

A TIME BEFORE TIME.

THE WORLD HAS LIED TO US.

WE LIVE IN A
MULTI
CULTURED,
COLOURFUL
WORLD WHY?

I CALL UPON THE WORLD.

Historians , arachnologists , scientists and religious leaders, read my books all about love life the universe and everything. This is our world history , all the proof you need is at hand. The world has lied to us. all because the world did not keep account.

If you know a religious leader or any of the above scholars tell them to come and have a look at my findings, and if they are brave enough come with there evidence that what I tell you is not true. Calculations, scientific findings, and logical reasoning brings the truth of history alive. Tell them to bring their theories and I will show them the proof of actual things they can see and touch. Tell them to bring their calculations and I will show them in action, no ifs and buts this is our history.

THE WORLD AND THE UNIVERSE HOLD MORE
MAGIC AND WONDER THAN YOU COULD EVER
IMAGINE , THE WORLD NEEDS TO BE TOLD
THAT WE WILL NOT,

LIVE IN FEAR ANYMORE.

HISTORY AND DECEPTION.

Welcome to a time before time.

There was a time before our time began, we live in the year 2022, in the common era, or AD or in the year of our lord. So, we have established when time began. Over 2 thousand years ago time did not exist.

We decided to place a finger on the circle of life and start time, time is relevant to an event. Before we standardised time and made years and months etc, we made time an event. We would say before the snow comes or the nights grow cold or when the melt is here I will return. This is a very basic description of time at its core. Time requires an event for it to start and something that repeats to measure it to, and that's where the stars and the moon and the sun come into play, a constant.

Now the event we have measured our time from is when Jesus walked the earth BC AND AD. Whatever you believe is up to you, did Jesus walk the earth? Was he the son of a god?(Etc) it is up to you what you believe. But you can be sure of one thing and this thing is that something big happened around 2,000 years ago, a movement so big and a story so big that it started time. If this was not so then why 2022 AD. Everything before this start is accounted to BC, before Christ.

Now one thing to ask yourself is this, what about history do you really know?. No matter how old you are! you only know what you have been told or what you have seen with your own eyes. And even your own eyes can deceive you.

Also, as human beings we have a tendency to listen to people who we know. We have peer pressure, if a group of people that we associate with all believe one thing we go along with it just to fit in.

And anyone can say or believe anything that they want to, some people think global warming is a hoax, some think that the pandemic was a global conspiracy, and some people think the earth is flat. And as with all these reasonings they come down to a belief, but only a personal belief.

There is far more evidence to show that the world is round, that the pandemic was real, and that global warming is not a hoax.

But as I said we can all believe whatever we want to, we can take a scientific approach to most things and then look at the evidence and make an educated reasoning to see if it all adds up or makes sense. But as with most scientific debates it takes a lot of time to reach a conclusion and not everyone will agree.

What I am going to explain to you now has no value at all in the I believe camp and I don't believe camp. Like I say most people only believe what they want to. I will tell you the truth of our history and then show you all the proof that you need, in any shape or form that you require.?

You see, the truth will always be the truth no matter what you believe. The truth is a fact that all can see and touch, otherwise it would not be the truth, in all my publications I have not written anything that cannot be accounted for. The world as you and I know it, is not as it seems, the world has lied to us.

**THE WORLD WANTS YOU TO
BELIEVE THAT WE WERE
CAVE MEN AND
UNEDUCATED.?**

**AT THE BEGINNING OF CREATION,
WE WERE NOT UNEDUCATED AND
WE LIVED IN HOUSES, WE ONLY
MOVED INTO CAVES WHEN THE
VISITORS CAME.**

CAVE MEN AND DINOSAURS.

In school and in all walks of life we are taught from a straight point of view. What I mean to say is that we have simplified our history and put in an order that would make sense. We presume to much and what we don't understand or it wont fit in to what we believe we go around it or dismiss it.

All modern day history come from the written word, all from books. That's it we have no other history than the written word and anyone alive now can be only sure of one thing , that's the life that they have lived. They have experianced many things they can write a book about it and know what parts are true and which parts are embelished. Whatever you have not seen you have to rely on other people or the media or books etc to reveal the truth. And we as human beings might be heroic or show great strength, but we are all afraid of one thing and that is truth, just incase it leaves us out.

THE TRUTH IS FOR EVERYONE,
NO ONE IS LEFT OUT OF THE
TRUTH, BECAUSE THE TRUTH
IS LOVE AND LOVE IS
EVERYTHING.

