Draping

Draping

Draping Options

Premium draping involves a signature design to cover the entire accent wall behind the staged/elevated area of the gym.

Perimeter draping is a simple way to cover the perimeter of a room or wall(s) in one solid color without a draping design.

Your Draping Estimates:

As an example your space is **306** Linear Ft. Assume of the 306 Linear feet, 64 LF would be a focal wall with an elevated stage, and the remaining walls, 242 LF will be perimeter draped walls. Here's your math below:

Option A:	Premium Draping	Perimeter Draping	Total
Estimated Wall to drape	64 LF	242 LF	306
Draping up to 14 ft high	\$ 27.00	\$ 20.00	
Perimeter Draping up to 14 ft high	\$1,710	\$4,840	\$6,550
- 25% Discount	(\$428)	(\$1,210)	(\$1,638)
+ Delivery & Setup	— >	\$145.00	\$145.00
Total	\$1,282	\$3,775	\$5,057

Option B:		
Estimated Wall to drape		306 LF
Draping up to 14 ft high		\$ 20.00
Perimeter Draping up to 10 ft high		\$6,120
- 25% Discount		(\$1,530)
+ Delivery & Setup		\$145.00
Total		\$4,735

Streamer Wall with Balloons

**Streamer Wall
with Balloons**

A large, circular arrangement of balloons in various shades of red, pink, and white, forming a photo booth backdrop. The balloons are of different sizes and are densely packed to create a thick, textured ring. The colors transition from deep red on the left and bottom, through various shades of pink, to light pink and white on the right. A white rectangular box with black text is centered over the middle of the circle.
