

Your Redemption Draweth Nigh!
by Pastor/Evangelist Barbara Lynch

When all else fails, Stand Still and Look Up for your redemption draweth nigh!

Children, I speak this word to you today to give you a future and a hope.

Jeremiah 29: 11 (NKJV); For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope.

So many have no hope, and therefore, they have absolutely no hope for a future. They are standing on the edge, not knowing which way to turn. I am turning to My Beloved Ones to help in this time of dire straits in My Body. The Harvest is rotting on the vine because My people, who are called by My name, have not figured out what it is I have been saying to them. They have been playing church so long that they have no idea what My Holy Spirit desires of them. Their hearts have become dull, and their ears are hard of hearing.

Matthew 13: 15 (NKJV); For the hearts of this people have grown dull. Their ears are hard of hearing, And their eyes they have closed, Lest they should see with their eyes and hear with their ears, Lest they should understand with their hearts and turn, So that I should heal them.

Last month I asked you a question. The question was: WHERE IS MY TRUE CHURCH?

This month, I am asking: will my true church, "THE ONE THAT KNOWS ME. THE ONE THAT REVERES ME. THE ONE THAT HAS BECOME SO PART OF ME, THAT NOTHING CAN SEPARATE US. THE ONE THAT IS STILL SAYING, NO MATTER WHAT THE COST, I WILL GO THE EXTRA MILE WITH YOU," will you come forth with your light shining for all the world to see, proclaiming the Love of My Son Jesus to a degree that the lost and dying will want My Son as their Savior. Will you come forth defeating the Goliaths all across this nation? Will you be just like Paul, Silas, Peter, Timothy, and all the other martyrs who gave their all for My Kingdom?

Will you allow your lights to shine into the gross darkness and tear the darkness apart, so the ones held captive can be set free? Freely you have received, freely give out.

"Freely you have received, freely give" is a biblical principle from Matthew 10: 1, 7 - 8.

Matthew 10: 1, 7 - 8 (NKJV); 1 And when He had called His twelve disciples to Him, He gave them power over unclean spirits, to cast them out, and to heal all kinds of sickness and all kinds of disease. 7 And as you go, preach, saying, 'The kingdom of heaven is at hand.' 8 Heal the sick, cleanse the lepers, raise the dead, cast out demons. Freely you have received, freely give.

Jesus said this to His disciples, implying that they had received power over unclean spirits, to cast them out, and to heal all kinds of sickness and all kinds of disease. The principle means that whatever God has given us will be used for His glory when we freely give it back to Him for others' benefit. God's blessing on us, especially our salvation, is a free gift.

Our Father is calling His True Bride to Himself once again. WILL YOU ANSWER THE CALL?

The proclamation has gone forth: LET MY PEOPLE GO! You are the harvesters.

**“Daughter, tell My people My Glory is Coming...
...and don't grow weary in doing it!”**

“Come out from among them and be ye separate says the Lord! The world cannot tell the difference between the Church and the world and this must come to a screeching halt. I have called you to be Holy as I am Holy; but to no avail. Church Body look up and understand that **your redemption doth draweth nigh**. I am not a man that I should lie and I say I am coming back after a Holy Bride; one without spot or wrinkle.

The changing of the guards has already begun. Where are you at? Ask yourself that question every day if need be and make sure your answer is always: Right in the palm of My Father's hands and right in his Perfect Will.

This is your life little ones; walk out your salvation daily!” (II Corinthians 6: 17 - 18; I Peter 1: 15 - 16; Luke 21: 28; & Ephesians 5: 27) **(Prophecy by Evangelist Barbara Lynch; June 17, 2015)**

“Daughter, satan is on the prowl and he is destroying all that he can destroy. It is not make believe, it is real and he is dangerous. He is armed for the kill. If My people do not get down to business; he will take them out one by one. I have already given the mandate to My Holy Angels to go forth with the judgments. I am seeking those who will prepare My people for these judgments.

My people must be told to hold tight to the horn of the altar and not let go at any cost. This is the day of great salvations! This is the day of great floods! Earthquakes and Famines! Please children look up and watch the signs of the times as My Word warns you to do. I am the Alpha, Omega, Beginning and the End. All you that labor come unto Me and I will give you rest. All you who are heavy laden lay that burden at My feet and climb into My arms and allow the peace that passeth all understanding to flood your souls.

