HOCKEY HALL of FAME DIVERSITY IN

EDUCATE, EMPOWER, ENCOURAGE

The Hockey Hall of Fame Diversity in Hockey Program utilizes these four **Principles of Diversity – allyship, embracing change, equity, and respect** – to teach and empower youth from a sports and social perspective.

Presented by the Hockey Hall of Fame's lead on diversity, Kevin Yearwood, sessions will spotlight the stories of ground-breakers, today's leaders, and issues challenging inclusiveness in hockey. Each presentation is tailorable to your region, demographic and/or requested focus and is augmented through captivating photographs, videos, artifacts and first-person accounts.

Premiere Visual Arts THE ART GALLERY OF ALGOMA

- The Art Gallery of Algoma (AGA) is the only public art gallery in the Algoma Region. The AGA is 50 years old, located in downtown Sault Ste. Marie in the park with AGA's large scale sculptures on permanent display.
- The permanent collection of the AGA consists of over 5,500 artworks, many by well-known Canadian artists. In addition to presenting exhibitions from the permanent collection and touring exhibitions, the AGA has an active educational program offering art classes for all ages.
- The AGA partners and works closely with local school boards to deliver curriculum-based learning experiences to students based on current exhibitions on display. Curriculum-based programming changes several times a year as the exhibitions change. Each program consists of an exhibition tour and hands on activity. It is developed for specific grades depending on the content of each exhibition.
- School programs are available in person or virtually. Virtual programming is offered with an art educator live in the space giving a tour and demonstration of the hands-on activity.
- Additional virtual programs are available on the AGA's website www.artgalleryofalgoma.com and on the AGA's YouTube channel.

Please contact AGA's Public Programming and Education Coordinator Evangeline Mann to book a tour in person or virtually at evangeline@artgalleryofalgoma.com or at 705-949-9076 ext. 105.

VISION

BEAVER BUS LINES LUXURY MOTORCOACHES

Beaver Bus Lines is a family-run charter bus company operating out of Winnipeg, Manitoba for over 50 years. John Fehr Sr. purchased the company in 1972 and since then it has grown into the largest charter bus company in Manitoba.

We offer 20, 36, 40 and 54/56-Passenger luxury motorcoaches, driven by professional and courteous drivers. Our motorcoaches come equipped with reclining seats, USB/110 volt outlets, CD/DVD, interior overhead compartments, large under-bus luggage compartments and washrooms.

We pride ourselves in providing safe, luxury group transportation to all points in Canada and the USA at a competitive price. We are large enough to handle your needs, as well as small enough to provide the "personal touch."

Whether you have to get your group across the country or across town, we're at your service.
