Welcome Lifelong Learners!

Osseo Community Education's purpose statement:

"Create opportunities that positively impact our whole community through innovative and responsive programs and services".

We hope as you turn the pages you find something inside that ignites your passion, joy, and curiosity for lifelong learning. Our team has been working diligently to plan classes taught by highly-qualified instructors this Fall of 2023. We hope you will find some time to search this publication for your next "night out". We know the classes are enjoyable and are also a great way to meet others in your community.

If you do not see what you are looking for, please reach out to us. Not all programs and classes will be found in this publication, however, we are more than happy to assist you. For example, many of our elementary schools offer after school programs that are supported by different funding streams. We encourage you to contact your school if you do not find what you need here.

We are seeking new members to join our Community Education Advisory Committee (CEPAC); this group meets four times per year from 5:15-6:45 pm at the Educational Service Center (ESC) to assist in the development of our 279 Community Education programs. We're also looking for new Executive Committee members to help guide this work (which will include 3 additional meetings during the year). Meeting dates: 9/14, 11/9, 3/14 & 6/13. Scan the QR code below to complete a form of committee interest.

As always, our commitment to you remains steadfast. Osseo Area Schools Community Education is here to provide you with innovative and responsive opportunities, programs and services. Don't forget - if you have a hobby, skill, or talent that you would like to share with others, there's always a place for you in Osseo Community Education.

With sincere gratitude,

Community Education Enrichment Team

Oktoberfest

Celebrate German-style with fresh baked pretzels. Enjoy "Sauerbraten" tender pot roast in a tangy sweet & sour sauce, beef rouladens stuffed with pickles, bacon and onions in red wine sauce, pork blade steak braised with sauerkraut and "Weiner Schnitzel" tender breast of chicken, lightly breaded with a squeeze of fresh lemon and parsley. Side dishes will include spaetzle, potato pancakes, potato dumplings, mashed potatoes and braised red cabbage. Finish with a classic black Forest cake. This is a demo class. Items are prepped by Chef in order to get through the recipes in 3 hours. Participants will assist with execution and clean up.

Tantalizing Thai Cuisine

You'll begin by preparing Vietnamese summer rolls (fresh) served with both hoisin and peanut sauce for dipping. Included are Vietnamese spring rolls (fried) with pork, turkey and glass noodles stuffed in a rice paper and fried crisp and golden. Then prepare Pad Thai blending flavors of Thailand with rice noodles, chicken breast, eggs, chilies, garlic, basil, scallions, and bean sprouts. Enjoy Thai lime custard topped with whipped cream for dessert. Includes both demo and hands-on instruction. Many items are prepped in advance to get through the recipes.

Chicken Marsala vs. Chicken Limone

Begins with bruschetta topped with mozzarella cheese, skinned roma tomatoes and sweet roasted bell pepper sprinkled with fresh basil and drizzled with olive oil. Prepare "Chicken Marsala" with sauteed mushrooms in a sweet Marsala butter sauce. You'll see how that measures up against "Chicken Limone" topped with a chardonnay and lemon butter sauce with capers. Both are paired with "Spaghetti Aglio Olio", tender garden veggies tossed with olive oil, garlic and Romano cheese. Finish with "Diplomatico", a combo of rum and espresso soaked pound cake, chocolate mousse and whipped cream. Demo and hands-on instruction included. Many items are prepped by Chef in advance.

Holiday Cookie Bake & Take

Are holiday preparations getting you down? Don't fret, Nancy's team will help you get your baking done in no time! You'll go home with ten dozen cookies in all. Work in pairs to form, trim, and decorate your cookies. Your treats will be baked for you in large commercial ovens. Hairnets and gloves are provided, but bring your own apron if you like. And, don't forget to bring containers to carry home your ten dozen treats. Please arrive on time and stay the full three hours to assist with clean-up. Due to safety restrictions, and respect for all adult attendees, no children are allowed in or near the class. If you cannot find child care, you may send someone in your place. Please be respectful to others; if you are ill, you may find someone to take your place. Cookies will not be provided for no-shows. \$18 food supply fee payable to the instructor in class. We are not able to accommodate nut allergies. Adults only please.