Bitter calamity is on all sides, but I have promised to keep My chosen generation in the palm of My hands and I am keeping that promise. No more compromise. No more defending your sins. Let go of all that stains your garments and come let Me wash you white as snow so we can co-labor together.

I have unabashed love for My children and I am spreading that love abroad to all that will accept it.

I have called so many into My Kingdom Authority, but only a few have been chosen, because so many re-

fused to let go of the things of this world and climb into My lap and allow Me to be their complete sufficiency.

My children, I am calling this night for your undivided attention. I need you to look up and know that **your redemption doth draweth nigh**. Quit leaning to your own understanding and stand on My Word and My Word only. I will surely bring My Word to pass.

This is the day and the hour of great blessings for those who will walk out of unbelief and truly trust that I will do all that I have said to them. I have given My Children so many promises and they must stand on those promises at this given time and not allow the enemy of their souls to steal, kill and destroy. He is trying to steal the word! He is trying to steal the promises! He is trying to steal your very faith! Look Up! Hold On! For I truly am bringing My Glory Cloud and all things shall transpire before this year comes to an ultimate end.

This is your year of Jubilee. Rejoice! And again I say Rejoice! For I am truly bringing all things to the forefront this year and all will know that I am God. Finally, they shall stop making excuses and they shall say: Surely, this is the Most High God in Action!

Take heed to My voice this night and draw nigh unto Me and do not depart. For I am your safety net at this given time and I will keep you securely in My Pavilion of Safety. Know ye not that I love you? Know ye not that I will never leave thee nor forsake thee? Know ye not from whence you came?

Come now, My little ones, and Rejoice in all your tribulations, for your tribulations shall bring you the total and final victory.

Be not deceived, I am not a man that I should be mocked and I am truly bringing all judgments under My hands.” **(Prophecy by Evangelist Barbara Lynch; March 2, 2007)**

“The world is about ready to come under the sway of the gross darkness and I am calling all of My children to Myself at this given time so I can endure them with power to minister to the hopeless, downtrodden that will be seeking answers to what is happening in their lives.

I am calling My children to Myself to give them wisdom and understanding of the times and it is very imperative that they have a deeper understanding of what the gross darkness is going to be all about.

They need to have understanding of what is going to occur and just how dark the gross darkness is going to become.

The world as you know it today; is going to change drastically. Values, Morals, Attitudes, Emotions everything is going to be touched by this gross darkness that is already beginning to cover this earth.

I am going to Evangelize America and I am going to bring multitudes into My Kingdom during this dark time in Church History. Children look up; for **your redemption doth draweth nigh** and I am surely with you and I am surely doing a perfect works amongst My Chosen Generation.” **(Prophecy by Evangelist Barbara Lynch; January 28, 2016)**

“Where do we go from here? That is a question on just about every believer's lips right now.

I will answer that call. We go forward, never backward. Are you listening for My Still Small Voice? Then you will receive instruction on where to go... when to go... and how to go. For this is the season of complete surrender to the Maker and the **hour of complete redemption** and a whole lot of work to be accomplished in a very, very short time frame.

Justice is on My lips, and I am commanding justice for My people. And justice is what they shall receive as they follow Me.

In the coming days ahead you shall hear rumors of war and rightly so; but do not let that stop you from doing the impossible; for I am into the impossible scene at this very given moment. You shall see one impossible thing being accomplished after another.

I am calling My Bride to My side and we shall ride together and do great and mighty feats at this given season.

Come My Bride, and ride with Me. Come My Bride and accomplish all that I have foreordained you to accomplish.

THIS SURELY IS THE TIME TO RIDE AND RIDE YOU SHALL!” (Prophecy by Evangelist Barbara Lynch; October 27, 2018)

Positioning Yourself for God's Favor & Blessings

by Rev. Astrid Sherriff

We must position ourselves to have God's favor and blessings.

faith it is impossible to please God." God because anyone who comes to him must believe that he exists and that he rewards those who come to him. they are seeking."

an armchair, a pillow or cushion, a well-known person, the counsel of the Lord. It's the same word used in Psalm 55: 14, Together we sweetly communicated the secrets (SOD), and we were friends in the house of God.

One a life filled with God's favor. Having a life filled with God's favor leads us to God's throne in Heaven and helps us increase our faith to trust Him more.

