## Simple. Concise. Affordable. Fast.

EkoSystem is a new collection of workspace furniture, inspired by the needs of small to medium businesses, and built with top quality materials and experienced workmanship.

Setting up a new workspace has never been easier, quicker, or more affordable, with a range of products designed to complement any environment. The collection includes desks, workstations, tables and storage options, all of which can be effortlessly set up to support both collaborative and private office plans.

EkoSystem is the perfect solution to hit the ground running. The designers have incorporated packaging, connection and assembly innovations to ensure the quickest end-to-end experience. All products are stocked and shipped in flat-pack format to ensure ultra fast delivery.

If you need a complete office furniture range that is both workspace-friendly and budget-friendly, EkoSystem is the perfect solution.

## Open Plan Office Space

# Collaboration simplified

**EkoSystem can be used to complement any collaborative workspace, with a simple, understated design that seamlessly integrates with other furniture ranges.**

Slab ends on double sided desk settings retain the ability to level across long lengths, while desktop height credenzas offer a matching, flush finish. Cable management options keep work areas tidy, and screen options add a touch of privacy when required.

## Large Office Spaces

# Mix & match.

**EkoSystem performs equally as well in large or small spaces. Enjoy the best of both worlds by splitting large collaborative areas into smaller, team-orientated workspaces.**

Desking integrates perfectly with Studio floorstanding screens to create a more traditional office layout, while Desk & Return options provide even more flexibility. All products feature a fast assembly design, for rapid deployment. Hinges and connector fittings are all BIFMA certified to ensure durability

### Small Office Space

## Two flavours. One result.

Whether you prefer the clean, understated beauty of traditional white, or the raw boldness of our New Oak/Charcoal combo, EkoSystem is the perfect foundation for smaller workspaces.

With desk sizes to suit any space, worktop height storage options can also be used as an extra workspace. Matching desktop storage shelves help to keep workspaces tidy. Softclose hinges on cabinets and cable entries in worktops are all standard.
