

SERVE DIRECTORY

*"And he gave the apostles, the prophets,
the evangelists, the shepherds and
teachers, to equip the saints for the work
of ministry, for building up the body of
Christ..."*

Ephesians 4:11-12

A *NEXT* *POINT* IN PARKVIEW LIFE

Ministry Teams are groups designed with the purpose of supporting the ministry of the church through the service of its members. They provide opportunities for the congregation to participate in the service of the Lord through using their gifts, talents, and skills to assist in fulfilling the church's mission to Love God, Love People, and Make Disciples.

At Parkview, it is our desire for every member to have a place to serve the Lord in his church, which is why we have included it as one of our Pathway Points on the Parkview Life Pathway.

Each team will be given a coordinator that is responsible for leading and facilitating the team. This coordinator will be appointed by the pastoral staff and approved by the trustees. They will work in conjunction with the pastoral staff to accomplish the team's purpose.

The idea behind a 'team ministry' approach is that anyone is able to serve on a team. Certain teams have restrictions placed on the manner of appointment and qualifications for serving. With some teams, there will be open and ongoing opportunities; others will have some restrictions as far as service goes.

Serve Directory
Next Points

With some teams there is an open opportunity, but with others, there will be some restrictions as far as service goes. One example is service on several of the Administrative Teams. For service on Trustees or any of the two Standing Committees of the Church, appointment must be in a manner consistent with the process outlined in the Church By-laws.

Ministry Teams

In an effort to have on ramps into ministry, we have constructed a serve directory. This directory outlines our goals for serving the Lord in his church.

Parkview Baptist Church | Serve Directory

ON RAMPS FOR MINISTRY

The interstate system is a wonderful thing. Think of the time that has been cut off of a regular trip somewhere because of the ability to go at a higher speed and in a straight line. You would not be able to enjoy the convenience of the interstate, however, without an important part of the infrastructure: an on ramp.

The on ramp serves as the access point to get to the interstate. It is probably something we take for granted a lot, but it is vital if the roadway is going to be accessible.

With that picture in mind we want to create on ramps into ministry for the members of Parkview Baptist Church. We want everyone to be serving in some way, so on ramps are vital to getting people on the road.

EQUIPPING IN MINISTRY TEAMS

In Ephesians 4:11-12, we see that the shepherds and teachers, which represent the pastors of the Church, are to equip the saints for the work of ministry. This demonstrates the vital role of equipping that pastors are to engage in, but also the calling that every believer should be engaged in ministry. Our goal is twofold: to encourage every member to serve and to provide a mechanism for them to do so.

“Our goal is twofold: to encourage every member to serve and to provide a mechanism for them to do so.”

“And He gave the apostles, the prophets, the evangelists, the shepherds and teachers, to **EQUIP** the saints for the work of ministry, for building up the body of Christ...”

PRACTICAL PHILOSOPHY

Some teams will serve on a short-term basis and dissolve after their work is completed. Others, however, will be “standing” in the sense that their work will be ongoing. Coordinators should be appointed for a certain period of time with a contingency for a period of rest so as not to wear them out. Periods of enlistment should be given frequently to highlight the opportunities to serve.

The Pastors and Church Staff will be the liaisons for resourcing these teams and coordinators. In some cases, staff members will serve as the coordinators for the individual teams. Teams can be added based on assessed needs or an individual’s desire for ministry outreach into the community.

SAMPLE:

HOW DOES IT WORK?

A church member would like to work at the Baton Rouge Food Bank and would like a team. This individual would reach out to the Pastoral Staff and communicate that desire. The Pastors would assess whether this area of service is consistent with the Mission and Core Values of the Church and appoint this team, and lend support to publicity and enlistment of the team. The requesting individual could then be appointed as the coordinator for that team. In most cases, the expectation would be that the individual requesting the establishment of the team would be expected to be the coordinator for that team. Most teams formed through this process will be short-term teams that would dissolve once their specific task is completed. Not all requests can be accommodated. Individuals are always encouraged to get involved in serving in the Baton Rouge community with the effort of making the gospel known.

Let's now see what a ministry team description would look like!

Frequently Asked Questions

WHAT IS THE DIFFERENCE BETWEEN A MINISTRY TEAM AND A CHURCH COMMITTEE?

Both serve important functions within the Church. Both accomplish ministry for the Church. The major difference is that a Church Committee is usually structured where the members are elected and it is a closed group. A Ministry Team is designed to allow anyone with a desire to serve the opportunity to be a part of the team. While certain teams only function for short periods of time, some are longer term and continual. Being a team member means that you can sign-up to serve at anytime.

The Ministry Team Coordinator is the frontline person who handles communication, information sharing, and planning. He or she can give you more information. The church office can also help with information regarding specific teams and their functions.

WHO CAN I TALK TO ABOUT WHAT A TEAM'S FUNCTION IS?

WHAT IS A MINISTRY TEAM COORDINATOR?

The Team Coordinator is the person responsible for managing and planning the work of the team.

HOW DO I GET ON A TEAM?

We have regular periods of enlistment where you will be encouraged to sign-up to be a part of a team. You can also call the church office anytime and sign-up to get onto a team. Some teams meet occasionally and some just do ministry when it arises. By signing up to be a team member, you will be put into the pipeline for information coming from that team.

HOW ARE MINISTRY TEAM COORDINATORS APPOINTED?

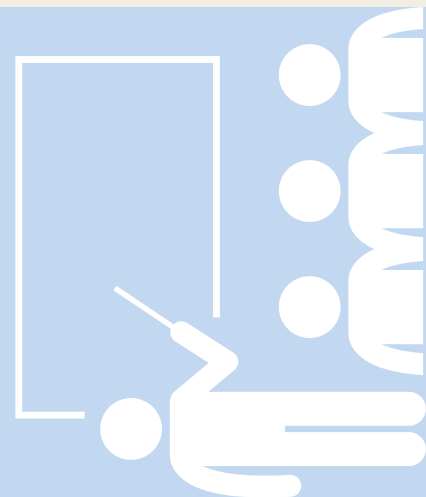

The Pastoral Staff appoints the Ministry Team Coordinator.

HOW DO MINISTRY TEAM COORDINATORS KNOW WHAT TO DO?

There are trainings and meetings to help coordinate the work of the Ministry Team Coordinators.

WHAT TEAMS ARE AVAILABLE FOR ME TO SERVE ON?

While new teams are formed frequently and some disband after their work is done, there is a listing within this directory of the different ministry teams that we have.