Favor is tangible evidence of God's approval.

The Lord's favor is expressed for our approval, acceptance, support, provision, power, and joy. And so, he proved it to Noah as to Mary, the mother of Christ (Luke 1: 28), which also manifests to all of us who have been saved through Jesus Christ.

Enjoy God's favor and of men is one thing, maintaining that favor is another. God lavishes favors on us so that we may enjoy ourselves in all spheres of our lives.

God favors the humble.

Simply put, grace is a favor. The favor of God is the power that changes things for us. First of all, you and I are saved by Your favor, and I'm not just talking about going to Heaven.

Favor is supernatural. Favor is therefore the goodness of God or an exceptional act of the Holy Spirit bestowed from Him to man.

The word "supernatural" means something that is beyond the natural; something extraordinary; something that is beyond human comprehension and capacity; And something beyond the terrestrial. That is heaven on earth, isn't it?

To be saved means to be liberated, protected, preserved, healed, and lived to the fullest. If we want to get the favor or rewards of God, we must be obedient and step out in faith.

The Hebrew word for "favor" is sod. It has different meanings, but all similar - a group of close friends who share. confidential matters, a conversation between friends,

Therefore, we can see that the "favor or secret of God" in Job's home was none other than the intimate presence of God. It was as if the Lord was sitting in an armchair or chair, or low sofa (as was the custom in those days) communing with Job, giving him advice, and telling you, their secrets. It speaks of an intimate relationship between them.

"Mercy and mercy the truth never departs from you; Tie them around your neck, write them on the tablet of your heart. Like this, you will find favor and good esteem in the eyes of God and men." Proverbs 3: 3-4.

Who among us would not like to count on God's favor always, and even better, that we should always be people who find grace and favor in His eyes, who make God smile. Surely, we do, He has loved us and will always love us, no matter what we do or don't do.

Hebrews 11:6 "And without

Gold Through the Roof!

- Rev. Brett Connell

We have discussed the value and importance of stewarding the blessings and wealth that God has given to us. One of the many ways we can make this a reality is by converting a small percentage of our monetary value into gold and silver. There has been a cause for concern about the purchasing power of our dollar and its very existence, which we have expressed in previous newsletters.

I had suggested, and even forecasted, that the value of gold would skyrocket in the coming days and that even the small things like setting aside old jewelry would greatly benefit. This is all happening because of the devaluation of the dollar, severe inflation, a depression that is coming (and in some ways is already here), and significant global unrest.

Gold hit its all-time high value of \$2,135 per ounce earlier this

month. Before that, back in August, it hit its then-all-time high of \$2,072 per ounce. This has been a trend that is occurring with greater frequency over time. Because the dollar is not pegged to gold in any way, it is a free-for-all, runaway, fleeting currency prone to collapse. Its value will only decrease as gold's value increases.

Look, even as close as 2009, gold was less than a thousand dollars at \$972 per ounce (average). Before that, in 2005, it was less than \$500/oz. In 1973, it was under \$100/oz. From 1934 to 1968, gold sat in the \$30 range consistently. That's 34 years of solid, stable, unchanging value. This proves it is an excellent hedge against inflation, hyperinflation, or devaluation. The value of gold has only ever gone up – never down, even back since 1833.

The fact that gold is breaking records now in monthly rather than yearly intervals should scream all kinds of flags and warnings. If you have purchased gold recently, you made a wise investment. Its value is only going up, and if you ever had to trade it in for other currency, you'd get a lot more than what you paid initially.

It is never too late to begin, also. In many regards, silver is the same. Silver's value is being suppressed by artificial means (but we'll get into that later). Save your gold and silver, and consider buying physical bullion with these metals!

It's Always Love

by Rev. Aaron Betz

One gift that God is always wanting to give His Children is His Love. The statement "God is love" is largely spoken more than it is truly understood. While it will take eternity to grasp God's love, we do well if we search it out in this life. His love can seem like a vague thing... So consider this practical definition of His love: The willingness to share yourself with someone while receiving them as they are. From all that I have seen, this describes God's heart towards His people.

This sharing of Himself is perfectly seen on the cross and understood through Christ's willingness to humble Himself as the Baby in the manger. The Apostle Paul leads us to grow in our knowledge of Christ beyond just knowing the things that Jesus has done for us. In other words: Why did Jesus do these things and what did He want to give us through them? Paul prayed this for the Church as a whole:

Ephesians 1: 17, BSB that the God of our Lord Jesus Christ, the glorious Father, may give you a spirit of wisdom and revelation in your knowledge of Him.

