

# COMPASSION

# WITHOUT BORDERS

ANNUAL REPORT 2025  
FISCAL YEAR JULY 2024 - JUNE 2025

## **OUR MISSION:**

To bring brighter futures to animals in need on both sides of the border

## **OUR VISION:**

A world where all animals have access to care and a chance at a life filled with love, safety, and kindness

## **OUR PROGRAMS:**

Access to free and low-cost veterinary care and spay/neuter for animals living in underserved communities on both sides of the border in order to address the root causes of animal homelessness and neglect

Rescue, rehabilitation, sheltering, and adoption of the most at-risk homeless animals living in poverty in Mexico and California

## **WHO WE ARE:**

Please check out our website to see a full list of our over 40 team members, as well as our Board of Directors

Scan Me

**ON THE COVER: SWEET CHAI WHEN FIRST TAKEN IN. SHE WAS THIN, LOADED WITH PARASITES, AND SUFFERING FROM SEVERE SKIN DISEASE. ON THIS PAGE: CHAI TODAY. SAFE, LOVED, AND THRIVING!**

Dear Friends and Supporters,

As I reflect on this past year, I am filled with deep gratitude for the compassion, generosity, and steadfast support you've shown to the animals and communities we serve. It's because of you that we continue to bring lifesaving care, comfort, and hope to thousands in need—both north and south of the border.

After more than 25 years in animal welfare, I can say without hesitation that we are facing one of the most challenging times our field has ever seen. Animal homelessness remains at an all-time high, and the crisis in access to affordable veterinary care continues to grow. Shelters on both sides of the border are filled beyond capacity, and too many families are struggling to provide even the most basic medical care for their beloved pets.

And yet, in the midst of this crisis, there is light—because of you. With your partnership, CWOB continues to meet these challenges head-on: rescuing and rehabilitating the most vulnerable animals, expanding our free and low-cost veterinary programs, and offering compassionate solutions that keep animals healthy and in loving homes.

A true milestone this year was the opening of Home for Hope in Mexico—our new, state-of-the-art rescue and rehabilitation center. This facility is a game changer, allowing us to provide transformational medical care, shelter, and healing for animals who previously had nowhere else to turn. It represents not only hope for the animals we serve but also the lasting impact of what we can achieve together.

This year's Impact Report highlights the incredible difference your support has made—from remarkable rescue stories to the community clinics that have become a vital safety net for countless families. Every number, every face, every success story is proof of compassion in action.

While the need remains urgent, our resolve is stronger than ever. With your continued support, we will keep pushing forward—reaching across borders, saving lives, and building a future where every animal has access to care and a chance to thrive.

Thank you for standing with us through every challenge and every triumph. Together, we are proving compassion that truly knows no borders.

With heartfelt gratitude,

Christi Cambor  
Co-founder, Co-Executive Director  
Compassion Without Borders

# PROGRAM

## HOME FOR HOPE

In 2025, we opened Home for Hope—an innovative animal shelter and fully equipped veterinary facility in Puerto Peñasco, Mexico. This refuge is the first stop for animals rescued from the streets, where they receive immediate safety, compassionate medical care, and the chance to begin their healing journey.

This groundbreaking facility is a true game changer. Home for Hope expands our ability to rescue and rehabilitate animals, dramatically increases access to veterinary services for families and communities who would otherwise go without, and significantly grows our capacity to provide high-quality spay/neuter for thousands of animals each year.

Beyond direct services, Home for Hope also serves as a training hub for local professionals, building a network of skilled providers who can deliver essential veterinary care across Mexico and Latin America—creating ripple effects of compassion and sustainability far beyond our walls.

## LARGE-SCALE EMERGENCY RESCUES: LOS ANGELES, CABORCA, & ENSENADA

Each year, we rescue hundreds of animals in urgent need of medical care and shelter. This year, beyond our ongoing rescue operations, we joined forces with local and international animal welfare organizations to lead several large-scale emergency relief efforts.

During the Los Angeles fires, shelters became severely overcrowded as families and their pets were displaced. We stepped in to take some of the most medically compromised animals from LA County shelters, helping to free up space and resources for additional displaced animals.

We also responded to two major animal hoarding cases, including the Ensenada rescue, where more than 300 dogs were found living in horrific conditions. We rescued dozens of dogs, many of which were covered in open wounds, skin infections, and parasites. We provided medical care for these dogs and got them into safe and loving homes.

# HIGHLIGHTS

## ACCESS TO SHELTER ADOPTIONS FOR ALL

To help reduce the demand for breeder-sourced dogs, we expanded access to shelter adoptions and education in communities that have traditionally purchased from breeders. By eliminating language barriers, offering culturally relevant education, and bringing adoptable shelter animals directly into these communities, we are creating new pathways to adoption and reducing support for commercial breeding.

Through these efforts, we're helping to break the cycle of overbreeding and homelessness, ensuring that every family has the opportunity to welcome a rescued companion into their home.

## BRINGING UNDER-RESOURCED COMMUNITIES DIRECT ACCESS TO CARE

Every month we provide essential veterinary services to under-resourced communities through our wellness and spay/neuter clinics. This year, we expanded these efforts by bringing mobile clinics directly into some of the most remote and under-resourced communities across the U.S. and Mexico.

In regions where no other veterinary care exists, our medical teams provided vital exams, vaccinations, and preventive treatments. We also transported pets from these areas to our facilities for spay/neuter surgeries and advanced medical care, ensuring that every animal has access to the treatment they need and deserve.

# LOVE TRANSFORMS LIVES

Chance Before

Chance Today!

## CHANCE

Chance was transferred into our care from our partners in Southern California after being hit by a train. He was in critical condition when he arrived to Muttopia. Today, Chance is living a beautiful life in a loving home.

## NICHOLAS

Nicholas was rescued from a hoarding case in Northern California where he was completely shut down and suffering from neglect. Today, he's safe, happy, and loved by a wonderful family who helped him rediscover trust and joy.

Nicholas Before

Nicholas Today!

Benito Before

## BENITO

We found Benito covered in motor oil and completely shut down. Now, Benito is all smiles and tail wags in his adoptive home where he experiences love every day.

Benito Today

Every year, your support allows us to transform the lives of animals in need. Here are some of the lives you've helped touch this year:

Anita Before

# ANITA

We rescued this girl just after crossing the border into Mexico. She was

starving, terrified, and missing a foot. She required an amputation and was diagnosed with a condition that would require ongoing care. A compassionate family took a chance on this sweet girl and has been providing her with unconditional love and care.

Anita Today

# VIDA

We rescued Vida off the streets in Mexico where we found someone mistreating her. She was emaciated, in pain from a severely injured eye, and clearly had endured far too much suffering. Once safe with us, we discovered she was also battling kidney disease and a systemic fungal infection. Today, Vida is living with an incredible adopter who took her in after the passing of her sweet, visually impaired dog whom she had adopted from us years prior.

Vida Before

Vida Today

# IMPACT: 8,963 ANIMALS HELPED

## 7,940 Animals Gained Access to Veterinary Care and Spay/Neuter Services

Through our free veterinary and spay/neuter clinic in Mexico and our low-cost community clinics in the U.S., CWOB provided essential, lifesaving care to 7,940 animals in under-resourced communities—helping families keep their beloved companions healthy, at home, and out of shelters.

## 1,023 Animals Rescued, Rehabilitated, and Adopted into Loving Families

We rescued 1,023 homeless animals from Mexico, overcrowded shelters and under-resourced communities throughout California, providing each with the medical care, rehabilitation, and the compassion needed to heal.
