

It's nice to e-meet you

Wardiere Inc.

Company Profile

Rachelle Beaudry
Founder & CEO

About Wardiere Inc.

Diversity and inclusion.
Driving innovation.

With Wardiere's perfect execution in managing diversity and working together, we have obtained a competitive edge in the industry.

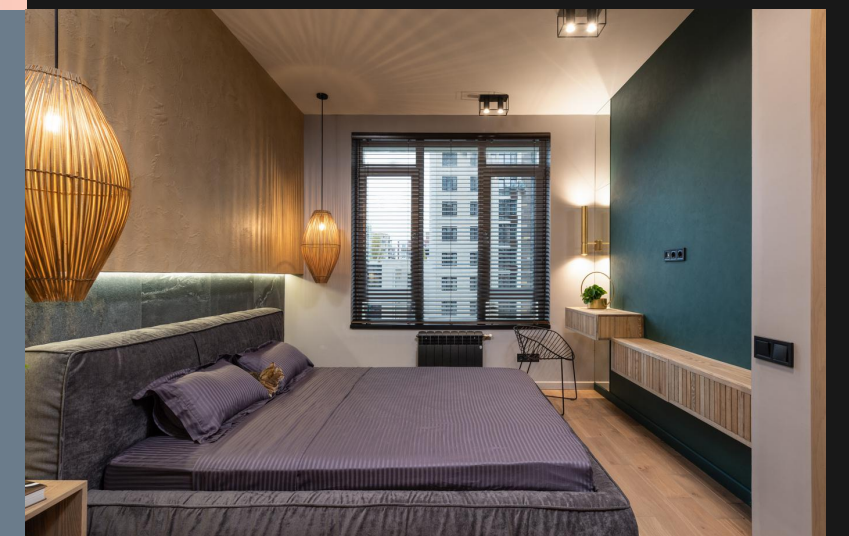

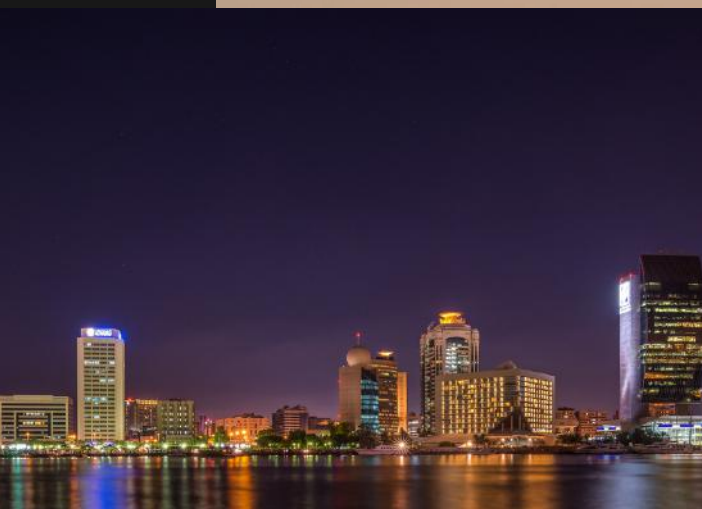

Company Purpose

Our unique combination of consulting, knowledge, assurance and regulatory services makes organizations more resilient, and in turn inspires trust in their products, systems, services, and the world we live in.

Our Purpose: to
inspire trust for a
more resilient world.

Company Vision

Double business with half the impact.

Our ambition is to create a sustainable society using a low-carbon growth economy. As environmental ambassadors, we recognize that sustainability goes beyond carbon and into everything we do.

Be Kind

Do the right thing.

Be Honest

Keep your word.

Be Smart

Make things better.

Company Mission

Innovating and inspiring consumers.
We create a life-changing experience through the quality of our products and services. We provide a common ground for all people throughout the world.

Our Services

Auditing, certification and training.

We offer a full spectrum of services to help organizations work better. We create standards of excellence and help you achieve them.

Our Services

Auditing and verification.

01.

Supplier audits, custom audits, remote and internal audits.

Internal audits let us review your organizational governance against industry-specific requirements and standards.

Second-party audits can help you confirm your suppliers operate according to your protocols.

Protect your reputation and supply chain with our audit and verification services.

Our Services

Compliance software and solutions.

02.

Cyber security, risk and supply chain management.

One integrated tool is all that's needed to manage your business on the go. We bring our unmatched expertise together with advanced technology to empower you to make resilient decisions built on a single, trusted source of data.

Software tools and solutions for governance.

The integrated technology solution that inspires trust.

Our Services

Consulting Services.

03.

Strategic, management and technical consulting solutions.

We provide a comprehensive range of consulting solutions – assessment, compliance, risk management, reporting, training, communication and more – partnering with clients to achieve their environmental, health, safety and sustainability short-term needs and long-term goals.

Achieve environmental health, safety and sustainability goals and requirements.
