# Fall Classes Back in Session

It's so great to see so many new and returning faces back on campus! We are all getting used to each other, the new routines, classrooms, expectations, homework, and communication through Sycamore. Please be sure to watch the homepage regularly for HRC news, and each class page for teacher posts. Reach out if you have any questions, class adjustments, or would like to schedule a 1on1 session to discuss any concerns or need for academic guidance or homeschooling resources along the way. We are here to support our HRC families in as many ways as possible! Meanwhile, thanks for working together to get our fall off to a fabulous start!

# HRC Spotlight on English:

## MEET MRS. POOLE & MRS. WARREN

Ms. Nikki: What would you like to share about your family or home?

Mrs. Poole: I have been married for 28 years and we have 3 boys (ages 25, 22 & 15). We have lived in PA, MI, and now Fort Wayne, IN for the last 7 years.

Mrs. Warren: I have been married for 29 years and have always lived in Fort Wayne. We have 6 grown kids (5 daughters and 1 son) and 2 grandchildren and another coming in October!

Do you have pets?

Yes, we have 1 dog named Toby. Yes, we have 2 cats- Freddie & Piglet Pigwidgeon.

Why did you choose to teach English?

Because being able to read and write are the most important skills for communicating in every other area of life. Because I love books and reading!

What is your favorite part about your job?

Teaching kids how to think and getting to know who they are through that process. Talking about books with a captive audience.

What words do you live your life by?

Trust God, not an outcome. The Bible verse Ecclesiastes 12:13

If you could give a TED Talk, what would be your speech topic?

“Identity in Christ”

“What Stories Are and Are Not For”

If you had to eat one food the rest of your life, what would you choose?

Peanut M&Ms Chipotle Chicken Melt from Panera

What's your favorite day of the week?

Friday because it's our free day! Sunday because it's for relaxing with family.

Do you have a favorite and least favorite word?

My favorite word is 'Redemption' because of its significance, and my least favorite word is 'can't'. My favorite word is 'Eucatastrophe' - do you know the meaning? My least favorite word is 'literally'.

What book do you recommend everyone read?

The Chronicles of Narnia series, which is ageless and full of symbolism! Till We Have Faces, which was C.S. Lewis' favorite work.

We are grateful for all you do!

