KERB SOCIAL CLUB IS A NEW KIND OF LOCAL

Where American sports
bar energy meets proper
British pub comfort,
fused with an inclusive
community buzz.

Retro-inspired design meets modern cultural energy in a space built for entertainment - whether it's Super Sunday screenings, Mario Kart marathons, chess finals, or karaoke showdowns. It's where fans and communities of all kinds come together.

Three of KERB's most exciting street food traders are dishing out flavours made for sport and socialising. Plus, with five fully bookable private spaces and a terrace designed for every kind of moment, there's a perfect spot for any occasion.

OUR TRADERS

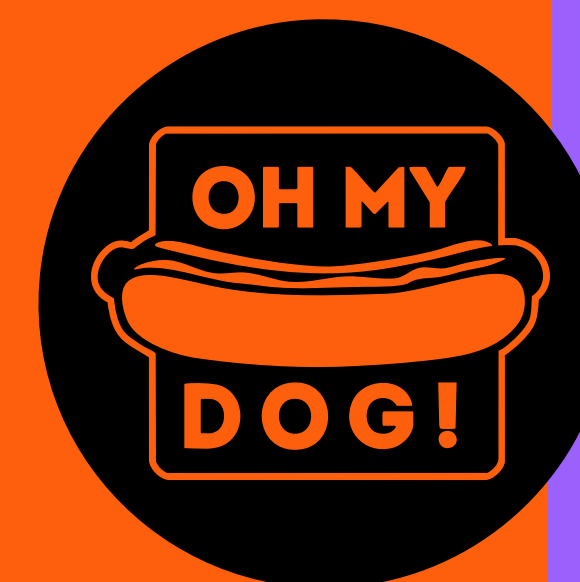

Only Jerkin' serves up bold, Caribbean-inspired fried chicken that's triple-dipped, golden-crisp, and bursting with flavour.

Known for their signature ginger beer batter and punchy homemade sauces, they bring serious heat and good vibes to every plate

Oh My Dog slings seriously loaded gourmet hot dogs, stacked high with next-level toppings and big, messy flavour.

From classic combos to wild specials, every bite is built to be unapologetically indulgent.

Cutie Pies serves up outrageously good, golden-crusted, Detroit style pizza.

The deep dish dream.
