DUROPAL

Xtreme

Made in Germany. Duropal Xtreme (Xtreme Matt & Xtreme Plus) is an attractive super matt surface material, appropriate for surface and edge applications providing the high-performance features of the well-known Duropal HPL products. Duropal XTreme is ideally suited for horizontal use on areas that require high levels of durability. Easy to clean should the surface be smeared with fat. **Non - Postformable**

ADMIRA

Traceless

FINGERPRINT RESISTANT & ANTIMICROBIAL LAMINATE

Made in Japan. Explore new ways of creating a safe environment for your interior - where you feel safe and secure, without compromising on style. Admira's range of fingerprint-resistant high-pressure laminates are antimicrobial with silver ions technology. As its name implies, TRACELESS laminates leave no traces of fingerprints or bacteria behind.

Product Availability

Applications

Features

*Not all features apply to all variants

DISCLAIMER

Duropal "XTreme High Pressure Laminates" are scratch resistant. The use of items such as knives, keys or ceramic/terracotta objects may damage the surface. Care must be taken with Dark Decors or Horizontal surfaces. Scratches will be more noticeable on Dark Decors. XTreme Matt recommended for Vertical Surfaces only.
