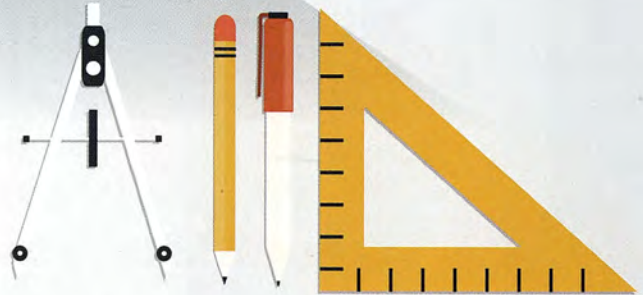

Each Year I am amazed by the dedication and inspired logic that takes place through the Mathematical Olympiad.

I always sounds so easy to achieve 10 out of 20 marks to make it through to the next round. Each year many talented mathematicians do not make it through to the second round.

Congratulations to all second round participants.

A special mention must be made of the following learners who were selected for the third round development lectures. Well done to Paayal Naiker, Gareth Edwards, Ian Edwards and Dylan Visser. The two Grade 9 learners show that we can expect great things in the future.

ENGLISH

An infinity of possibilities exists in the composition of letters into words – a thought prevalent in the minds of the students partaking in the 2016 English Olympiad. This year, the prescribed anthology based on the Darkness of Man's Heart took the students on a thrilling journey filled with death, despair and revenge.

Including classics such as Frankenstein along with modernised writings such as The Book Betrays my Brother, this anthology caused students to ponder the inherent nature of man and how circumstances often result in the onset of good or evil in a person's life.

Along with the anthology, students were provided with a study guide detailing important aspects of each piece of writing. This, accompanied with the invaluable lessons given by Mrs Buttrick helped us go the extra mile and ensure that we were fully equipped for every aspect of the Olympiad.

From the thought-provoking literary essays, to the quirky pieces of transactional writing, the Olympiad finally concluded with the language section that tested the candidates ability to spot linguistic errors and make appropriate suggestions.

Walking out of the exam room together, we were enamoured by the sense of accomplishment at completing the Olympiad.

Congratulations to the following learners who achieved:

FAVOURITE COLOUR

RED

Kyle Pottinger 9D

The blushing flame stares up with hatred as it screams with heat.
Although it is a deceiving colour it is not always hateful
As it is also a resemblance of excitement and happiness.

The warm, crimson fluid that rushes through our veins.
The colour of blood-shed on a gory battleground
Paints a canvas of fear,
Strikes the feeling of joy into people's eyes.
For some it might be a fearful colour
but for others it is an interesting colour,
and that colour is red.

BLUE

Jenna du Toit 9C

The bruises glare out angrily.
The silence slices through my tension
Ever peaceful.
Ever broken
Ever blue.

Blood of previous warriors
Stain the walls,
Their exhausting screeches
Still echoing in my ears.
I am so ever, ever blue.

Trapped light filters through the bars
Never to find its mother sky again.
That sky so ever blue.

I stare down through her lifeless eyes
To see a thousand tears unwept.
Both these things so blue
So ever, ever blue.

VIOLET

Beatrice de Oliveira 9C

Flowers in a valley
With a song within
A shade of purple
Dancing with the wind.

The stars at night
The moon
Or sunlight
Shine upon the colour that lies within.

Different from all –
Not blue
Not pink
A soft purple
Catches a special eye.

It's different
Quiet shy
But can be crazy too
A song is sung
By the violet
For you.

RED

Ayanda Magamza 9F

A colour of such love
Yet can also mean danger
A colour that can bring so much happiness
Or rather a whole lot of anger,
With no intension of forgiveness

The red roses sent by a lover
The amount of blood from the
death of your brother
Which one has more power?
Which one has more meaning?

Red is a colour of confusion
A thousand shades of red,
A thousand meanings come with it too,
When "red" is called, what is in your thoughts?
Is it hurt, sadness and heartbreak
Or is it your heart full of love that it aches
Is your heart torn in a million pieces
Or is it skipping a few beats
To the thought of a million kisses.
Are you crying yourself to sleep
Or are you feeling a love so deep.