WHAT IS TRUTH?

In the truth it matters not what anyone believes because to believe anything without proof is not a truth. In truth there is no right or wrong. A truth is an event that has happened, like a wall falling down and killing some one. If we find a dead body on the floor with a wall on top of him, we can see the truth that a wall fell on this man and killed him. But the truth has to be researched before we jump to conclusions.

*I HAVE SPENT MANY YEARS RESEARCHING
MY FINDINGS ,AND I NOW BRING YOU THE
TRUTH TO.*

LOVE LIFE THE UNIVERSES AND EVERYTHING.

The wall did not kill the man he was feeling faint and sat down against the wall, he had a heart attack and died then 2 days later a strong wind blew the wall over.

THE TRUTH IS, NOTHING IN LIFE IS AS IT
SEAMS.?

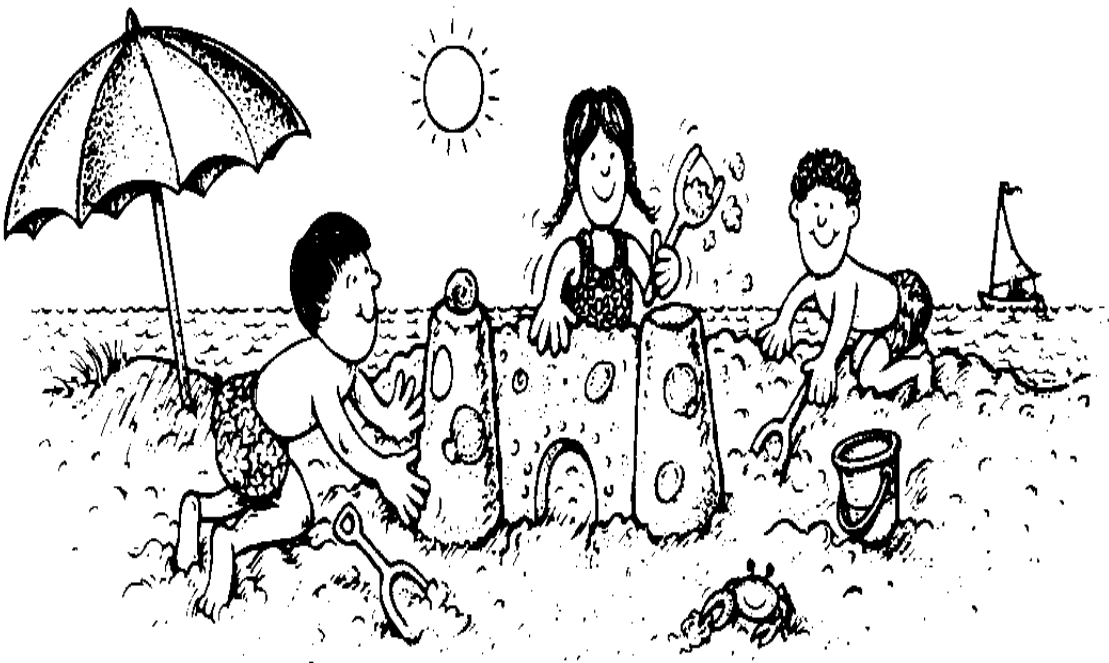

Welcome to
MEGALITHICA
a time before time.

The image depicts the interior of a futuristic space station. The walls and ceiling are dark, metallic, and filled with complex machinery and glowing blue light strips. A large, octagonal window in the center provides a view of Earth from space, showing the planet's curvature, blue oceans, and brown landmasses. A bright sun is visible on the horizon of the Earth, creating a lens flare effect. The overall atmosphere is high-tech and mysterious.

THE VISITORS.

THOUSANDS OF YEARS AGO
HEAVENLY CREATURES CAME TO
EARTH, IN SEARCH OF A NEW HOME.

