Care you can put your faith in

Belfield

Residential Care Home

Situated just a few miles west of Aberdeen in the picturesque town of Banchory, Bellfield is home to up to 34 older people. At Bellfield, we take the time to focus on what makes you feel happy. We do everything we can to make our residents feel comfortable and fulfilled in their new home.

Our highly trained and caring staff are on hand 24 hours a day, offering you whatever support you need. Your individual care needs will be carefully discussed and put in place before you arrive at Bellfield, ensuring you feel comfortable and well supported. Life here includes nutritious home-cooked meals to suit all tastes and dietary needs, regular hairdressing, chiropody, dental care, and a calendar of activities both at Bellfield and out in the community.

Bellfield has lots of shared spaces for you to take advantage of. We have two large lounges where you're free to relax and socialise. We also have a conservatory with access to the garden.

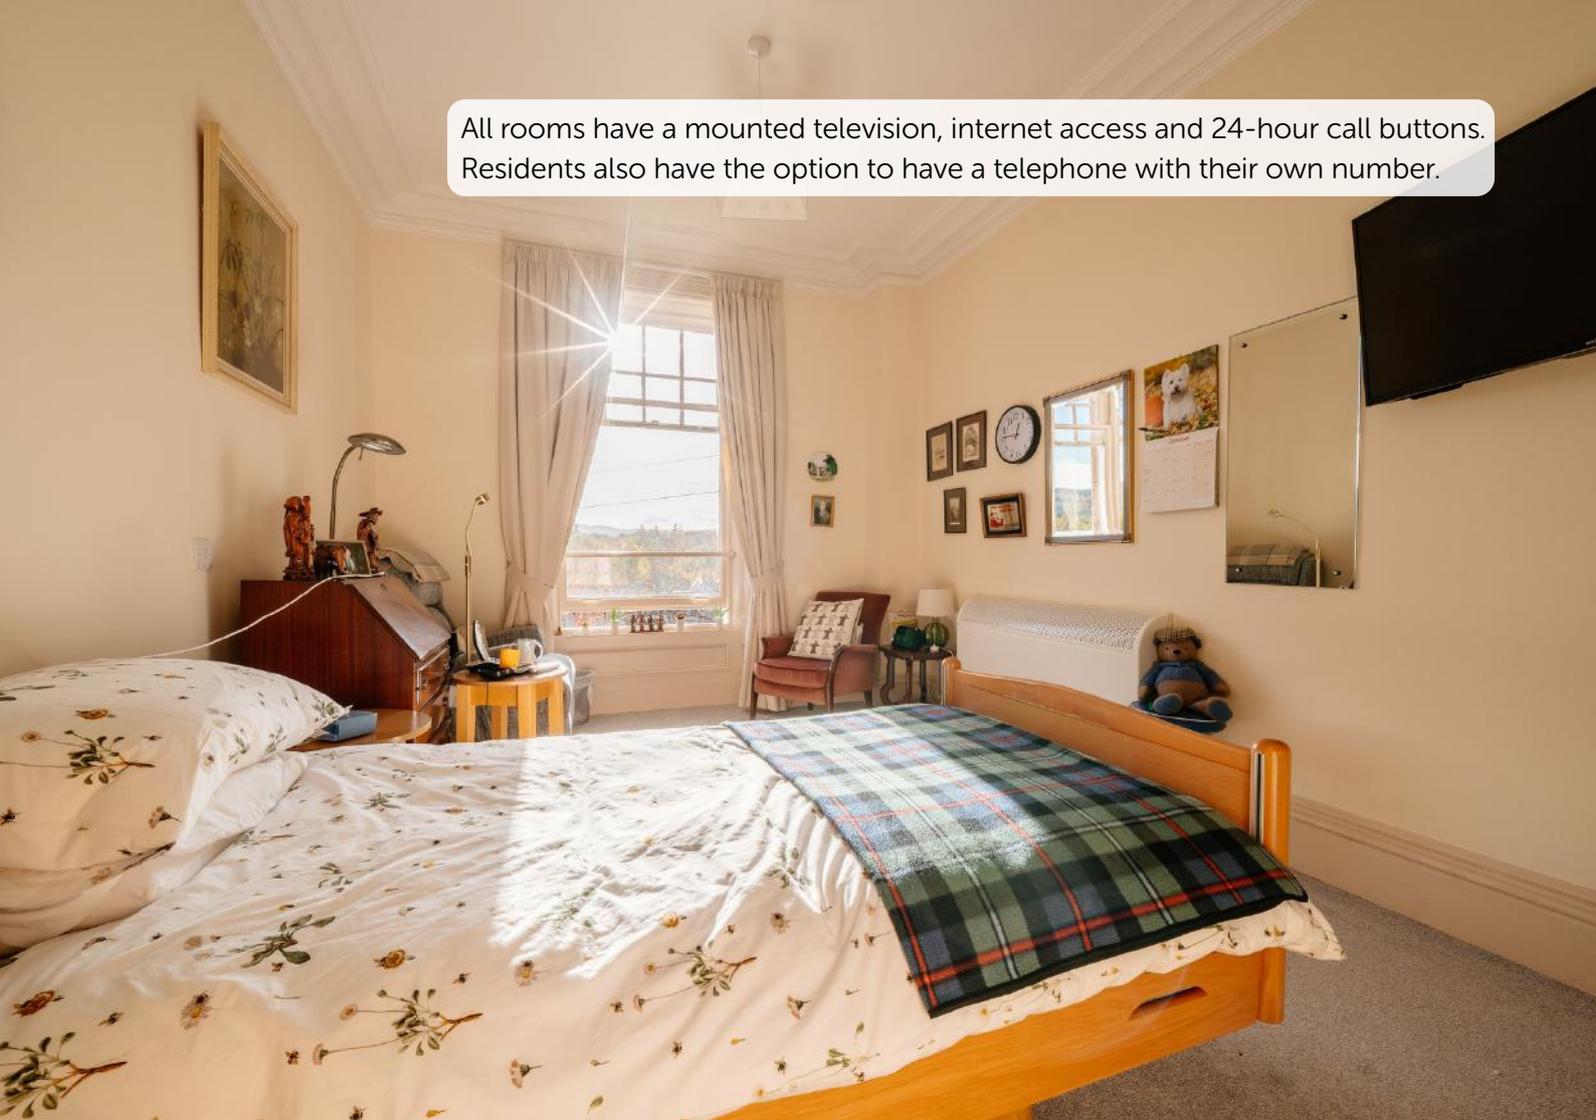

We have a bright and airy dining room where you can enjoy hearty home-cooked meals – either with fellow residents or your own friends and family

Each of our 34 single bedrooms has its own en-suite bathroom. At Bellfield we aim to make you feel truly at home, so we encourage residents to bring their own possessions with them. However, you also have the option to have your room furnished by us – ready for your arrival.

All rooms have a mounted television, internet access and 24-hour call buttons. Residents also have the option to have a telephone with their own number.