The Apostle Peter also wrote:

2 Peter 1: 3, NIV His divine power has given us everything we need for a godly life through our knowledge of him who called us by his own glory and goodness.

This unique knowledge and revelation of God cannot be contained with simple ideas. These scriptures are meant to awaken us to the quest of knowing God. This quest will allow us to answer two divine questions: 1 Who is God to you? 2 Who are you to God? The answer to these questions may also give you an answer to why you go through the things that you go through. Understand also that your relationship with God is an ancient mystery.

Colossians 1: 26 - 28, BSB the mystery that was hidden for ages and generations but is now revealed to His saints. To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is Christ in you, the hope of glory.

The enemy uses anything he can to cause us to not connect with the Christ in us. Many have seen God work with His people to destroy the bastard spirit (a spirit of division) that keeps many from unlocking the mystery of His Love.

This Christmas season comes at a time when God has worked on our behalf to free us up to receive His Love in a special and deeper way. Don't let your gift be stolen and don't leave it unopened.

Psalms 139: 17 - 18, BSB How precious to me are Your thoughts, O God, how vast is their sum! 18 If I were to count them, they would outnumber the grains of sand; and when I awake, I am still with You.

“Christmas Gloves”

by Rev. Kathryn Gore (DoTK)

Are you feeling low in Spirit this Christmas holiday? Do you feel the warfare in the atmosphere over your life and others? It's time to put on your Christmas gloves and go hand to hand with the enemy!

There's a battle in the heavenlies and the enemy is trying to steal your joy for Christmas. Let's call him what he is, the Father of lies. Don't let him go any further. Take back what the enemy stole from you and stand your ground. Demand the joy of the Lord to rise from the deepest part of your spirit, and tell your mind, will and emotions to receive it.

This past month, I've had conversations with many who've carried a nonchalant attitude behind Christmas. They have sickness, disease, anxiety, and so much more they are contending with that makes them feel like Christmas is not the same. The enemy would like for us to curse the Christmas holiday, trying to place a spirit of bah humbug upon us, to say the least. I get it. Many are dealing with real life crushing experiences that came out of nowhere and now there's little joy to hold on to. Your faith is shaken. The peace you had no longer exists.

Though people say Christmas is a man-made holiday that Christians shouldn't follow, I can tell you, the God I serve honors Christmas and the spirit behind Christmas. Christmas is meant for all to feel the Spirit of God (joy, love, peace, kindness, etc.).

We are supposed to feel excitement and joy in the atmosphere. What's happened to the fun and curiosity that Christmas brings? We should be able to laugh and enjoy one another during the Christmas season but the spirit of heaviness has come to take all of this away.

God would like for us to rejoice. Be glad like the angels were behind the birth of Jesus. Angels appeared to the shepherds in the field with much joy and excitement, rejoicing over the birth of our Lord and Savior. They told the shepherds come and see for yourselves, and my God they were blessed to have seen the glory that was in the sky, and little baby Jesus resting in the hands of Mary. This is where we should be. Keeping our eyes on the Lord and the glory that has fallen upon us.

One phrase that goes along with Christmas is "Believe". The world would suggest for you to believe in Santa. As a Christian, I would suggest for you to believe in Jesus. He is our hope, peace, and our joy. The joy of the Lord is our strength. We say this lightly, but this is the truth. We must rise above the things of this world and reach out; grab ahold of the Father's hand and enter into peace. There's peace in the storm. Allow God to impart the peace and joy you desperately need.

Don't let the enemy steal the gift of Christmas (joy). If you have more than you can bear, give it back to the enemy and tell him NO. Put your Christmas gloves on and fight. Take back what belongs to you, the joy of Christmas. Selah.

Romans 15: 13 ESV - May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

John 15: 11 ESV - These things I have spoken to you, that my joy may be in you, and that your joy may be full.

Truth or Lies?

by Sis. Grace Crescenzo

The enemy is working overtime. He knows his time is short trying to spread his lies.

Is the devil whispering in your ear? "You don't belong, you will never measure up, you can't do anything right, It's always your fault, you always make a mess of things, your too old, your too young, your not good enough, your disliked, or hated, etc."