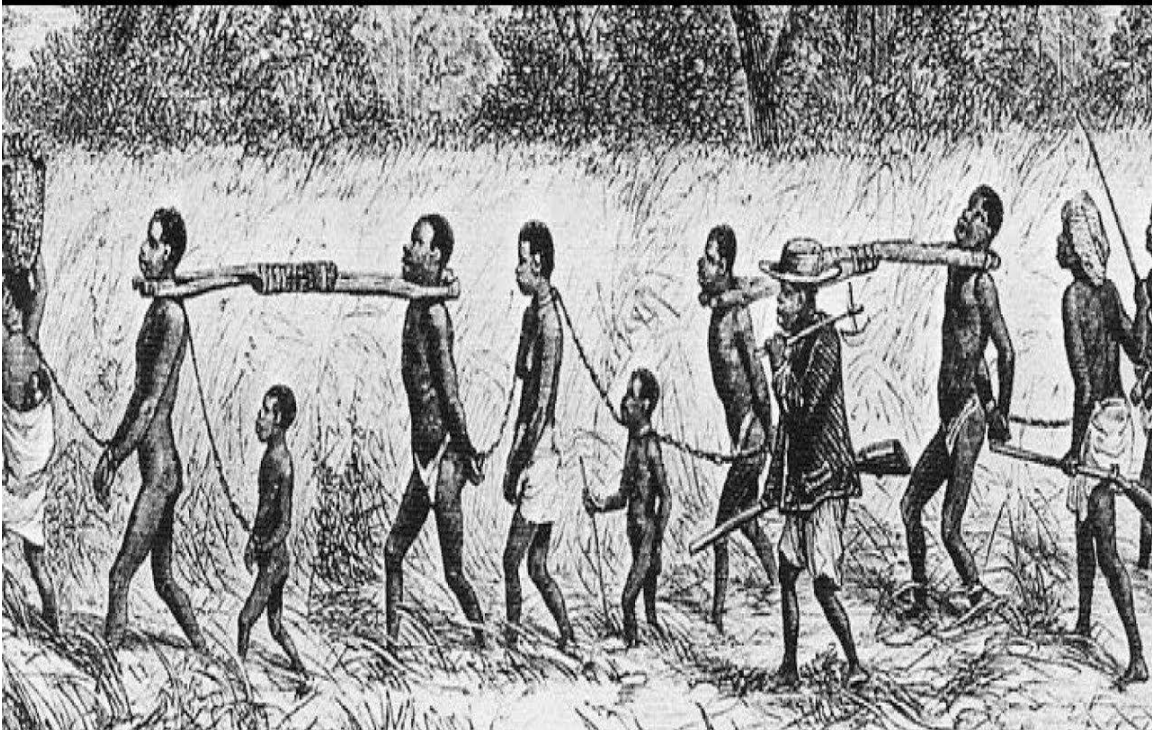

WHEN THE HEAVENLY BEINGS ARRIVED, WE WERE
PLAYING IN THE SAND, BUILDING A SANDCASTLE.

WE ALL SPOKE ONE LANGUAGE, AND ALL LIVED IN ONE
PLACE.

THIS IS REPRESENTED BY THE TOWER OF BABLE IN THE
BIBLE.

THEY MADE US THEIR SLAVES.

THEY DIVIDED US UP AND TOOK US WITH THEM TO THE 4 CORNERS OF THE EARTH.

THE GODS OF CREATION?

THEY TRIED TO MAKE US BELIEVE THAT THEY WERE OUR GODS AND THAT THEY CREATED US.

THEY HAD MAGIC AND POWER, BUT WE DID NOT BELIEVE THAT THEY WERE OUR GOD OR GODS ,BECAUSE WE HAD OUR OWN CREATOR AND CREATION STORY THAT HAD BEEN PASSED DOWN.

WHAT WE DID NOT KNOW, WAS THAT WE WERE THE TRUE GODS OF THE UNIVERSE NOT THEM.

Heavenly creatures.

It was bad for them to come here, they had their own time and space and planets to live on. These beings came from all parts of the galaxy. Why then do we not have real contact with them? Have you ever heard a phrase once bitten twice shy?

They came , they saw and then they conquered , we to them were cannon fodder. They used and abused us they spread us out all over the earth , some heavenly beings came here in search of the truth and some came in search of power and some came for an adventure. These beings were created first , they live a lot longer than us, and they have intelligence.

Some myths in the world are that aliens gave us some technology, they would not do this. this would contravene all their laws and also the creator has forbidden it, these creatures understand how the universe and everything works and they know that evolution is creation. They stay away because to them it makes no sense that we live short lives and kill one another. They would not help us, they keep an eye on us, but no one wants the human race to enter the stars. Imagine humans roaming the galaxy , at the drop of a hat we would destroy it.