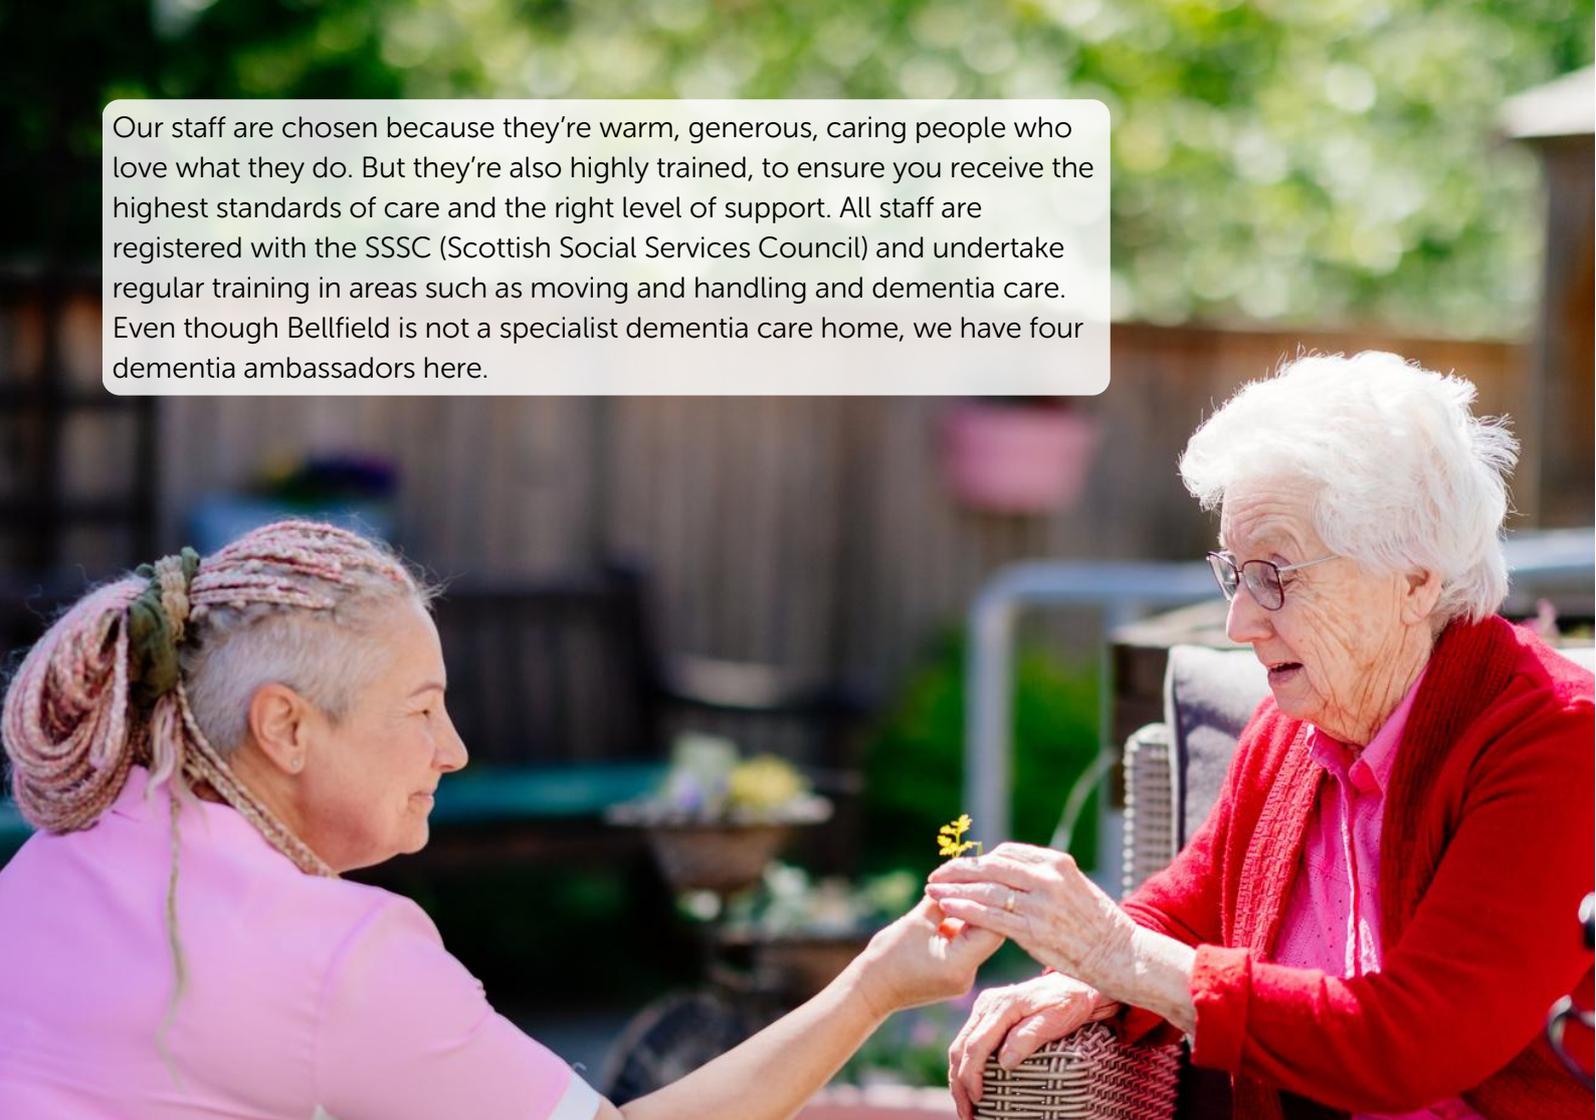

One of the home's best features is our enclosed garden, where you can sit amongst the trees and listen to the birdsong. We also have a sensory area, lovingly maintained by our gardener and the Friends of Bellfield group. Outside you'll also find our summer house – The Bellfield Café. This is a wonderful place to meet with your family and friends for a warm cuppa.