Red, tell me something
Do you love me or despise me?
Red, tell me something
Do you bring me laughter or
is frowning it will be?
You break my heart into a million pieces
Yet you manage to stick it back together
when the love increases.
You make me cry myself to sleep
Then make me feel a love so deep.

RED,
MAKE UP YOUR MIND

OUTREACH

KONTIKI 2016

Kontiki 2016 was held at Arrowe Park where 61 troops from the entire region participated in Scouting's biggest annual event.

The winners of Kontiki this year was the 1st Morningside Troop!! Being THE FIRST TROOP EVER in the Sandton district to top Kontiki!

Kontiki consists of two main competitions that each troop participates in:

1. Water event - Rafting

Each troop builds a raft that must stay afloat for 48 hours STRAIGHT! The troop is not allowed to leave the raft and all activities are completed on board. The patrol on board paddles to various bases on the dam to complete activities.

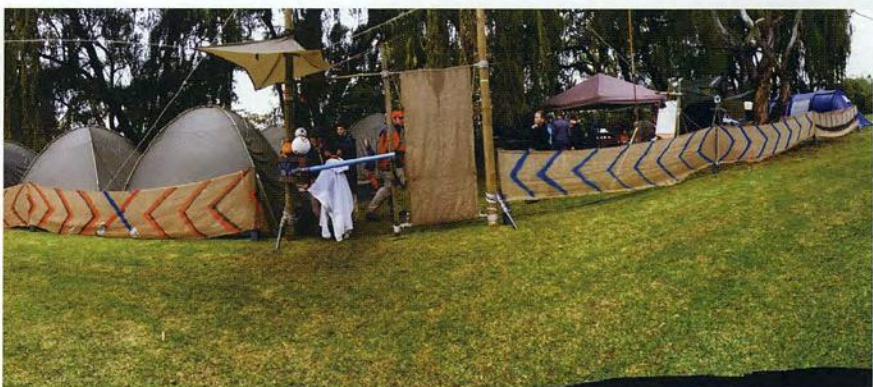

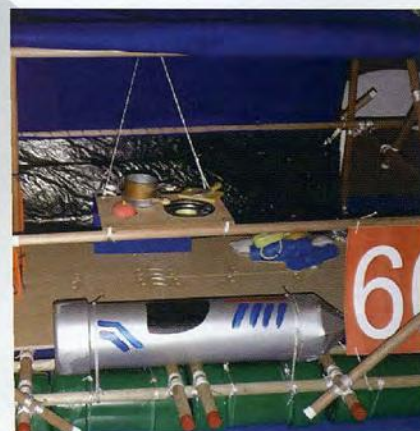

2. Land event

The land events are based on various activities e.g. a cooking competition, campsite inspection, supporting the raft teams and the Cub Beaver challenge.

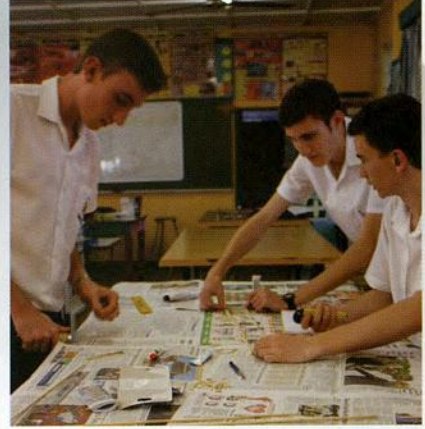

The Kontiki 2016 theme was one of the reasons that motivated us to win - Star Wars. With our amazing special effects "boom gate", imaginative costumes and leading spirit, we helped give rise to a new winning streak of winners from the Sandton District.

Adding to the tough weekend was the unusual winter cold and wet weather. This was the 2nd wettest Kontiki in its 30 year history.

As the Kontiki APL (Assistant Patrol Leader) for the 1st Morningside campsite team, I would urge everyone, Scout or not, to join or come watch our amazing troops in action next year. The theme for Kontiki 2017 ... LEGO!