People often wonder if we made contact with aliens how would we communicate?. In most cases this would be easy , because we talk their language. Ever wondered how we travelled vast distances and all around the globe humans live. Ever wondered why so many different languages? These beings distributed us around the globe to be their slaves. Some of the visitors were wonderful people and they loved us, and we loved them. It was not all bad, it all depended on which tribe took you. Because we died quickly the new-born took up and learned the aliens tongue.

Russian , Japanese, Egyptian, Chinese , etc etc etc.

THEY CAME IN

SEARCH OF

POWER AND A

NEW HOME AND

THE TRUTH.

SCIENCE FICTION?

So, what do you think of the story so far? I do not blame you for thinking that this is all a bit far-fetched , like a bucket of shit from China lol, and I myself have trouble believing it all, and I know 100 per cent this is a true story. The world has lied to us all, not on purpose but because it did not know any better. There are forces at work beyond our control, and any ancient alien theorists get mocked and historians and scientist don't want to end up laughing stocks and religion wants to keep its grip.

But if you put science and history and archaeologist findings and the bible together with all the mysteries of the world, it all fits together and everything gets put in its place with ancient prophecy, voices from the future shouting to the past so that we can save the present.

Lets us now look at some evidence of this story, lets take a look at strange structures around the world that have been found and abandoned. Megalithic structures all around the globe, all with the same building techniques all telling a story of a sudden halt to work , a vanishing of people and skills and a puzzle no one wants to solve. These buildings are so far advanced and they are thousands of years old, we would struggle to build them today.

We would not build this way today because it makes no sense to make a brick out of solid stone that weigh's 100 tonne or carve great dwellings in hard rock to live in. even we humans are not that stupid, we build with clay bricks and steel because we can handle them easily. But because of advanced technology they could build with these materials , anyone can dig or mould clay, and with a magic wand turn it into stone again. We thought it was magic, in fact it was energy.

WHY NO EVIDENCE OF ALIEN MACHINES?

The heavenly beings that came here did not need machinery to do any of the building work that is why no machinery has been found. They however needed star maps and calculations of alignments of the stars and the sun's rays.

The tools they used were primitive, like wooden shovels and wooden chisels and stone hammers and bare hands and feet. Everything you see that was built in the megalithic era, we built them. They did not need mechanics, we were the mechanics. But they did however leave behind many clues on how to copy their technology. Our ancestors wrote down many calculations and things that they saw.

Their power was kept secret from us because they controlled us with fear that they were our gods. Some of these beings had superpowers, they could change shape, they could breathe under water, they could communicate through thought. Everything in the universe is connected, and all by waves and energy. An electrical wave, a thought wave, all waves are power and particles are energy.

They could turn water into wine....

Stone into bread.....

Walk on water.....

Revive the dead.....

And heal the sick.....

ANYTHING SOUND FAMILIAR? STORIES FROM AN OLD ANCIENT BOOK THAT NO ONE CAN AGREE ON?.

BUT THEY WERE NOT GODS

A STONE BASHING A STONE?

Next are some pictures of structures that are thousands of years old. And when I say thousands I means tens of thousands, take a good look at them. Now picture yourself carving these structures out of bedrock, and all you have is a stone. You might and this is only a might have a soft metal like gold, silver, or copper and copper is not proven.

Historians and archaeologists and to some extent scientist, want you to believe that mankind cut, crafted, and moved gigantic stones. These people are supposed to be intelligent, so why would they not look at these buildings and question our history?

Some reasons might be that they think that they will get laughed at or pressure from religion. Religion is all powerful and its amazing how much power the fear of God really has on mankind. But if religion had understood the bible they would see that the proof of all its stories are around and that god is not real . but the creator is real and God is love.

The heavenly beings that came to earth know all about evolution and creation and they understand the creator. They don't know him personally, that is why some came here to look for the creator and proof. But that's another story, the main thing now is to show you these buildings. Most people just get on with life we have to make a living. Historians are taught by the past and science tries to figure out how things work. But no one looks at what we already have.

How did mankind get to all parts of the world? Exactly how I have described and the writings of the bible back everything up I am going to tell you.

MEGALITHIC STRUCTURES.

These pictures are just a few, there are thousands of examples.

These buildings are all over the globe including the arctic circle and under the sea. This is just the start of a never-ending story these buildings and ancient alien technology, will save the planet. We have our ancestors to thank for giving us a way out. Voices from the future have sent messages to the past to be found in the present to save the world from destruction.

