*Welcome*  
to the 2024 TPBA Parade of Homes™

As the 2024 President of the Texas Panhandle Builders Association, I am delighted to extend a warm welcome to our Panhandle community to this year's Parade of Homes™. This cherished event, now in its 69th year, continues to showcase the finest homes in our beautiful communities.

### ABOUT THE BUILDER

Leidy N Morales, Builder and Owner of Leidy's Homes along with her husband, Roberto Morales, mutually have supported each other to achieve one of their dreams, which was to be home builders.

In 2019, that dream was achieved as they built their first home. In 2016, prior to building new construction homes, they began a project to remodel some uninhabitable houses to sell and/or rent which once finished, turned into a success! After a few years and multiple projects later, they decided to build their own new home together. It was with this project, past experience in the construction world and having built their personal home, they knew they were ready and prepared to start their own home building business. In 2021, Leidy's Homes, LLC was born!

## ABOUT THE BUILDER

### Chad House

Kristopher "Chad" House was born in Amarillo, Texas where he has resided his entire life. Chad graduated from Amarillo High School and attended West Texas A&M University, majoring in Public Relations and Advertising.

Chad spent his high school and college years working as a finish carpenter for his father, Lynn House, who was in the residential building and remodeling industry for 50 plus years in Amarillo. Near the end of college, Chad assumed his father's business when his mother was transferred to Houston. Although he excelled in his trade, he aspired to become a builder. Shane Ward, a local builder, approached Chad with the position of Project Manager. Chad worked with Shane Ward for 10 years building homes and overseeing residential remodels. Shane afforded Chad the opportunity to gain the experience needed to start his own company, Homes by Rillo/Rillo Renovations.

Chad is very involved with the Texas Panhandle Builders Association and is currently serving as Second Vice President and will soon serve a term as President. Chad is very passionate about the construction industry and has long-term plans to continue his career in Amarillo.

### Jason Bass

Jason Bass has been married for over 30 years to his wife Missy, they have two children and five grandchildren. When he is not working construction, he loves serving in non-profit and Christian organizations. He was raised in Gruver, TX and that is where he lived and raised his family until 2022. That is also where his love of carpentry and building began.

Jason started in this field with a small wood-working business, building custom furniture and cabinets around the Texas and Oklahoma Panhandles. He then co-owned a construction company in Gruver that did residential and commercial remodeling and new build construction. Possessing hands-on experience in building and remodeling helps him to better understand what it takes to get the job done. With no two past projects the same, each new job is both an opportunity to apply past experiences and to gain new knowledge for future projects. He loves to create and strives to bring a quality level of excellence.

Jason moved to Amarillo in 2022 and partnered with Chad House to become Rillo Renovations (Homes by Rillo). Working together, we have a long history in construction and provide our clients with more than just a building—we help them achieve their goals. We have dependable subcontractors and a well-rounded team of specialist that can do the work specific to your projects.

# AN ODE TO ATTIC INSULATION

A house is made of walls and beams,  
a home is built with love and dreams,  
and, hopefully, a lot of insulation in the  
attic to protect from the extremes.

We may not be great poets, but we are  
experts at incentivizing insulation to keep

# Building a New Home: Questions to Ask Your Home Builder

When you're thinking about buying a new home, selecting the right home builder is a key step in creating the home of your dreams. You should feel comfortable asking a potential home builder every question that you think is important. And, a professional builder or sales representative will want to make you a happy and satisfied homeowner.

Besides the questions of "How much does it cost?," and "When can we move in?," here are some other questions you should ask:

- Will the builder give you references of recent buyers/occupants?
- Does the builder have a financing plan established?
- Are there options in the floor plan – for example, can a basement or deck be added?
- Can a room such as the basement be left unfinished?
- How much "customizing" can be done versus standard features?
- Can appliances be up- or down-graded?
- Are there any additional fees relating to the home or development?
- Will there be a home owners' association? If so, what will the dues cost and what do they cover?
- Does the builder offer a warranty program?
- Does the price include landscaping? What if the plants die within a year?
- Are there any restrictive covenants?
- What are the estimated taxes on the property?
- How is the school system rated?
- Are day care and grocery stores convenient and satisfactory?
- What about emergency facilities – police, fire department and hospitals?
- Are there any major development plans for the area in the next five years?

## ABOUT THE BUILDER

Leidy N Morales, Builder and Owner of Leidy's Homes along with her husband, Roberto Morales, mutually have supported each other to achieve one of their dreams, which was to be home builders.