Her recipes are originals and are creative property and published in her cookbook. Have you ever been to Texas and experienced the joy of having a Texan Kolache? Have no idea as to what a sweet or savory Kolache is? Wonder no more! A Texan Kolache is a wonderful fluffy extra-large, mildly sweet baked doughnut, stuffed with a choice of sausage and other fillings such as cheese. Generally, an oversized gourmet pig-in-a-blanket but unlike any other you have ever had. People of all ages will love them. Sweet Kolache on the other hand, are wonderful pillowy-soft sweet rolls filled with preserves and/or sweetened cream cheese filling, dusted with confectioners’ sugar or drizzled with light icing. Both options will become family favorites any time of year. You’ll receive a list of ingredients in advance to allow time to shop and prep. A professionally made PDF packet of the instructor’s personal recipes from this class will also be received.

Online: Baklava & Spanakopita! Sweet & Savory Greek Filo Pastries

Class takes place on Zoom. You will receive instructions on how to access the class prior to it starting. Please have a current email on file with us. If you need to cancel one of Tess's classes and you have already been sent a recipe for the class, you will not receive a refund. Her recipes are originals and are creative property and published in her cookbook. Baklava is a Greek layered dessert pastry made with filo, chopped nuts, other secret ingredients, and bathed in dreamy syrup. Spanakopita on the other hand, is a Greek savory pastry, consisting of a filling made of spinach, cheese, other secret ingredients, and is wrapped in delicate sheets of filo pastry. Tess grew up in a Greek home where Baklava and Spanakopita were enjoyed throughout the year, but especially for holidays. Tess will guide you through the process of creating one of her versions of Baklava she calls Baklava Rolls and will also take you through the process of creating her spanakopita triangles. You'll receive a list of ingredients in advance to allow time to shop and prep and a copy of the recipes.

Online: Holiday Copycat Cinnabon Cinnamon Rolls & Hot Cocoa Bombs

Class takes place on Zoom. You will receive instructions on how to access the class prior to it starting. Please have a current email on file with us. If you need to cancel one of Tess's classes and you have already been sent a recipe for the class, you will not receive a refund. Her recipes are originals and are creative property and published in her cookbook. Homemade sweets and treats are always wonderful around the holidays and throughout the year as well. Add two treats to your holiday celebrations as you learn to create freshly baked homemade cinnamon rolls, and luscious, velvety hot cocoa bombs. Make them for your family for a memorable holiday breakfast or wrap them up with bows and gift them to those you hold dear. Or better yet, create memories by starting a new holiday tradition as you learn to make these delicious treats with your children or others. After keeping her Copycat Cinnabon recipe a secret for many years, Tess has decided to share it for the first time with those that enroll. She has often been told that her rolls are even better than the actual Cinnabon rolls. You will love these pillowy, warm, gooey, rolls topped with a cream-cheese frosting. Also, if interested, learn how to create a wonderful winter treat known as hot cocoa bombs as the cinnamon rolls are rising. Cocoa bombs make for a wonderful treat in front of a warm fire during the cold MN winter or any time of year. Have your questions answered by Tess and interact with other participants as you bake-along with Tess to create her melt-in-your-mouth Copycat Cinnabon Cinnamon Rolls and have some fun creating cocoa bombs together too. But remember, Tess is only making her Copycat Cinnabon recipe available to participants of this class. You will receive a list of ingredients in advance of the class to allow enough time for shopping and preparation. A PDF packet of the instructor's personal recipes from this class will also be received.

Her recipes are originals and are creative property and published in her cookbook. Have you ever wondered what the Air Fryer hype is about? Do you have one and want ideas about what to make in it besides fries or crisping up frozen processed foods? Dive into the world of air frying and learn to make wonderful finger foods from scratch. Freezing tips will also be shared. Tess will demonstrate some of her favorite finger food recipes and invites you to join in for two of them. Demonstration recipes include Air Fryer Cheesy Macaroni and Cheese Balls, Mozzarella Sticks, and Marvelous Meatballs. Cook-along option recipes include Air Fryer Chicken Nuggets and Stuffed Potato Skins. All healthy recipes that will have your family coming back for more. Participants of the instructor’s Air Fryer classes say they are no longer intimidated by their air fryers and prefer creating their own fast foods using their new favorite small cooking appliance. Tess’s air fryer recipes are only available to those that register. While cooking-along is lots of fun, it is optional. You’ll receive a list of ingredients in advance to allow time for shopping and preparation for the cook-along options. A PDF packet of Tess’s recipes is included. As a bonus, she created a Facebook page for her classes. You’ll receive an invite; joining is optional.

