Having under-cabinet lighting is great but the hardware and components required to provide that extra lighting are not very attractive. That is where light rail moulding comes in! Camouflage under-cabinet lighting by applying light rail moulding to the front edge of your upper cabinets. This is a great way to hide electrical fixtures while adding beautiful detail and dimension to your cabinets.

LETTER FROM THE PRESIDENT

Dear Customer,

I would like to thank you for allowing us to partner with you in creating fine furniture and kitchen cabinetry.

We are proud of our values, which put you first in every area of our operations. You can and should expect to experience our commitment to quality, excellence, and courtesy. We strive as a business to operate under the lordship of Jesus Christ. If you need us to go the "extra mile," we dedicate ourselves to doing so cheerfully and willingly. Excellence in quality and service is our commitment to you, regardless of the size of your order. Please hold us accountable to this standard. We look at the order you place as an investment in our relationship which may last over 30 years. Osborne Wood Products, Inc. is committed to supplying you with the parts necessary to advance your business strategies in this most demanding market.

We would like to thank you for your continued feedback, which allows us to continue to solve today's problems and invent tomorrow's solutions.

Thank you for taking the time to inquire about Osborne Wood Products, Inc. We truly look forward to serving you.

Sincerely,

Leon A. Osborne, President
Osborne Wood Products, Inc.