THE WORLD IS ON COURSE FOR DESTRUCTION, NO ONE REALLY BELIEVES THIS BUT ALL THE EVIDENCE AND ANCIENT PROPHECIES AND THE WRITINGS IN THE BIBLE , ETC ETC ETC OH AND ALSO SCIENCE SAY WE ARE GOING TO END.

So, lets see what happens according to the above people not long a matter of years and not many. This is a small publication a promotional booklet , the e books and paperback books are all available from amazon.

A time before time book shows more structures, alien artifacts and explains how they used the suns power to pretend that they were gods. This technology will save the world and change life as we know it and all science and religion and historians and archaeologists have to do is reason think and have a meeting. One meeting for one hour can change the world , and it can wait until it's the last chance saloon, but they will have to meet and turn around and look at each other for everyone's sake.

ANCIENT ALIEN TECHNOLOGY.

What would you think alien technology would be like? In films and books, it is translated as a far superior technology than we have now, fancy gizmos and gadgets and fancy flying machines. When in reality its nothing of the sort. They do have amazing machines and technology but its not much better than what we have now, in some cases we are just as advanced. But we have over engineered many things, we make a machine that makes electrons (electricity) they just use the electron.

They have an understanding of how creation works and every particle and wave they can use to their own advantage. We are nearing an understanding of the cosmos and the power of creation now and that's why the earth is warming, we will misuse this power and knowledge.

They left behind all the clues to this technology and they even left behind artifacts and instructions for using the power of creation, whatever we think we know in reality we know nothing. An understanding of subatomic particles and molecules and how to manipulate time and space is a science., and it is not science fiction. Whatever we seem to think up, becomes reality and there is a reason for this, like all things in life everything has its time and its place in history.

The next few pages I will show you some alien relics of the past, there are many items and all are a mystery to science and to historians. The bible preaches repentance, this is just not being sorry for a sin, its much, much more. To repent means to turn around and this is for everyone, religion must repent , science must repent ordinary folk must repent everyone must turn around and see the proof of the truth. How did they fool us?

ANCIENT TECHNOLOGY - ANTIKYTHERA COMPUTES A MYSTERY

HYPE BLAZE

Named after the island near where it was found by sponge divers 115 years ago, the Antikythera mechanism is an incredible machine of finely calibrated gears that appeared to be technology not available until at least the 10th century—but the mechanism was at least 2,000 years old.

It is an incredible, ancient computer that can calculate a wealth of astronomical information for the user, according to *Vox*.

No one knows who created the technology or even how they could make something so delicately tuned—and who owned it.

Blown Away by Baghdad Batteries

PINTEREST

Even though at first glance a collection of jars from 250 BCE in the National Museum of Iraq seemed completely unremarkable, further inspection revealed that they were something incredibly special. When the jars were examined, it revealed that the outer clay jar stoppered with asphalt contained an iron rod placed inside a copper tube, according to *Atlas Obscura*.

Recent testing by *MythBusters* showed that when the jar is filled with vinegar, it can hold a charge—like a battery.

The theory is that they were used to electroplate metal,

250,000-YEAR-OLD PIECE OF ALUMINIUM

A CHUNK OF ALUMINIUM IS ON DISPLAY AT THE
NATIONAL MUSEUM OF TRANSYLVANIAN
HISTORY IN CLUJ-NAPOCA, ROMANIA.

TESTED IN 2 SEPARATE LABORATORIES BY DIFFERENT SCIENTISTS.

Lab tests concluded it is an old UFO fragment given that the substances it comprises cannot be combined with technology available on Earth.

The piece measures 20 cm (7.8 in) by 12.5 cm (4.9 in) by 7 cm (2.8 in) and looks like something one might dig up while excavating to put in a foundation for a building. The details of the discovery were never made public at the time because it was pulled out of the earth in communist Romania in 1973.

According to tests, the object is made of 12 metals, 90% aluminium, and it was dated by Romanian officials as being 250,000 years old. The initial results were later confirmed by a lab in Lausanne, Switzerland.

Conspiracy theorists suggest object is actually part of a UFO and proof of visitation by an alien civilisation in the past.

So why does this object exist? This is just one item, there are many objects of origin unknown. You see we think we know the past, so it is easy to dismiss unknown things as fantasy. History books tell us of the past, and no mention of aliens in roman history, or is there? has such texts been removed and only mainstream information been allowed? There are enough stone carvings and buildings still around to confirm we do not know much about history.

We only know what we are told, in the archives of the churches it is rumoured that a lot of evidence exists that other life forms exist.

