BENEFITING CHILDREN WITH SPECIAL NEEDS AND PUBLIC EDUCATION

“What we experience today . . . is the biggest Walk of its kind in California. And when you have tens of thousands of people come out to participate, it shows something that’s at the core of everyone’s belief—helping kids. This means children with special needs are included. It means kids begin to learn that we are all more alike than different. It means public schools get the resources they need. It means students are one step closer to achieving their college dreams. And all of this happens because of you! Thank you!”

THE FRIENDSHIP CAMPUS

Love Unlocks Human Potential

The revolutionary Friendship Campus addresses the employment barriers faced by people with disabilities—in training, accessibility, and employer readiness. As a vocational campus in Los Angeles County, the Campus unites multiple dimensions of workforce readiness—paid internships, financial literacy, and peer mentorship through its volunteer network—all within one accessible hub. This model creates a replicable framework for long-term employment and inclusion, transforming a fragmented system into a cohesive, empowering pathway toward independence and economic mobility. The goal is that no young adult will be left behind.

THE NUMBERS TELL AN IMPORTANT STORY

- ♥ **Nearly 200k Students** are enrolled in special education in Los Angeles County alone.
- ♥ **77% of Adults with Disabilities** are not currently in the U.S. labor force

PUBLIC EDUCATION

Walking to Support Schools

The Skechers Pier to Pier Friendship Walk raises funds to help enhance arts education, provide academic enrichment opportunities, upgrade school technology and facilities, and even retain teachers' jobs. The goal is simple: academic excellence.

"The funds raised [at the Skechers Friendship Walk] help provide critical programs and staff our schools could not otherwise afford. As one of California's lowest-funded districts, this support is essential. We are incredibly thankful to be part of an event that changes lives and strengthens our entire community."

NATIONAL COLLEGE SCHOLARSHIP PROGRAM

Full Hearts For Their Future

Skechers strives to support students at every academic level, and with your help, our commitment has grown each year. We are honored to recognize college-bound students for their outstanding academic and athletic abilities, their capacity to lead and serve, and their commitment to making a significant impact in their communities. These students are our future leaders! The college scholarship application is open to high school seniors throughout the country each spring.

This scholarship has inspired me to pursue academic success and to take advantage of every opportunity presented to me in college. This incredible gift makes me grateful for the education I will receive and the people who have helped me along the way. I can't begin to express the thankfulness that I feel, and this thankfulness spurs me on to be the best student, friend, learner, and person I can be. I hope that someday, I will be able to help students the way this scholarship helped me.
