SOME FREQUENTLY ASKED QUESTIONS

WHAT IS SUBLIMATION PRINTING?

Using ink and heat, this technique transfers designs directly onto fabric or other materials. In the fashion industry, it's a breakthrough, allowing seamless, edge-to-edge prints on garments.

ARE YOU ABLE TO RUSH URGENT ORDERS?

We strive to accommodate urgent orders, ensuring our clients can achieve their deadlines.

WHAT ARE THE PRINT SIZES AND WHICH POSITIONS CAN I PRINT ON?

For sublimation, you can choose to print the entire shirt. You can also choose to print logos/artwork on specified area on the t-shirt. Do provide is the artwork So that we can advise on the minimum size to be printed.

IS THERE A SAMPLE BEFORE MASS PRODUCTION?

Upon order confirmation, we will provide a sample for approval before bulk production. In the event if order is cancelled prior to bulk production, S\$100 (before GST) will be charged.

HOW MUCH DOES DELIVERY COST?

Delivery will be free of charge if the invoice value is more than S\$1,000 (before GST) and to 1 delivery point. For invoice value less than S\$1,000 and multiple delivery locations, our sales manager will advise accordingly.

HOW LONG IS THE TURNAROUND TIME?

Typical lead time is between 2 - 3 weeks upon approval of sample. We will advise on the actual lead time once the order is confirmed.