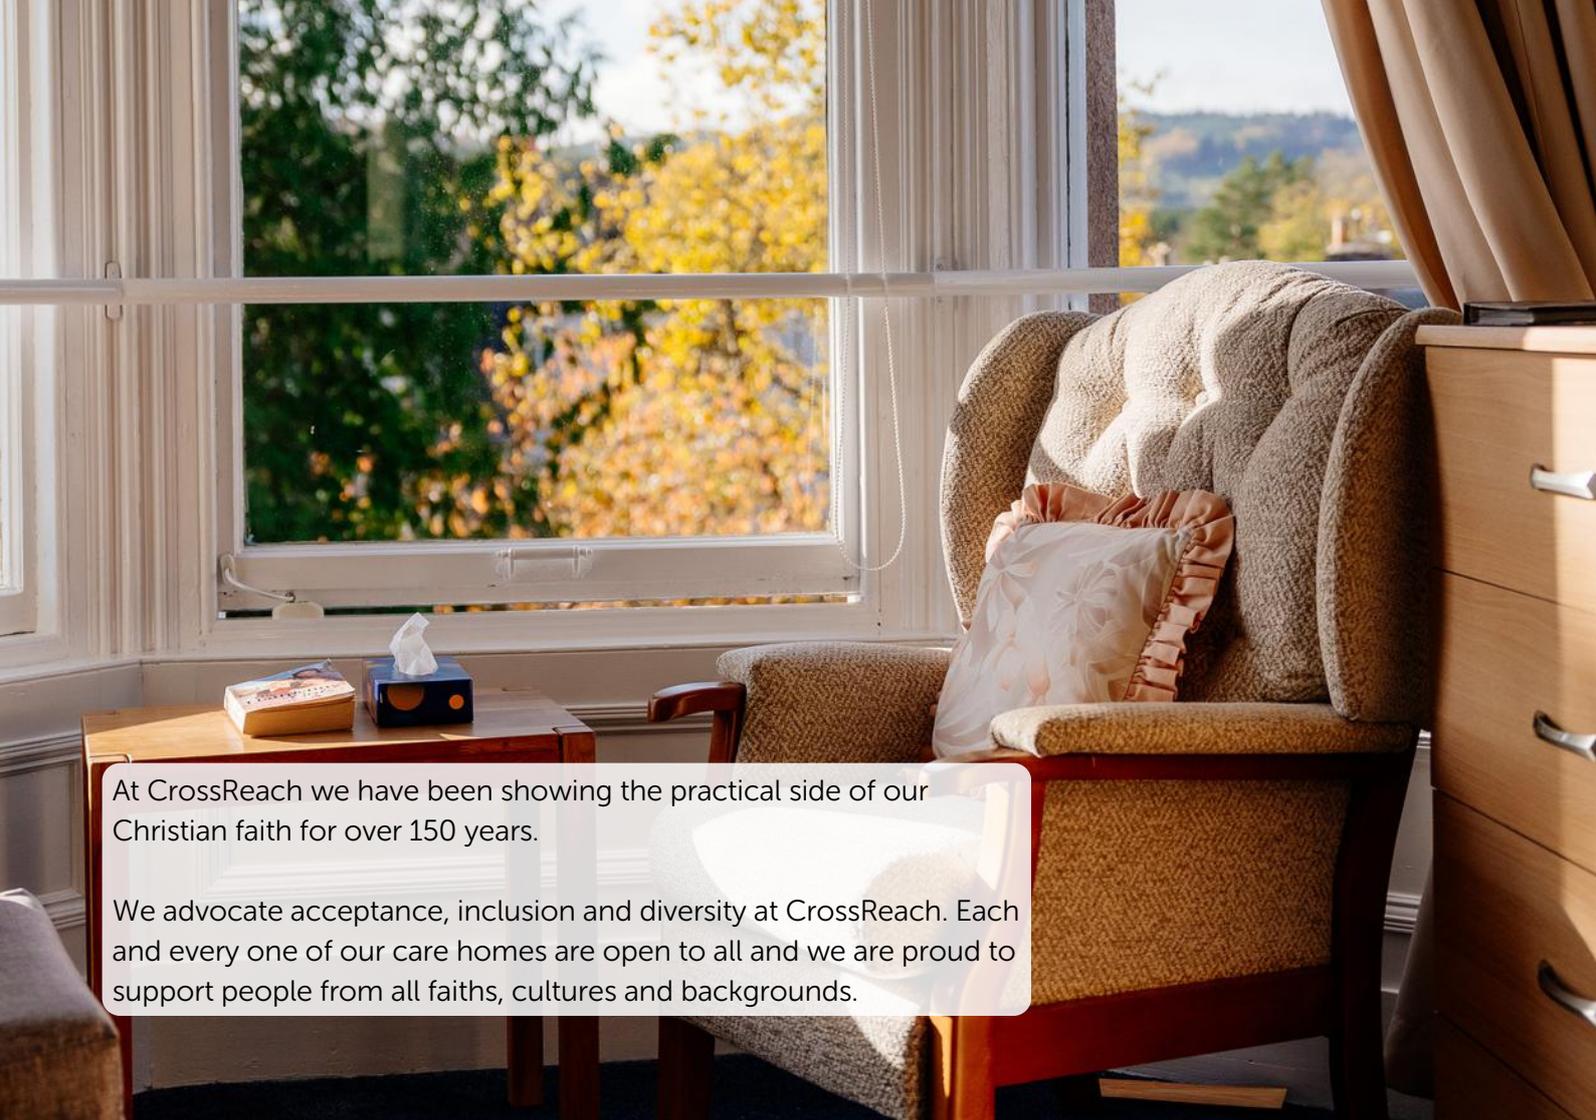

When you arrive at Bellfield, we'll work alongside you to create a Personal Plan. It is our goal for you to have as much control of the decision-making in your day-to-day life as possible. We recognise the important role that family and friends can play in the future happiness of our residents. We welcome their input into their Personal Plan and we always encourage friends and relatives to visit and help out when they can.

Our staff are chosen because they're warm, generous, caring people who love what they do. But they're also highly trained, to ensure you receive the highest standards of care and the right level of support. All staff are registered with the SSSC (Scottish Social Services Council) and undertake regular training in areas such as moving and handling and dementia care. Even though Bellfield is not a specialist dementia care home, we have four dementia ambassadors here.

At CrossReach we have been showing the practical side of our Christian faith for over 150 years.

We advocate acceptance, inclusion and diversity at CrossReach. Each and every one of our care homes are open to all and we are proud to support people from all faiths, cultures and backgrounds.
