NELSON ROLIHLEHLA MANDELA

"A winner is a dreamer who never gives up".

A photograph of Nelson Mandela sitting in a chair, wearing a brown and gold patterned shirt and dark trousers. He is looking slightly to his left. In the background, there is a table with a white tablecloth, a bowl of fruit, and a blue bag. The wall is a warm, reddish-brown color.

Nelson Mandela

Obama dedication

“It is hard to eulogize any man -- to capture in words not just the facts and the dates that make a life, but the essential truth of a person -- their private joys and sorrows; the quiet moments and unique qualities that illuminate someone’s soul. How much harder to do so for a giant of history, who moved a nation toward justice, and in the process moved billions around the world..

Mandela showed us the power of action; of taking risks on behalf of our ideals. Perhaps Madiba was right that he inherited, “a proud rebelliousness, a stubborn sense of fairness” from his father. And we know he shared with millions of black and colored South Africans the anger born of, “a thousand slights, a thousand indignities, a thousand unremembered moments...a desire to fight the system that imprisoned my people”.
