ON THE COVER

Our Neighbours

Steve Moore-Vale, Tim Roebuck and Mary Ett

We picked a few of our favourite photos from events in 2019 - back when we could all get together and celebrate the village and our friendships.

If you would like to submit an a cover image, please let us know.

We'd love to feature village artists and photographers and be sure to contact us if you want to exhibit in the Teddy Festival Art Exhibition in July. We know you're out there!

June is "Know Your Neighbours" month and "Volunteer Week" is 1st - 7th June. Our mission at the Teddy Bear Festival is Fun, Friendship & Community. What better way to do that than knowing your Neighbours.

With so many new people in our village this year, our hope was to bring back most of the festival events. Sadly, our Street Party has had to be cancelled for a second year. Our request to close the road in front of St. James' has been denied due to the road closure on Chequers Lane (see page 19). We have looked at alternatives, but none seem logistically viable.

We encourage people to get out and meet new people in the village. Head over to the Pub, invite a new person to have a BBQ and participate in Festival events next month. Let us know how it goes!

Another way to get to know your neighbours is to volunteer. We're always looking for new people for the Teddy Festival Team. Contact us: hello@teddyfestival.org or here at the Pump hello@thepump.com.

In this issue, you will also find club news, church and council news - more great ways to participate in village activities.

JUNE

Breckland Astronomical Society was founded in November 1993 at Hingham Primary School.

In 2000, the society moved its activities to the Great Ellingham Recreation Centre where darker skies prevail and the opportunity presented itself to build our own observatory featuring a 20 inch computer controlled telescope that was built and is maintained by the membership.

We hold free public observing nights on the last Friday of the month.

Chit Chat Group

It is with great sadness that I report the death of my husband George. Although George didn't attend Chit Chat on a weekly basis, he was the backbone behind it, always offering support for events and outings and always ready and eager to Auction at Charity events, constantly bringing a smile to people's faces. It was George who pushed to have the Child Memories Book printed and over the next few months I will marketing this further afield. Thank you to everyone who have contacted me; he will be sadly missed by so many.

Hopefully, I will be able to give dates in the next issue of The Pump as to when we will be meeting up again. Initially it may be meeting outside, therefore we will all be watching the weather; however, we will be taking advice on this. Over the next few weeks or so a decision will be made. I also hope to have a Charity Event at my home in memory of George. I will keep everyone informed, by 'phone and the next Parish Pump on any decisions. I know that so many are looking forward to the opening up of Chit Chat, me included, so please watch this space!

VILLAGE PEOPLE

TINA AND NEVILLE MOON

Tina was born in Leicestershire, and Neville is a Norfolk boy (Hingham). We met through our love of music, and have been married for 34 years, and brought 5 children between us to the marriage.

We owned and ran Mooncrete Precast Concrete (Hingham) for many years, and evidence of this is scattered across Norwich and indeed the UK.

Latterly, music has been the overriding influence in our lives, but for the first nearly 20 years we were both active participants in motorsport, with speed events being our discipline. Starting with a full race Mini, we transferred to Formula Ford and latterly drove our ex-works Reynard SF79, powered by Dunnell Zetec 2 litre unit, which allowed us to reach very successful heights

driving at speed events at National level. By specialising in speed events we were both able to take turns behind the wheel (basically think of F1 qualifying, except it was sometimes up steep hills). Yes, we have driven at our local track, Snetterton, and also at the Lotus Hethel facility and many other race venues across England, Wales and Northern Ireland. Not to give too much away, one of us was quicker than the other, but 'the other' was prettier and had scarcity value

Music has been a constant thread for both of us, and has continued in Great Ellingham with playing the organ at St James's Church and singing in the church choir. However, we are probably best known locally for starting The Village Singers here in 2009. Drawing its wonderful membership from Great

Is there someone in the village you'd like to meet?

Ellingham and local villages, we have all entertained many of you to our twice yearly concerts. The blend of different types of music and sometimes fairly off the wall embellishment has packed St James's for ten years, and given Great Ellingham Primary School a public platform at all our Christmas concerts.

Following the pandemic disruption, we have decided it's time to pass on the baton to others, and enjoy some time without the weekly responsibility. We hope one day you will be able to see and hear the Singers singing once more.

How long have you lived in the Village? 20 Years

What's your favourite smell?

What makes you laugh?

Each other and general silliness.

The Village Singers

It is with very mixed feelings that we announce our retirement from VS. We have had ten wonderful years since we started the choir, but feel that the time is right to take back a little of our freedom, as we are not getting any younger! Thanks to The Pump we are able to thank you, the audiences, helpers, Angela at the shop and many others including St James' Church, for your support. We will miss the music and fun we shared with you all, and particularly our ability to give the Great Ellingham Primary School a public platform each Christmas.

Moves are underway to continue the choir into the future. The pandemic isn't helping, but where there is a will there is a way.....

We remain the VS contacts for the time being, and will keep you in touch with developments. We intend personally to keep a slimmed down musical presence in the village (though not in competition with VS!). In the meantime, we wish our successors – whoever he/she/they maybe – a bright and happy future with a wonderful group of singers, and hope you will continue to support them.