What you have to realise is that the media wins, all the time. In time gone by religion was the media of the day, it was and still is the most powerful controlling weapon that man has allowed to dominate its existence.

THE DISC OF SABU

Egyptologist Walter Brian found the mystical ancient artifacts, that seems to be the parts of some unknown mechanism, during the inspection of the tomb of ancient Egyptian official Sabu, who lived about 3100 – 3000 BC. Burial is near the village of Saqqara.

Sabu's father was Pharaoh Aneddhib – the fifth ruler of the first dynasty of ancient Egypt. Presumably, he was a governor of the province or city.

In the burial chamber of a mysterious artifact was a wide variety of vessels, stone knives, arrows, brass instruments, and a few fragments of bowls made from schist.

Disc of Sabu is 24 inches in diameter, thickness at the centre is 4.2 inches, and the edges – 0.4 inches. This artefacts was made from very fragile material which requires great skills from the master to make this disc.

Historians have a lot of questions that could change our understanding of history. For example, what was disc of Sabu intended for?

According to scientists, this is not the wheel, as it appeared on the territory of ancient Egypt only in 1500 BC, during the reign of 18th dynasty.

According to another version, this artefact could be an integral part of some ancient technology. According to Egyptologist Cyril Aldred, the shape of the object proves that it can be a copy of the other probably metal object that is older than this one. But why did ancient Egyptians create this strange object more than 5 thousand years ago? How could they so accurately made such complex shapes on a fairly brittle material?

STONE AGE CAVE MEN?