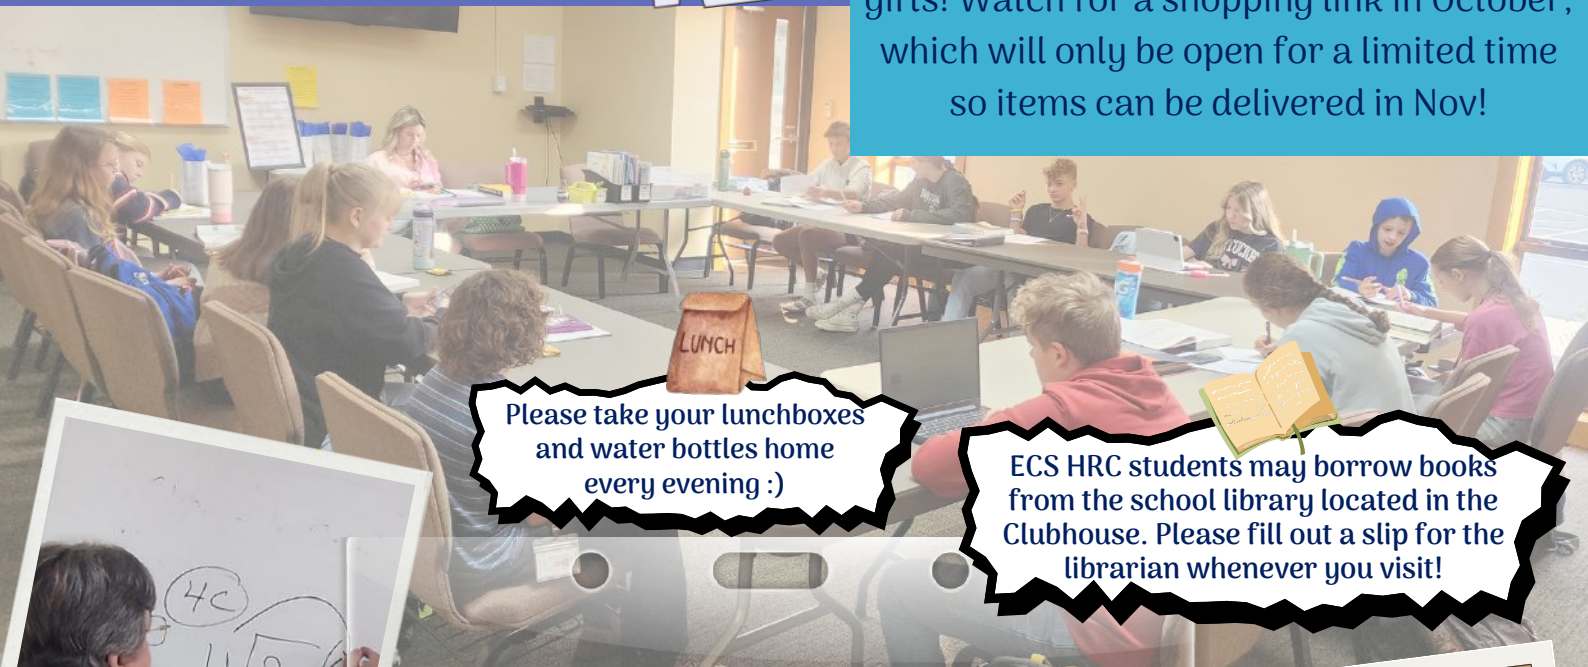

# FRIENDLY REMINDERS:

Be sure study sessions are used for educational purposes only. Learn to manage your time here so you don't have as much homework to do. The monitors are willing to assist you with any questions!

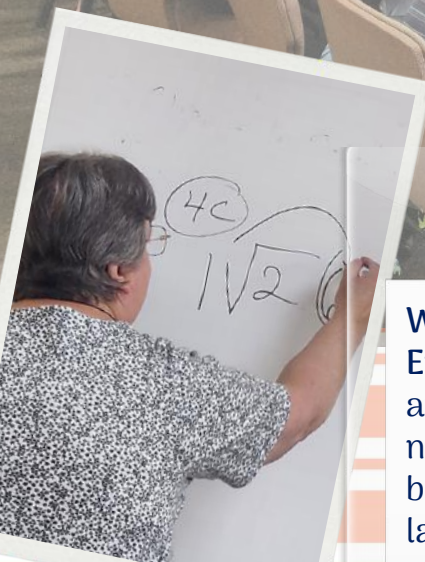

## HRC SWAG NEXTMONTH!

We've been working on designing our own sweatshirt & t-shirt options to represent Emmanuel's HRC. It's completely optional to order, but will be great for keeping layers on hand (as you know this building is unpredictable!) or possible Christmas gifts! Watch for a shopping link in October, which will only be open for a limited time so items can be delivered in Nov!

Please take your lunchboxes and water bottles home every evening :)

ECS HRC students may borrow books from the school library located in the Clubhouse. Please fill out a slip for the librarian whenever you visit!

Wear your LANYARDS at all times at Emmanuel. If you forget, you can borrow one at the front desk but only temporarily- if we need to replace lanyards repeatedly, there will be a fee. Please keep track of your own lanyard with your backpack! You can do this :)

• IF ABSENT, please send a Sycamore pass-a-note or voicemail to Ms. Nikki to notify all of your teachers on short notice. But then it is your student's responsibility to follow-up later with each of their teachers directly to receive any assignments missed.

## Parking Lot & Entry Policies

- Carpool drop-off line is busy right around 8:30am, but please be patient or arrive earlier to avoid the wait. DO NOT park and have your child walk around the line - unless they are licensed drivers or are walking in with an adult, such as with staff or volunteers also entering the building, in either case, PLEASE USE THE CROSSWALKS.
- During school hours, please note: we are NOT permitted to park or loiter in the north parking lot space closest to the playground.
- Door 2 is the main school entrance and adults will need to check-in and out with your ID at every visit (students just need to remember to wear their lanyards and can walk right in!) It's for everyone's safety-Thank you!