Class takes place on Zoom. You will receive instructions on how to access the class prior to it starting. Please have a current email on file with us. If you need to cancel one of Tess’s classes and you have already been sent a recipe for the class, you will not receive a refund. Her recipes are originals and are creative property and published in her cookbook. Looking to start or continue a holiday cookie baking and decorating tradition? Gather your family for baking and decorating or treat yourself to some quality personal fun time. Learn how to make royal icing and the basics for decorating cookies with it at home. You’ll bake cookies ahead of time so that they are ready to decorate at the start of class. A PDF with two of Tess’s sugar cookie recipes, and a list of ingredients and supplies needed for the royal icing will be provided 5-7 days before the class, to provide time for shopping and baking. The recipes will include a soft and chewy sugar cookie, and a denser, crisp sugar cookie. You can choose to bake one or the other or both using cookie cutters of choice. One of Tess’s favorite holiday cookie cutter shapes is a gingerbread person. This is one shape that proves to be a lot of fun to decorate year after year and sometime will definitely be spent on this in addition to other holiday shapes. No fancy decorating tips or bags will be needed. You will be using simple plastic sandwich bags to decorate. Tess created a private group on Facebook for participants. Everyone receives an invite to the group; joining is optional.

Phase II: Equip Students for Tomorrow

This fall, a ballot question is being presented to the community to **address school building needs and provide learning spaces that are secure modern and flexible**. These needs were determined through a multi-year research process.

If approved by voters, the tax impact would be less than \$7/month for the average-value home (\$300,000) in the district.

The priorities of the *Building a Better Future, Phase II* plan are:

- Secure learning environments with **enhanced safety**.
- **Spaces** for math, science and career programs, specialized learning services and growing student populations.
- Access to **similar learning experiences at all district schools**, including program opportunities, class size levels and the functionality of spaces.

Scan the QR code for a detailed list of proposed projects, a look at both phases and answers to FAQ.

Brain & Body Yoga/Tai Chi

Designed to unify your movements, breathing, and awareness called mindfulness. This is what makes yoga different from regular stretching. Rather than focusing on a set of yoga poses that demands physical strength, classes incorporate a variety of exercises that develop physical, energetic and spiritual bodies. What to expect during class: meridian (energy pathway) stretching-helps to open blockages and let energy flow more easily, breathing postures (relaxation, circulation, energy accumulation in lower abdomen area called DahnJon, energy meditation (feeling energy using palms). One of the advantages of this yoga is that it is easy and simple enough for everyone to learn. Regular practice can offer you the following benefits: increase flexibility/balance, improve your respiration, energy level, abdominal vitality, improve bone density and muscle tone, help you maintain a balanced metabolism, promote cardio and circulatory health, help manage pain in the body, help you relax and handle stress more easily and encourage positive thoughts and self-acceptance. Or that no matter how many crunches you do, your stomach still hangs out? Getting rid of a belly is much more than just abdominal exercises. Learn the main causes and six strategies for getting rid of belly bloat. You'll do a few exercises designed to strengthen the deepest layer of abdominal muscle - the layer that is responsible for flattening your stomach, shaping your waistline, and supporting your lower back. And you'll do this without getting on the floor.

Online: Women, Weight & Hormones

This is an online class. You will receive email instructions for logging in a few days before the class start date. Please have a current email address on file with us. Are you finding no matter how well you watch what you eat or how much you exercise that weight is not budging? Your inability to lose weight probably has more to do with hormone levels than anything else. Until any imbalances are corrected, trying to lose weight will be like shoveling sand against the tide. We'll discuss concrete solutions (not tricks, not using your will power) for controlling appetite and cravings; simple things you can do every day to boost your metabolism; major sources of hormone mimicking chemicals and how to get rid of them; what HRT or birth control pills have to do with weight gain; how to have your hormone levels checked reliably; what steps need to be taken to safely break the vicious cycle of hormone related weight gain.

Online: Meet the Publisher/Agent - Get Your Manuscript Critiqued

This is an online class held via Zoom. Please make sure you have a current email on file so we can send you the link and PDF handouts prior to class. Ever wanted to talk to a real agent or publisher? Tired of having manuscripts critiqued by non-professionals or paying an editor too much money to change your writing to their voice? Email one page of your in-progress manuscript for an in-class critique of one page of your poetry, article, short story, screenplay, novel, non-fiction book or children’s book. (Optional: You can then send your manuscript for a professional critique (for a critique fee of \$50 for up to 25 double spaced pages + \$1/page thereafter, and a list of publishers/agents who are interested in your type of work.) Informative handouts for future use are included in the class fee. LeeAnne is a former journalist, current author/editor, and a nationwide Professor of Publishing at higher learning institutions, including Harvard Adult Education.