In 2019, that dream was achieved as they built their first home. In 2016, prior to building new construction homes, they began a project to remodel some uninhabitable houses to sell and/or rent which once finished, turned into a success! After a few years and multiple projects later, they decided to build their own new home together. It was with this project, past experience in the construction world and having built their personal home, they knew they were ready and prepared to start their own home building business. In 2021, Leidy's Homes, LLC was born!

Leidy's Homes is a new home building company that goes above and beyond just building a house to sell it, but they strive to have satisfied clients and they value each one of them and their new homes. They offer new ideas, designs, and quality. At Leidy's Homes, they want you to know that their standard is luxury.

# DON'T GET SCAMMED: FIND A QUALIFIED CONTRACTOR

THERE ARE THOUSANDS OF LEGITIMATE, ETHICAL CONTRACTORS IN BUSINESS AROUND THE COUNTRY. UNFORTUNATELY, THERE ARE ALSO SCAM ARTISTS LOOKING TO CHEAT YOU OUT OF YOUR MONEY WHO POSE AS LEGITIMATE CONTRACTORS. THESE "FLY-BY-NIGHT" OPERATORS OFTEN SHOW UP IN COMMUNITIES IMPACTED BY NATURAL DISASTERS TO TRY TO SCAM DISTRESSED HOME OWNERS INTO PAYING FOR SHODDY REPAIRS OR WORK THAT THEY WILL NEVER SHOW UP TO PERFORM.

HERE ARE SOME WARNING SIGNS TO LOOK OUT FOR:

**DOESN'T HAVE LICENSE AND INSURANCE.** ALL PROFESSIONAL CONTRACTORS SHOULD BE INSURED AND ABLE TO SHOW THEIR CERTIFICATE PROVING SUCH INSURANCE. ALTHOUGH ALL STATES DO NOT REQUIRE LICENSING, CONTRACTORS IN STATES REQUIRING LICENSES SHOULD HAVE IT AND BE ABLE TO PROVIDE A COPY.

**ASKS YOU TO SIGN ANYTHING BEFORE YOU'VE HIRED THEM.** IF THEY WANT YOU TO SIGN AN "ESTIMATE" OR "AUTHORIZATION" BEFORE YOU'VE MADE THE DECISION TO HIRE THE CONTRACTOR, LOOK OUT. THEY MAY BE TRYING TO GET YOU TO SIGN WHAT IS AN ACTUAL BINDING CONTRACT.

**DOESN'T WRITE CONTRACTS.** PROFESSIONALS HAVE CLEAR CONTRACTS THAT OUTLINE THE JOB, PROCESS, THE COST, AND HELPS CLARIFY HOW PROBLEMS WILL BE MANAGED. IF YOU DON'T HAVE A CONTRACT, YOU ARE NOT PROTECTED WHEN SOMETHING GOES WRONG. DON'T HIRE ANYONE WHO TELLS YOU A CONTRACT "WON'T BE NECESSARY."

**VASTLY UNDERBIDS ALL OTHER CONTRACTORS.** THEY MAY HAVE THE BEST PRICE, BUT THAT DOESN'T GUARANTEE THE BEST WORK. SUCH CONTRACTORS MAY CUT COSTS ON QUALITY, WHICH CAN END UP COSTING YOU MORE WHEN YOU HAVE TO HAVE THE SUBSTANDARD WORK REDONE.

**REQUIRES CASH OR PAYMENT IN FULL BEFORE STARTING THE JOB.** SHADY CONTRACTORS DEMAND CASH AND THEN RUN WITH THE MONEY. MANY HOMEOWNERS HAVE BEEN STRANDED BY PAYING IN FULL UP FRONT. A DEPOSIT TOWARDS MATERIALS IS COMMON, BUT ONLY PAY IT ONCE YOU HAVE A CONTRACT SIGNED BY BOTH YOU AND THE CONTRACTOR. IT'S ALSO SUSPECTED YOU'RE ASKED TO PAY CASH TO A SALESPERSON INSTEAD OF A CHECK OR MONEY ORDER TO A COMPANY.

**OFFERS "SPECIAL" PRICING.** IF YOU'RE TOLD YOU'VE BEEN "CHOSEN" AS A DEMONSTRATION PROJECT AT A SPECIAL, LOW PRICE, OR YOU'RE TOLD A LOW PRICE IS GOOD ONLY IF YOU SIGN A CONTRACT TODAY.

**CANNOT PROVIDE CUSTOMER REFERENCES.** PROFESSIONAL CONTRACTORS SHOULD HAVE CURRENT REFERENCES THEY CAN PROVIDE FROM CURRENT AND PAST CLIENTS – AND YOU SHOULD BE ABLE TO REACH THOSE REFERENCES, NOT JUST AN ANSWERING MACHINE.