These are a few examples of LIES that may be spoken to each one of us according to our weaknesses and old tapes we play in our minds.

So, REMEMBER, our response is just speaking the TRUTH back to source of where they lie came from. "Some maybe true at times in past or even now, but REAL TRUTH is ALWAYS that... REAL TRUTH

"I am HIS Beloved and HE is mine, and HE loves me with an everlasting, undying love. He gave HIS life for me, HIS Blood covers me and is sanctifying/ changing me daily, creating in me a pure heart. HE may not be finished with me yet, but I am going from glory to glory, because HE never leaves me nor forsakes me, and HE surrounds me with His angels, and sends warring angels in the Heavenlies to do the warfare over my life to give me victory. And as I ask Him, HE places a wall of Holy Fire to protect me, my loved ones, and all HE has entrusted me with... and NO WEAPON formed against us shall prosper, (believe HIM, not what it looks like), and any tongue that raises up against us HE will condemn and show to be in the wrong.

The Holy Spirit of God will direct our steps, correct us when needed, guide us into all truth and this is how nothing by any means shall hurt us!" ONLY BELIEVE!

This is the enemy's plan to keep us introspecting, thereby disabling us from completing the work the Lord has entrusted us to focus on. Our focus... bringing souls into HIS Kingdom!

The enemy cannot win if we ONLY BELIEVE what HIS Word says to us and about us, because of what HE HAS DONE.

The Heavenly Father, God Almighty, so loved the world (all of us) that HE sent HIS Precious Beloved Son, Jesus Christ, to suffer and die for each of us and every sin committed, and by HIS resurrection, supplied us a way for forgiveness & sanctifica-

tion, and sent HIS Holy Spirit to us to enable us to live this life in Victory via the power of His Holy Spirit in us, walking and talking daily with us!

The only way the enemy wins is if we believe him (the enemy) instead of GOD ALMIGHTY!

We choose daily, moment by moment when being bombarded with the enemy's lies, whether to believe the Father and HIS provision/the way HE has provided for us.

We can choose to break agreement with those lies, repent (turn away from participating or receiving them, entertaining them in our minds), and cut off the flow by placing all under the Precious Redeeming Blood of the Lamb, JESUS CHRIST, and be set free from the lies, the curses, and bondage they would bring.

War: The Battle has Been set in Array!

By Rev. Christopher Gore

You must look into the Spirit realm and see that the battle has been set in array.

What does this mean? "Put... in array" and "set... in array." Such an expression appears 25 times in the Authorized Version of the Bible, and always with regard to conflict or war. This simply means that there is a formation or configuration of troops strategically placed on the battlefield and awaiting orders to strike opposing forces.

I Samuel 17: 2; "And Saul and the men of Israel were gathered together, and pitched by the valley of Elah, and set the battle in array against the Philistines..."

Jeremiah 6: 23; "They shall lay hold on bow and spear; they are cruel, and have no mercy; their voice roareth like the sea; and they ride upon horses, set in array as men for war against thee, O daughter of Zion."

One of the greatest tragedies of this hour is the unwillingness of the Church to fight. The Church will not fight for God or any of His causes. Right now the Church is trying to play nicey, nicey with the enemy. This cannot be done. The enemy is not playing nicey, nicey with us. He has been given a short season to do his work and nothing is going to stop the enemy from doing it. We need to understand that just like in Job God has given the enemy permission to do certain things. Nothing goes on without God's permission. God allowed HAMAS to attack Israel on October 7. Have you taken the time to consider what else God may have given satan permission to do?

The Church has to get off the fence. When it comes to the attacks against Israel some in the Church are trying to position themselves in a neutral stance. They believe that this neutrality will give them opportunities to "win souls" for the Lord by standing in the middle. This is an error that is going to cost the Church a lot. The Church has watered down the Gospel so that it doesn't offend the people in the Church, nor the unsaved. This is especially true of the Muslims. Instead of preaching and teaching the Gospel we are practicing not offending the Church. The Word of God was never meant to do this. The Word of God is sharper than any two-edged sword. It cuts going in and it cuts going out. The Church has dulled the Word down so that it does not cut. If it doesn't cut, then hearts will not be pricked and provoked into changing.

