Registration Information

- Online registration opens at 12:00pm on March 25th, 2026, @ www.stalbertfrc.ca
- Participants must meet the program requirements to register.

PLEASE TAKE NOTE OF AGE REQUIREMENTS WHEN REGISTERING. PLEASE NOTE WHEN RESERVING TICKETS FOR PARENTED PROGRAMS YOU WILL ONLY INPUT YOUR CHILD/RENS NAMES. ALL PARENTED PROGRAMS REQUIRE A PARENT TO ATTEND WITH A CHILD. ERRORS IN REGISTRATION MAY IMPACT YOUR ABILITY TO ATTEND THE PROGRAM

Early Childhood program requirements *including toilet training policies*

The following requirements are in place for health and safety reasons:

- Children 3 and over, who are registering for an un-parented program, must be potty-trained.
- Children attending Discover & Learn, must be in the process of being potty-trained, and must wear a pull-up or diaper, due to sanitation concerns. Our staff will still encourage children to use the washroom. If you require any tips and strategies to accelerate the toilet training milestone, our family support team will be happy to assist you.
- Parents are strongly encouraged to participate in our parented programs prior to registering their child for an un-parented program.

Cancellation Policy**

- Please notify us a minimum of five working days prior to our program start date so we are able to offer registration to the next person on the waitlist.

WELLNESS CHECKLIST INFORMATION

Please note that all children and parents attending programs will be required to review a daily WELLNESS checklist before coming in to the centre. This link will be sent out before each program starts.

St. Albert FRC reserves the right to combine, postpone or cancel classes due to insufficient registration. Course cancellations may occur due to reasons beyond our control.

Family Support Program

Home Visitation (ages 0-6 years)

Parent Coach (ages 7-17 years)

Health for Two (pregnancy - 2 months postpartum)

Developmental Screens (ages 1 month – 5.5 years)

Information Referrals

Our **FREE** Family Support Programs have one goal: to help & support caregivers, in raising healthy, safe, and secure children. These programs give families access to information, education, and support for parenting and child development, through every stage (newborn, toddler, tween or teen).

What You Can Expect:

- Knowledgeable coaches who are trained in various parenting programs, including Triple P, Circle of Security, and Active Parenting
- Community resources and referrals
- Mentorship & support through challenges
- Flexible programs, tailored to each family's unique needs
- Culturally-sensitive coaches and programs

Program Benefits:

- Improved parenting knowledge and skills, that can be applied in day-to-day life
- Enhanced knowledge of child development
- Connects families with appropriate community resources
- Encourages families to make connections with other families
- Helps families build on their strengths
- Improved relationships with family, peers, and community

HOME VISITATION PROGRAM (ages 0-6)

A trained Parent Coach will help parents and caregivers identify what areas they require support. Through this process, goals are determined, and the Parent Coach will support families with the resources and tools needed to achieve their goals. Overall, Home Visitation is flexible and tailored to each family's needs. Home Visitation focuses on strengthening and supporting families by:

- Teaching problem-solving skills
- Encouraging positive parent-child relationships
- Supporting early child growth and development (language, fine and gross motor, cognitive, social & emotional skills)
- Helping families build on their own strengths
- Connecting families with appropriate community resources
- Encouraging families to make connections with other families

DEVELOPMENTAL SCREENING (ages 1 month - 5.5 years)

Would you like to know how your child is developing? Are they meeting their developmental milestones? Screening young children is an effective, efficient way to check a child's development. It's also an essential first step toward identifying children with delays or disorders in the critical early years.

Our staff are trained in using Ages & Stages Questionnaire (ASQ-3) and Nipissing child development screens. The questionnaire is family friendly and you will receive immediate feedback.

Our staff will be happy to provide you with strategies and activities to try at home with your child, and referrals can also be made to other early childhood programs that will continue to enhance your child's development.

PARENT COACH PROGRAM (ages 7-17)

A Parent Coach will meet with families and provide assistance on a short-term basis, providing support and mentorship through challenges. This program is open to all families, and includes:

- Mentorship through challenges
- Support built on your existing strengths
- Increased knowledge that can be applied to your day-to-day life
- Improved relationships with your family, peers, and community

HEALTH FOR TWO PROGRAM (pregnancy - 2 months postpartum)

Prenatal education & community resources to women during their pregnancy and following the birth of their baby. Designed for women who may face social or economic risks to a healthy pregnancy, including:

- Teen pregnancy
- Single parent
- Low/no income
- Poor nutrition
- History of substance abuse
- Language/cultural barriers
- History of family violence
- History/current depression

This program is delivered one-on-one by a Family Educator and includes a range of services, such as:

- Education on pregnancy, birth, baby care and parenting (including pregnancy and parenting options)
- Support and referrals to community supports, such as maternity care, mental health, addictions, housing, food security
- Resources may include milk coupons and prenatal vitamins, and bus tickets for doctor appointments

DONATION INFORMATION

St. Albert Family Resource Centre (FRC) is a thriving charitable organization serving families in St. Albert and the surrounding communities since 1982.

We offer over 400 courses and workshops annually through our Family Life Education Program, at the Centre and on an outreach basis. Early Childhood Programs, Child and Youth Programs, and Parent Education Programs make up the many courses offered.

Our Family Support Program offers one-on-one education, support and referrals to parents or the primary caregiver of children. Programs vary in length and intake criteria.