This is an online class. You will receive email instructions for logging in a few days before the class start date. Please have a current email address on file. Ireland is famous for its “thin places,” a membrane or a thin layer between worlds that cross over each other. From pagan times to present, Ireland’s history has been recorded in its abbeys and churches, forts and castles, jails and graveyards by those who lived during those turbulent times and often perished because of them. Their ghosts are eyewitnesses to this history. Sometimes, they are the history.

Teen Driver's Education

Safeway Driving School is under new ownership and is the largest driving school in MN, instructing over 9,000 teens this year alone. It has an A+ rating with the Better Business Bureau and is a BBB Accredited Business. Safeway has 80+ experienced instructors background checked by the MN Dept. of Public Safety. Their website is comprehensive and includes a list of tools to make the process seamless.

Classroom Training - can be taken by students who are 14-1/2 years or older and consists of 10 three-hour lessons. Each lesson is independent and can be taken in any order. If a lesson is missed, the student can sign up for make-up lesson on their Safeway account at www.safewaydrivingschool.com. If you miss a lesson, you need to make up the exact lesson you miss. Lesson calendars are all available on Safeway's website at www.safewaydrivingschool.com.

Behind-the-Wheel Training - consists of three, two-hour private lessons that can be scheduled online or by calling Safeway at 651-351-9150. Pick-up and drop-off is at home, school or work. Training is done in a white late-model car with Safeway's "Student Driver" graphics.

Payment - You may either pay the full \$425 upfront or you can pay \$275 at registration with \$75 due at your 1st behind-the-wheel and \$75 at the 2nd behind-the-wheel. Program includes classroom and behind-the-wheel lessons and all class materials. Classroom instruction is 30 hours and behind-the-wheel training is 6 hours.

Classroom Materials

A current MN Driver's Manual and workbook will be given to all students for the in-person classes. If your students is taking the online classes, you can either pick them up from your student's home school office, or you can come to the Educational Service Center located at 11200 93rd Ave N, Maple Grove, MN 55369 and ask the front receptionist for the Teen Driver's Education materials.

Guitar Lessons

Learn how to play the guitar or continue learning and taking lessons. Instructor Brandon Wells has over thirty years of experience playing guitar and bass. He teaches all styles of music - rock, classical, jazz, metal, blues, country, folk, praise and worship, and pop as well as just a basic approach that is applicable for any style of music. Music theory, note reading, music interpretation, composition, music appreciation and music therapy are all a part of his teaching program, which gives his students the tools they need to play guitar, learn the music they love and express their creativity.

Monthly lesson fee includes lesson dates listed below and include the 2023-24 school year (Sept 2023-May 2024). After the first month, enrollment for the next month is automatically charged to the credit/debit card used for the initial month. Fees will be charged the 1st of each month. Cancellations must be made by the 15th for lessons the next month. Once you enroll in lessons, you are enrolled for the entire school year.

Early Childhood Family Education (EC&FE)

For 40+ years Osseo Area Schools Early Childhood & Family Education (EC&FE) has partnered with parents and children birth to age five to provide opportunities for early learning and parent education.

Come to our program to:

- Be encouraged and supported during the early years of your child's life.
- Build upon your family strengths through learning about child development and parenting.
- Find belonging through healthy and trusting parent-child relationships with others in the community.
- Explore diverse perspectives honoring unique strengths, values, beliefs and experiences of families.

EC&FE classes and play times are for both parents and children birth to five. Classes provide a fun and safe space to nourish your child's curiosity and learning and an opportunity to explore parenting strategies, child development and parent education topics. Class fees are based on your family income and no one will be denied participation due to inability to pay. Classes specifically for parents and infants are free. Free transportation is available, if needed to participate.

Affinity Group for Hispanic Families

An Affinity Group specifically shares a culture, language, or role. Affinity groups are not racist or segregationist. The purpose of affinity groups is to provide places for parents to learn with and from others who share similar identities and experiences to be able to communicate honestly, reflect openly and create community.

Grupo de Afinidad Para Familias Hispanas

Para niños desde el nacimiento hasta los cinco años, EC&FE es un lugar seguro para jugar libremente, convivir con otros niños, y aprender. Para sus padres, EC&FE es un lugar para recibir apoyo de otros padres de familia, hacerle preguntas sobre la crianza o educación de su hijo a una maestra licenciada, y reflexionar sobre sus valores y prácticas familiares. La clase de EC&FE para familias hispanas se dirige a los que hablan español en casa y que quisieran participar en la conversación entre los padres en español.
