

Taking your Schools PE & Sport to the next level

Outstanding sports coaching and Outstanding value for money

“Sports Plus work closely with our PE subject leader to plan and deliver structured PE lessons that have developed and enhanced the breadth and quality of PE across the school.”

Alan Pearson, Headteacher
New Invention Junior School

See how great PE can be

Sports Plus Scheme is an award-winning sports coaching company providing next-level PE and sports education to hundreds of primary schools across the Midlands.

Every day our qualified Professional Sports Coaches deliver carefully considered and cost-effective programmes that help more than 20,000 primary school children stay happy, healthy and active.

We understand the challenges schools face around PE and sports. By working as part of your team, we take away the hassle of delivering physical education. We can take on full accountability for your PE provision and help make sure all your KS1&2 pupils develop their PE skills and enjoy fun, progressive lessons and rewarding physical activity.

An individual PE & sports programme tailored to your school's needs

Trust the PE to us

We have been partnering with primary schools for 20 years. During that time we have fine-tuned our skills and services to ensure we can offer the flexibility, value for money and high-quality outcomes that are essential in the modern educational climate.

But no two schools are the same. So we'll work with you to identify where you could

benefit most from our PE support. It could be working with your PE Coordinator to structure one or two PE lessons a week. Or it could see us taking responsibility for the whole of your PE curriculum. Whatever your requirements, we can provide a bespoke package of managed sporting activities so your school can boast maximum participation and PE provision to be proud of.

Our sports coaches become part of your school team

Positive role models

The quality of our business relies on the consistency and professionalism of our sports coaches. All Sports Plus coaches are recruited and trained by Sports Plus founder, Andy Mulligan and his Management Team. As well as being chosen for their sporting ability, our professional sports coaches are selected for their enthusiasm, their inspiring energy, and their willingness to become positive role models to the children in their care.

No matter how many hours a week a coach is contracted to your school, you can expect him or her to integrate seamlessly into your staffing team. They will understand and respect your values, and they will always do their bit to contribute to school life. It's just one of the things that set our sports coaches apart.

“ We have worked with Sports Plus for nearly two decades and have found the standard of their sports coaches to be consistent and high quality, supported with a professionally managed service. ”

Ellen Taylor, Headteacher
Little Bloxwich Primary School

Meet a coach

“ I qualified as a sports coach last year and have been working with my school to deliver high quality PE lessons and clubs. I love being part of school life and its goals of improving the health and wellbeing of the children.”

James Davies

Professional Sports Coach

Introducing the unique **PE Passport** app for primary schools

21st Century PE planning

Digital technology is revolutionising education. Apps such as ParentPay and ShowMyHomework are changing the way schools interact and track the progress their pupils. The PE Passport will do the same in the area of physical education and sport.

Designed by primary school teachers and PE leaders, this practical and easy-to-use mobile app provides a comprehensive tracking tool to record pupil achievement and progress through the PE curriculum.

3 Key Benefits of the PE Passport

1

Provides a portable and user-friendly aid for teachers planning, delivering and assessing physical education in primary schools

2

Offers a full curriculum of pre-planned, engaging and interactive PE lessons for Reception to Year 6 students

3

It's student-centric. A pupil's achievements in and out of school can be recorded, allowing for a more thorough tracking of participation levels

The Primary PE Passport App is included as part of our service when contracting Sports Plus to a minimum of 2 days per week at your school.

Alternatively it can be added as an individual service and purchased separately.

Further benefits include:

- Measuring the impact of PE
- Monitoring attendance in PE lessons
- Providing objective and formative based assessment
- Providing reflective self-assessment
- Useful tracking tools
- Informative videos and diagrams
- Reports and analysis of PE
