

Introducing Everyday Gold

Our newest collection of rings, pendants, and earrings is exclusive to Nugent Jewelry and designed to elevate your case and wow your customers.

Everyday Gold features a thick layer of 18K solid gold, permanently bonded to a base of 925 USA-recycled sterling silver and finished with a protective ceramic coating. This innovative craftsmanship delivers the luxury look and feel of gold at a fraction of the price.

- Anti-Tarnish Ceramic Coating
- Waterproof & Fade-Resistant
- Hypoallergenic & Nickel-Free
- Crafted to Last, Designed for Everyday Wear

Everyday Gold is crafted to exceed industry standards:

- **Higher gold purity**, with nearly 80% gold compared to the 75% standard in typical 18K gold
- **94.78% pure silver base**, which surpasses the 92.5% sterling silver standard
- **Over 1 micron of 18K gold**, finished with a ceramic coating for added durability and lasting shine

(Purity and thickness confirmed through third-party lab testing)

We laser-etch our logo inside each ring and on the back of every pendant so you know it meets or exceeds our quality standards.

To see the full collection, call or email your account executive to set up an in-person appointment, or to schedule a Nugent LIVE show.