Very best wishes
Nev and Tina

51 Petanque Club Update

We're delighted to report that, following the easing of lockdown restrictions, the Club got off to a flying start in May. Wednesday Social mornings have proved to be very popular with up to 20 members attending. We've welcomed several new social members, including some who have resumed play after 30+ years! We'll be opening the clubhouse for refreshments to allow people to have a proper social catch up after playing.

We've also made great progress with improvements to the Club including the addition of a disabled portaloos, renovated kit tables and a larger storage compound. We were able to secure grants from the Norfolk County Petanque Association & Anglia Petanque Association to help cover the costs.

Pre season warm up friendlies have taken place during the month with our two teams, The Oaks and The Millers, taking on two teams from The Garnier Club in Eccles. After 2 enjoyable evenings of fiercely fought competition, home and away, The Ellingham Oaks took the shield with the two Eccles Teams coming 2nd and 3rd and the 2019 winners, The Millers, coming 4th. A good time was had by all despite the disappointing May weather.

We have great hopes for a "flaming" June so do come along on Wednesday or Saturday morning to give Petanque a go!

Staring at bare walls?

Roundabout Works in Great Ellingham

Work is due to start on **1 June 2021** to construct a new roundabout at the B1077 Attleborough Road, Hingham Road/Chequers Lane crossroads in Great Ellingham. The roundabout is being built as a planning condition related to two developments nearby and is designed to make the junction easier to navigate.

The work, which will be carried out in stages to help minimise disruption, is expected to take **14 weeks to complete**, and will involve various stages of traffic management which are detailed below.

Traffic management:

- **From Tuesday 01 June:** Chequers Lane will be closed at the junction with Attleborough Road for 14 weeks. This is to construct the southern half of the new roundabout. A fully signed official diversion route will be in place.
- **From Monday 19 July:** Hingham Road will be closed from the junction with Attleborough Road northwards to Bow Street for 7 weeks. This is to construct the northern half of the new roundabout. A fully signed official diversion route will be in place.
- **From Tuesday 01 June:** 3 Way traffic lights will be in operation on B1077 Attleborough Road.
- **From Saturday 28 August:** B1077 Attleborough Road will be closed in both directions for 1 week. This is to enable resurfacing works to be carried out. A fully signed official diversion route will be in place.

Access to properties within the limits of any of the closures will be maintained throughout the works, although there may be some unavoidable delays at times during the resurfacing works beginning on 28 August.

The scheme is expected to cost approximately £1.25m which is being funded with £500,000 contribution from one of the developers, and the other developer has made land available from their site to allow the roundabout to be built. The rest of the funding will be from Norfolk County Council's capital improvement programme. The work will be carried out by Norfolk County Council's Community and Environmental Services Department and their contractors.

The County Council thanks people for their patience while this junction improvement work is carried out.

CHURCH NEWS

Great Ellingham Baptist Church

Over this past year, we have really missed holding our children's clubs each week. Restrictions have just made them impossible to have. I often see the children around the village and they ask when we are going to be starting again. Well here is early notice to put the dates in the diary for our summer Holiday Bible Club. We are planning to restart our children's work with our holiday club on 22nd-24th July. Put the dates in the diary. This is for children finishing Reception to Year 7. Over the many years we have held it hundreds of children have come along and enjoyed the mix of bible stories, songs, games, crafts, quizzes and treasure hunts. We look forward to having our regulars back but would love to have new children come along too. It's free and more details will come out nearer the time.

Meanwhile, we continue to meet week by week for our Sunday services, and anyone is most welcome to join us in person or watch online. More details on our website.

VOLUNTEERS' WEEK

A time to say thanks

FOOD BANK DONATIONS

Donations received at the church (there is a green lidded box in the porch) and the village shops are now being split according to need. Thetford Food bank has re-opened for donations – tinned tomatoes, tinned rice pudding, tinned fruit, UHT/long life milk, long life juice & tinned fish. If you are in need of a referral, contact Citizens Advice on 0800 144 8848. For donation queries, contact Kathryn 456525 or sunflowerjones@hotmail.com. Please don't be embarrassed to ask for help.

St James, Great Ellingham

We have been enjoying the inclusion of music as part of our May services and this looks set to continue. Whilst the congregation are not allowed to sing yet, a small group of singers has led the hymns either with the organ or as part of the music group. This has been a lovely and welcome addition. The services remain small and socially distanced, but this has enabled discussion around the reading themes as part of the sermon/reflection.

Many members of the community attended the funeral of George Reeve, husband to Ann, as his family said goodbye to him after a long battle with cancer. Our thoughts and prayers remain with them all.

June sees the start of the new service plan. Great Ellingham will have Morning Prayer on the first Sunday, café church on the second and Holy Communion on the third. All are welcome! Advance warning that the 4th July service will be moved to Little Ellingham to avoid a clash with the Teddy Festival art Exhibition.

KD

St Peter, Little Ellingham

After what seems an age, St Peter's church will re-open this month. So far the only focus for our worship has been at St James in Great Ellingham. Although St James will remain as the main focus, our church will start to have one regular service each month with other services as required.

It is hoped to soon start opening the church each day for visitors and other organised events. More information will be given when the details have been finalised.

CT

The congregation is still not allowed to sing and, except for those exempt, face masks are still required to be worn.
