THE MISSION

Paragon creates inspirational learning experiences, stronger communities, and a better world through educational furnishings.

Our mission is to improve the experience of students & teachers through innovative furniture design that positively impacts the future of our society.

THE COMPANY

Since 1985, Paragon has been manufacturing modern furniture solutions for flexible & progressive learning environments.

We design, engineer, manufacture & assemble the furniture from our own factory in Arlington, TX. We use the highest quality raw material, and our manufacturing floor features the industry's best equipment, software, & staff.

Each piece and every line is meticulously designed & engineered to work cohesively with the curriculum and in concert with the learning space.