The Church has its times and seasons mixed up. We are out of step with what the Spirit of God is trying to do. For example... There are some in the Church who are carrying the torch of being peacemakers. There

was a season for that, that season is gone. There is a time to turn the other cheek and a time to fight. We have to fight and we cannot be afraid of people saying that we are not being kind, forgiving, and loving like Jesus was. We have to fight. The Church misunderstood what Jesus came to do the first time that He came and they are misunderstanding what He is doing now. They forget that Jesus said things like this while He was on the earth.

"Then He said to them, "But now, he who has a money bag, let him take it, and likewise a knapsack; and he who has no sword, let him sell his garment and buy one." Luke 22: 36 (NKJV).

"When He had made a whip of cords, He drove them all out of the temple, with the sheep and the oxen, and poured out the changers' money and overturned the tables. And He said to those who sold doves, "Take these things away! Do not make My Father's house a house of merchandise!" John 2: 15 - 16 (NKJV).

Jesus telling his disciples to get swords, Jesus making a whip? Where is the kindness and love in that? When Jesus comes back the second time He is not coming back as the Lamb, he is coming back as the Lion of the tribe of Judah. (Revelation 5: 5). He is coming back to exact the vengeance of God. That is not turning the other cheek. That is not laying down being weak and passive. These are times of war and we need to have that warrior mindset to go after the enemies of God to pursue and overtake them. The Church is passive and needs to be stirred out of its place of complacency and neutrality. Jesus is a warrior.

It is disturbing to see leaders in the Church tell Israel that they need to be forgiving and kind. It is disturbing to see how the United States is pressuring Israel to go into periods of cease-fire. This is not a military principle that you will find in the Bible. When God sent Israel after their enemies it wasn't for them to go and turn the other cheek. It was for them to destroy them and remove them from the face of the earth. When they did not do that, God became very angry with Israel. If God proclaims someone an enemy, they are an enemy. Our modern day Christianity that is wanting everyone to be save is not realistic, it's not even Biblical. This is the truth that we need to share with everyone. This is the Gospel. Not everyone is going to choose to do the right thing. Some people are just born for evil. They are bent on destruction

and there is no amount of oil or blood from Jesus Himself that will turn them. They have rejected God and His Gospel and they need to be treated accordingly.

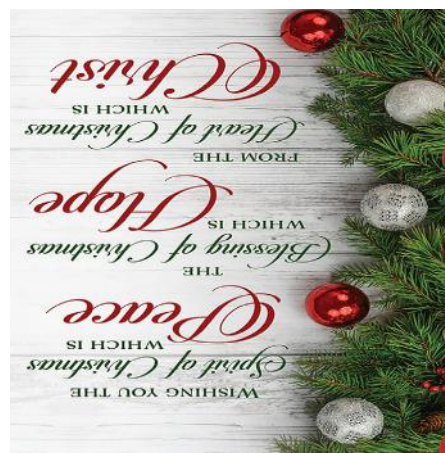

If you have not been taught the full gospel of God, then this seems contrary to what you have been taught. However, if you have studied the scriptures to show yourself approved, you are going to know that there is a time for everything under the sun. This is not the time for weakness. This is the time for strength. This is the time to stand up for and proclaim the restitution and day of vengeance of our God. This is the bigger picture.

"To proclaim the acceptable year of the Lord, and the day of vengeance of our God; to comfort all who mourn, To console those who mourn in Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of the Lord, that He may be glorified." Isaiah 61: 2 - 3 (NKJV).

When God allowed the attack on Israel it was a sign of the times. It was a sign of a shift that needs to take place in the mindset of the Church. Play-time has been over but now it really is over. Our prospective needs to come to the understanding that HAMAS didn't just target the Jews, they targeted God's chosen people. This was allowed by God to get us stirred in our Spirits. This was allowed by God. God set this battle in array. God has drawn a line in the sand. What side are you going to be on?

You cannot sit on the sidelines and pretend that this is not happening. It is happening. For some in the Church this war is being treated like we have nothing to do with it. We have everything to do with this. This is our war as well. Do you not understand that these HAMAS people, these evil HAMAS people are coming after us as well? They want to destroy the Jews and the Christians as well. We (the United States) are the big satan, and Israel is the little satan. Church, we have to wake up. This war is not going anywhere. You are not going to be able to be neutral. You need to pick a side. Are you going to fight with God or are you going to fight with satan? Real talk. The battle has been set in array. Stop playing Church.