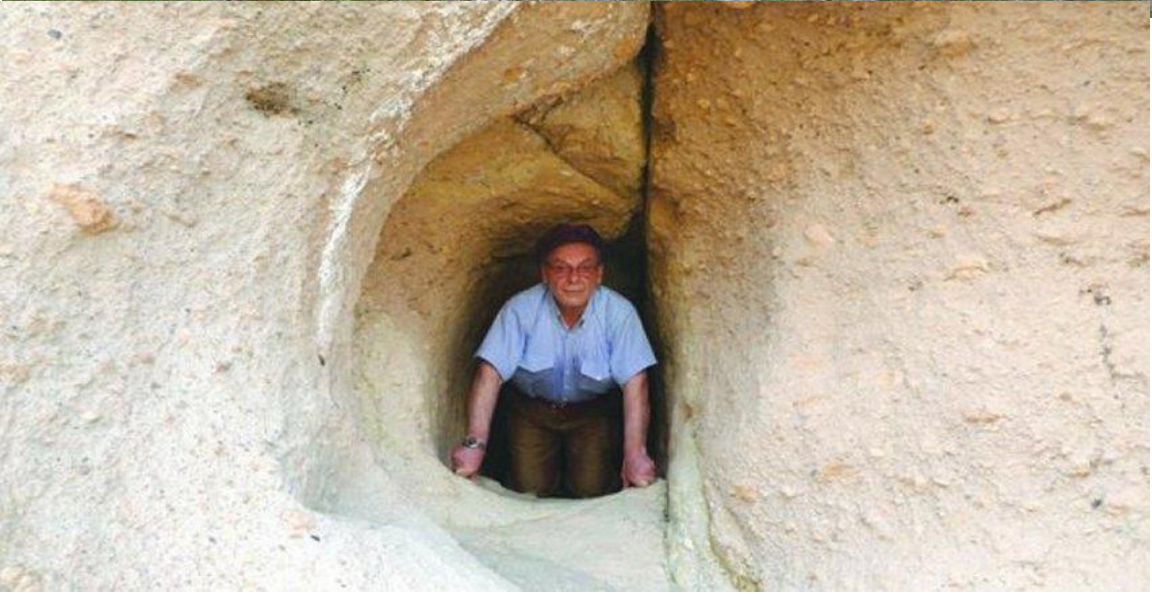

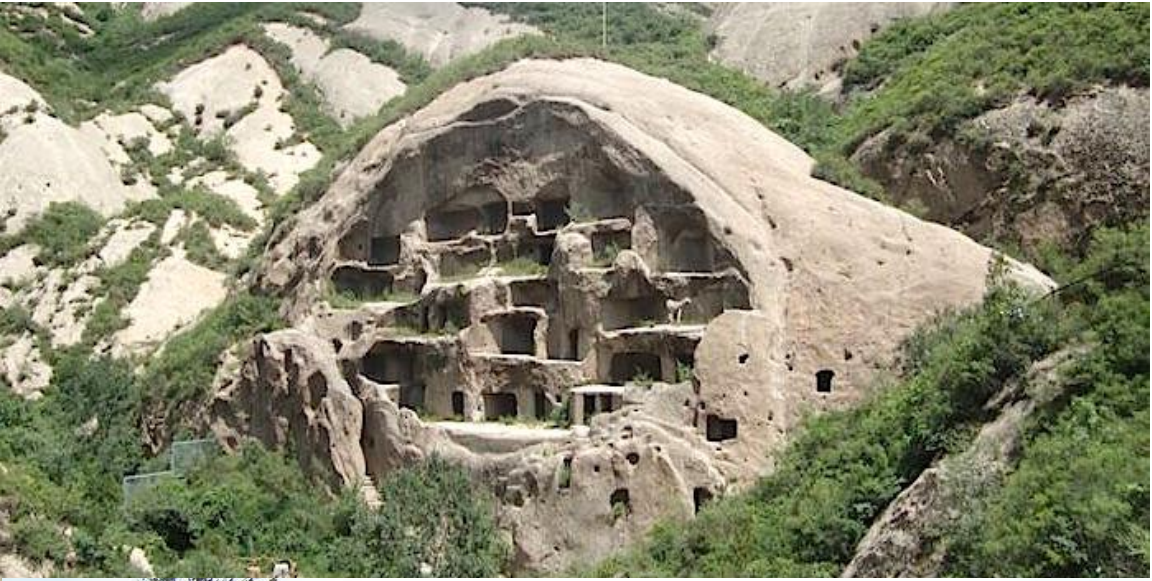

history and truth are all mixed up , the world says that we were once cave men and dumb. Compared to our alien ancestors we were dim but not stupid. We were just empty vessels filled with good stuff and wanting to learn. Wanting deep down to be the best that we could be the aliens took advantage of this.

yes we did live in caves and underground tunnels and we were hunter gatherers . but not like the world would want you to believe, we was not in awe of fire or a bloody wheel and we did not carry a wooden club on our backs. We were civilised and strong willed, but we had to live in caves and tunnels. The visitors only allowed favourites and slaves to enter there dwellings. The rest of us lived of the land and hid from the beings for as long as we could. Until our cries for help were answered and the aliens left.

ANCIENT PROPHECY, THE BIBLE AND WORLD EVENTS.

Why are there so many mysteries in this world?, prophecy of old says that the world will end. The bible says that the world will end and science says if we do nothing about global warming it will be catastrophic. So, when someone says that there are no aliens and that prophecy is just coincidence and that the bible is just a book and there is no creator , ask them to prove it because there is enough evidence to distinguish any disbelief.

NOSTRADAMUS

"Michel de Nostredame (depending on the source, 14 or 21 December 1503 – 1 or 2 July 1566), usually Latinised as Nostradamus, was a French astrologer, physician and reputed seer, who is best known for his book *Les Prophéties*, a collection of 942 poetic quatrains allegedly predicting future events. The book was first published in

1555 Nostradamus's father's family had originally been Jewish but had converted to Catholic Christianity a generation before he was born.

He studied at the University of Avignon but was forced to leave after just over a year when the university closed due to an outbreak of the plague. He worked as an apothecary for several years before entering the University of Montpellier, hoping to earn a doctorate, but was almost immediately expelled after his work as an apothecary (a manual trade forbidden by university statutes) was discovered. He first married in 1531, but his wife and two children died in 1534 during another plague outbreak.

He fought alongside doctors against the plague before remarrying to Anne Ponsarde, with whom he had six children. He wrote an almanac for 1550 and, as a result of its success, continued writing them for future years as he began working as an astrologer for various wealthy patrons. Catherine de' Medici became one of his foremost supporters. His *Les Prophéties*, published in 1555, relied heavily on historical and literary precedent, and initially received mixed reception. He suffered from severe gout toward the end of his life, which eventually developed into edema

He died on 1 or 2 July 1566. Many popular authors have retold apocryphal legends about his life. IN the years since the publication

11 PROPHECIES ABOUT THE END OF THE WORLD

Theories, possible scenarios, and prophecies about the end of the world have been propagated for many centuries. These predictions are in the Bible, prophetic books, in the mythology of many civilizations, and even in the knowledge and belief of some important academics.