**DIFFICULTY CONTACTING THE CONTRACTOR.** PROFESSIONALS HAVE A PHYSICAL OFFICE, MAILING ADDRESS, PHONE, AND EMAIL. THEY SHOULD RESPOND TO YOUR QUERIES IN A TIMELY MANNER. MAKE SURE YOU CAN VERIFY THE CONTRACTOR'S BUSINESS ADDRESS. IF THEY ONLY HAVE A P.O. BOX, BE WARY.

**TELLS YOU TO OBTAIN THE BUILDING OR REMODELING PERMITS.** PROFESSIONAL CONTRACTORS GO TO THE COUNTY OR STATE OFFICES AND GET PERMITS FOR THEIR WORK THEMSELVES. ASKING THE HOME OWNER TO DO IT IS A SIGN THAT THEY ARE NOT A LEGITIMATE CONTRACTOR.

YOUR BEST BET IS TO TAKE YOUR TIME, DO YOUR RESEARCH AND CHOOSE SOMEONE YOU FEEL COMPLETELY COMFORTABLE WITH. IF YOUR STATE REQUIRES CONTRACTORS TO BE LICENSED, LOOK THEM UP ON THE STATE LICENSING WEBSITE EVEN IF YOU'VE SEEN A PIECE OF PAPER THAT LOOKS LIKE A LICENSE. MAKE SURE THEY DON'T HAVE A RECORD OF CONSUMER COMPLAINTS LODGED WITH YOUR LOCAL BETTER BUSINESS BUREAU. YOU CAN ALSO FIND YOUR LOCAL HOME BUILDERS ASSOCIATION AND CONTACT THEM FOR A LIST OF REPUTABLE CONTRACTORS IN YOUR AREA. SEARCH NAHB'S DIRECTORY OF PROFESSIONAL REMODELERS TO FIND A NAHB REMODELERS MEMBER IN YOUR COMMUNITY.

# COZY HOME DESIGN *Trend*

April is not just about spring air & outdoor spaces; it is also the perfect time to show your home some love. It's been with you through thick and thin, weathering storms (literally and metaphorically) and holding countless memories. So, as the winter leaves us, it is time to return the favor. Forget grand and expensive ideas. Sometimes, the smallest gestures can make the biggest difference.

Here are a few simple and budget-friendly ways to cozy up your space and express your appreciation for all that your home does for you:

**Let the Sunshine In.** Winter days can be short, dark and gloomy. You can invite more natural light into your home to combat the dreariness. Open your curtains wide, wash the windows until they sparkle, and consider swapping out heavy drapes for lighter, sheer fabrics. This can even include rearranging some furniture based on where the light comes in. Let the sun bathe your rooms in warmth and chase away those winter blues.

**Create a New Atmosphere in Your Home.** Consider adding or changing your decorations to create a lighter, warmer feel in your home. A refresh can include pictures or art pieces, as well as new coffee table books. A splash of paint can do wonders for a room, even if it's just a single accent wall. Don't be afraid to experiment with bold colors or calming neutrals, and for an extra touch of cozy, layer in textiles like throws and pillows. Choose soft textures and warm colors to create a truly inviting atmosphere.

**Declutter for Inner Peace.** Let's face it, winter is a great time to get into hibernation mode and stay inside, and what better time to tackle clutter accumulating in the corners? Donate those old clothes you never wear, recycled magazines you've already flipped through, and give away furniture that no longer sparks joy. A clutter-free space is not only visually appealing but also creates a sense of calm and relaxation. Give your home some breathing room, clearing space for new memories. Plus, a lighter load makes spring cleaning a breeze.

**Pamper Your Appliances.** Your appliances work tirelessly day and night, keeping your food fresh, clothes clean, and home comfortable. While it is important to have a consistent cleaning routine, show your appliances some extra love with a deep, thorough cleaning. Wipe down their surfaces, vacuum off the dust, and try to get into every nook and cranny you can. This not only prolongs the lifespan of your appliances, but also allows them to operate more efficiently, saving you money on energy bills.

**Bring Nature Indoors.** Even though outdoor gardening may have to be put on pause, that doesn't mean you still can't enjoy the beauty of nature indoors. Fill your home with vibrant flowers, lush greenery, and fragrant herbs. You don't have to stick to roses; feel free to try out plants you normally wouldn't buy. Not only does bringing Mother Nature into your home add a touch of life and color, but you will also see an improvement in your mood and air quality.