From economic crises, stock market crash, aberrant social-political slippages to the dramatic degradation of people's action and feelings, we'll take a look to what the future holds. In Nostradamus book – “The Prophecies” –, he wrote something that is now catching the world's eye:

The great plague of the maritime city will not cease until there be avenged the death of the just blood, condemned for a price without crime, of the great lady outraged by pretence.

It seems as though he was predicting the SARS-like outbreak that's happening right now in the world.

Hubei Province is a landlocked part of eastern China, so it is unlikely Wuhan is the “maritime city” mention by Nostradamus. The disease was, however, traced to a seafood market, reason why Nostradamus' followers believe this prediction is a crystal-clear reference to the novel Coronavirus.

DAVID MONTAIGNE.

American historian David Montaigne said that the world would end exactly on December 28, 2019. To state this, he relied on the Mayan calendar and the alignment of the stars. According to Montaigne, the signals would start a few days earlier. “First of all, people are going to watch the displacement of the poles, which will cause earthquakes and tidal waves,” he said.

JEANE DIXON: 2020

Jeane Dixon, a United States psychic, was famous for predicting the death of former President John F. Kennedy. In 1973, she published “The Call of Glory”, her best-selling book. In this book, Jeane states that Armageddon will start in 2020. At that time, all of humanity will hear a voice from heaven, and that will be the first sign of Jesus’ second coming and the end of the world. After returning to Earth, Jeane claims that Christ will fight the devil until he defeats him.

F. KENTON BESHORE: 2021

F. Kenton Beshore, president of the World Bible Society, believed that Jesus would return 40 years after the founding of Israel, that is, in 1988. But, since this return did not happen, he said he was wrong. Now, Beshore says that Jesus will return in 2021 and fight the devil for seven years, ending the world in 2028.

MESSIAH FOUNDATION: 2026

Members of the Messiah Foundation International group, created in 2002, claim that a giant asteroid is coming towards Earth and will destroy the planet in 2026. According to them, after the end of the Earth, Jesus will return to seek those who believe in him. The group, which mixes different doctrines of theistic religions, says many scientists already know this future event.

MASSACHUSETTS INSTITUTE OF TECHNOLOGY: 2040

In 1973, a computer from the Massachusetts Institute of Technology – MIT – predicted that the end of the world and civilization the future of world growth would be, since Earth’s resources are finite. The computer used for the calculations was based on the work of computer engineer Jay Forrester, author of “The Limits to Growth”, the best-selling environmental book of all time.

ISAAC NEWTON: 2060

British physicist Isaac Newton, discoverer of the law of gravity, predicted that the end of the world will happen in 2060. Following the biblical prophecies in the Book of Daniel, of the Old Testament, Newton made calculations to reach this conclusion. “It can happen later, but I see no reason for it to happen sooner,” said the scientist in his notes. Newton’s manuscripts on apocalyptic prophecies currently belong to the National Library of Israel.

ORTHODOX JUDAISM: 2239

According to the Talmud, a collection of holy books by the Jews, the world as we know it will only exist for 6,000 years. The Jewish calendar begins with the creation of Adam and Eve by God, as reported in the biblical book of Genesis. Then, following Jewish calculations and teachings, the end of the

world will occur in 2239. For Jews, the Messiah will defeat all of Israel's enemies and institute a reign of peace.

RASHAD KHALIFA: 2280

Egyptian-American biochemist Rashad Khalifa believed he was a direct messenger from God and Archangel Gabriel. In his works, Khalifa said that the Quran contains a mathematical structure based on the number 19. In 1968, after inserting the manuscript into a computer program, Khalifa "translated" these hidden codes of the Quran, discovering that the world will end in 2280.

STEPHEN HAWKING: 2600

In 2017, just few days before he died, Stephen Hawking said that if humanity does not become a space species in the next few centuries, we will all be extinct soon. According to the British scientist, population growth and excessive energy consumption will cause the Earth to become a huge fireball until 2600.

A vertical beam of bright white light descends from the top left, illuminating a dark, textured surface that resembles a rock or a cave wall. The background is dark with some faint, colorful patterns. The text is centered horizontally and appears to be written on the surface.

PANDORAS BOX

An open, dark, weathered metal box sits on a mossy rock. From the box, a bright, golden-yellow light emanates, rising into the air. Within this light, several human faces and skulls are visible, appearing to be in a state of torment or suffering. The faces have wide, staring eyes and open mouths, and the skulls are partially obscured by wisps of smoke or light. The background is dark and smoky, with a warm, orange glow behind the box.
